# WHAT IS JUNETEENTH?

Juneteenth is a holiday celebrating the emancipation of African Americans who had been enslaved in the United States.

It is celebrated on June 19 because on that day in 1865, news of the emancipation proclamation finally reached Texas - 900 days after President Lincoln had signed it.

The 2023 Scottsdale Community Juneteenth Celebration sponsors and organizers welcome you to celebrate Juneteenth with our community.

On display in Scottsdale Civic Center is *Freedom Cake*, an artwork created by Arizona-based artist Mia B. Adams and commissioned by Scottsdale Public Art. *Freedom Cake* merges the historical significance of quilt-making and the symbolic meanings of quilt patterns with the cultural tradition of red velvet cake as a celebration of Juneteenth.

Sit and create with Scottsdale Arts Learning & Innovation to learn about quilt pattern symbolism and explore how colors and shapes interact through geometric pattern making. You will make a unique cut-paper magnet to take home, or you can contribute to a beautiful community Juneteenth “quilt.”
