

MUNICIPAL STREETLIGHT IMPROVEMENT DISTRICTS PROPERTY TAXES

SCHEDULE AND WRITTEN REPORT

The City’s streetlight improvement districts were established beginning in 1971 to allow taxpayers residing in the benefiting area to pay for the operation of the streetlights. The City currently has 355¹ streetlight improvement districts formed by petition of the property owners for the sole purpose of purchasing electricity for the lighting of public streets. Arizona Revised Statutes (A.R.S.) § 48-616 requires that the City Council annually adopt an ordinance levying a Special Taxing District property tax in an amount sufficient to pay the expense of operating each of the streetlight improvement districts located throughout the City. The ordinance is then transmitted to the Maricopa County Board of Supervisors and the Maricopa County Assessor who will add the required amounts to the property taxes to each district. The levy amounts, when collected by Maricopa County, are remitted separately to the City and are used to pay utility bills for the streetlight improvement districts.

For fiscal year 2023/24, the streetlight levy is calculated based solely on estimated energy costs. The proposed streetlight property tax levy for fiscal year 2023/24 is \$494,979, which is a decrease of \$29,865 from fiscal year 2022/23.

The cost of operating each district varies based on the cost of electricity, usage and number of streetlights. Electrical services are provided by either Salt River Project or Arizona Public Service, each assessing varying rates. As a result, the property taxes levied may differ for each district. Therefore, 355 separate property tax calculations are required representing approximately 33,750 properties.

FOR EACH STREETLIGHT IMPROVEMENT DISTRICT LISTED HEREUNDER, the proposed levy on each \$100 of the assessed value of all property, both real and personal, within the boundaries of said district, except such property as may by law be exempt from taxation, shall be a tax rate sufficient to raise the amount listed opposite the Streetlight District number. The purpose of the tax rate shall be to provide a fund for the annual expenses of each Streetlight Improvement District listed hereunder, for the fiscal year ending the 30th day of June 2024 with an aggregate total of \$494,979:
