**City of Scottsdale
Valet Parking Business License
Indemnification and Insurance Requirements**

- (A) The licensee shall be responsible for all liability imposed by law for personal injury, death or property damage arising out of or related in any way to the licensee's valet parking license. If any claim of such liability is made against the city, its officers or employees, the licensee shall defend, indemnify and hold them harmless from such claim, including claims alleging the negligence of the city, its officers or employees. The licensee shall sign an indemnification form before receipt of the licensee's valet parking license.
- (B) The applicant shall submit to the director certificates of insurance evidencing the applicant's insurance coverage for the term of the valet parking license. The licensee shall purchase and maintain minimum insurance as required below with companies that are licensed or approved unlicensed in Arizona.
- (C) The insurance shall:
 - (1) Name the City of Scottsdale, its departments, agents, officials and employees as additional insureds;
 - (2) Specifically contain a severability of interest provision;
 - (3) Be primary;
 - (4) Provide commercial general liability coverage with a limit of not less than one million dollars (\$1,000,000.00) for each occurrence, including coverage for bodily injury, broad form property damage, personal injury, products/ completed operations, and blanket contractual, and be as broad as the Insurance Service Office, Inc's policy form CG 00011093 or any replacement;
 - (5) Provide garage keeper's liability with a limit of not less than fifty thousand dollars (\$50,000.00) for automobile physical damage, or an endorsement to the licensee's commercial general liability policy for automobile physical damage; and
 - (6) Provide that coverage cannot be canceled or expire without providing the city at least ten (10) days prior written notice.
- (D) No person shall provide valet parking using a public area for a valet parking zone, for storing patrons' vehicles, or for traveling, without the insurance required by this section.

(aerial photo may be used)

XYZ Valet Company

Location: Trappers
3815 N. Scottsdale Road

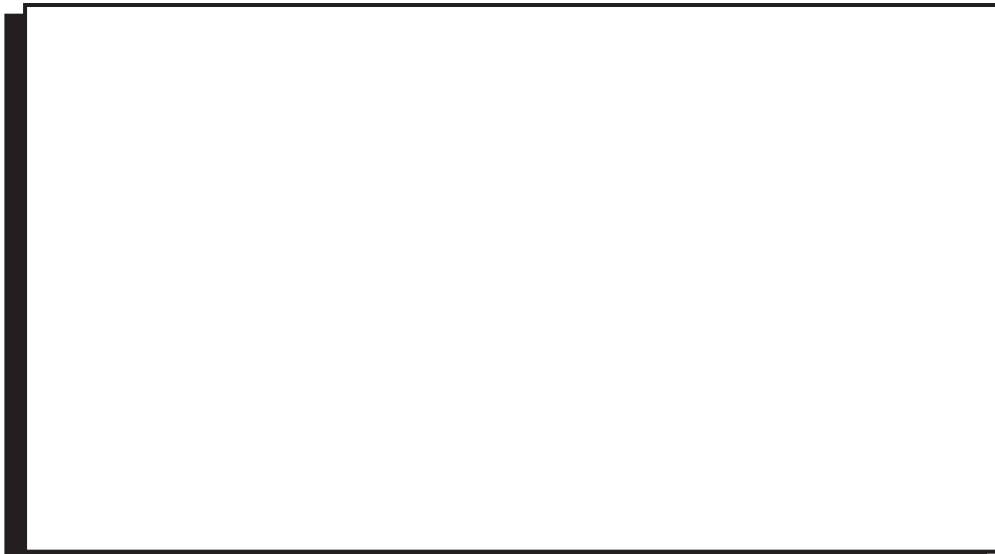

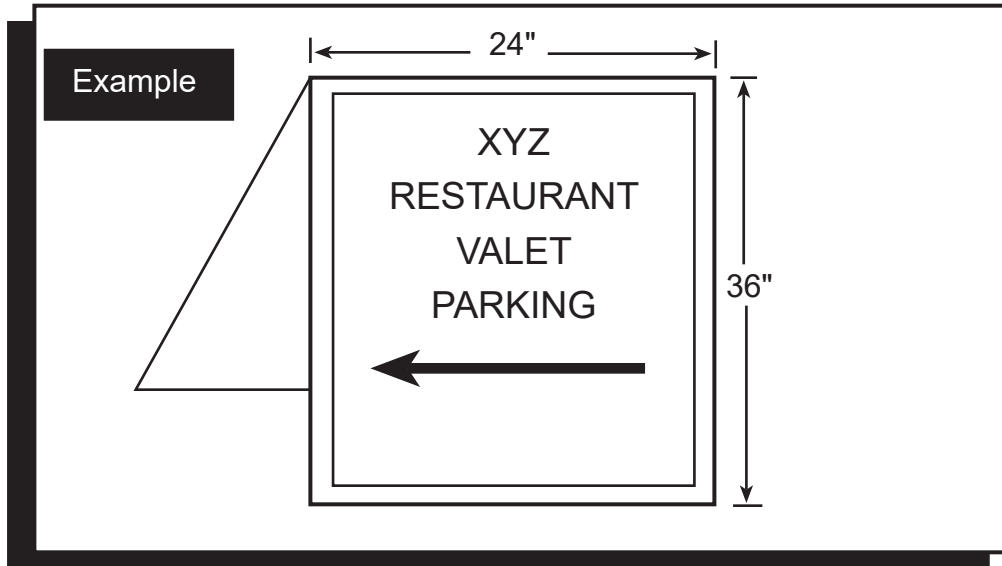

Parking Location: Office Garage parking structure;
Will use 30 spaces on the upper deck.

Directional Sign

Sec. 16-563 (b)

If required by the terms of the license, the licensee will provide one (1) directional sign not more than three (3) feet high from the ground and not more than four (4) square feet in area, indicating the correct and safe approach to the valet parking station and valet zone. The sign shall be located within two hundred (200) feet of the valet parking zone and will not be permitted in the public right-of-way, unless permitted through the licensing process and shown on one of the two approved maps/diagrams. This location is subject to written approval of the owner(s) of the property where the sign is to be located.

Please provide the drawing in the above space

Valet Podium and Sign

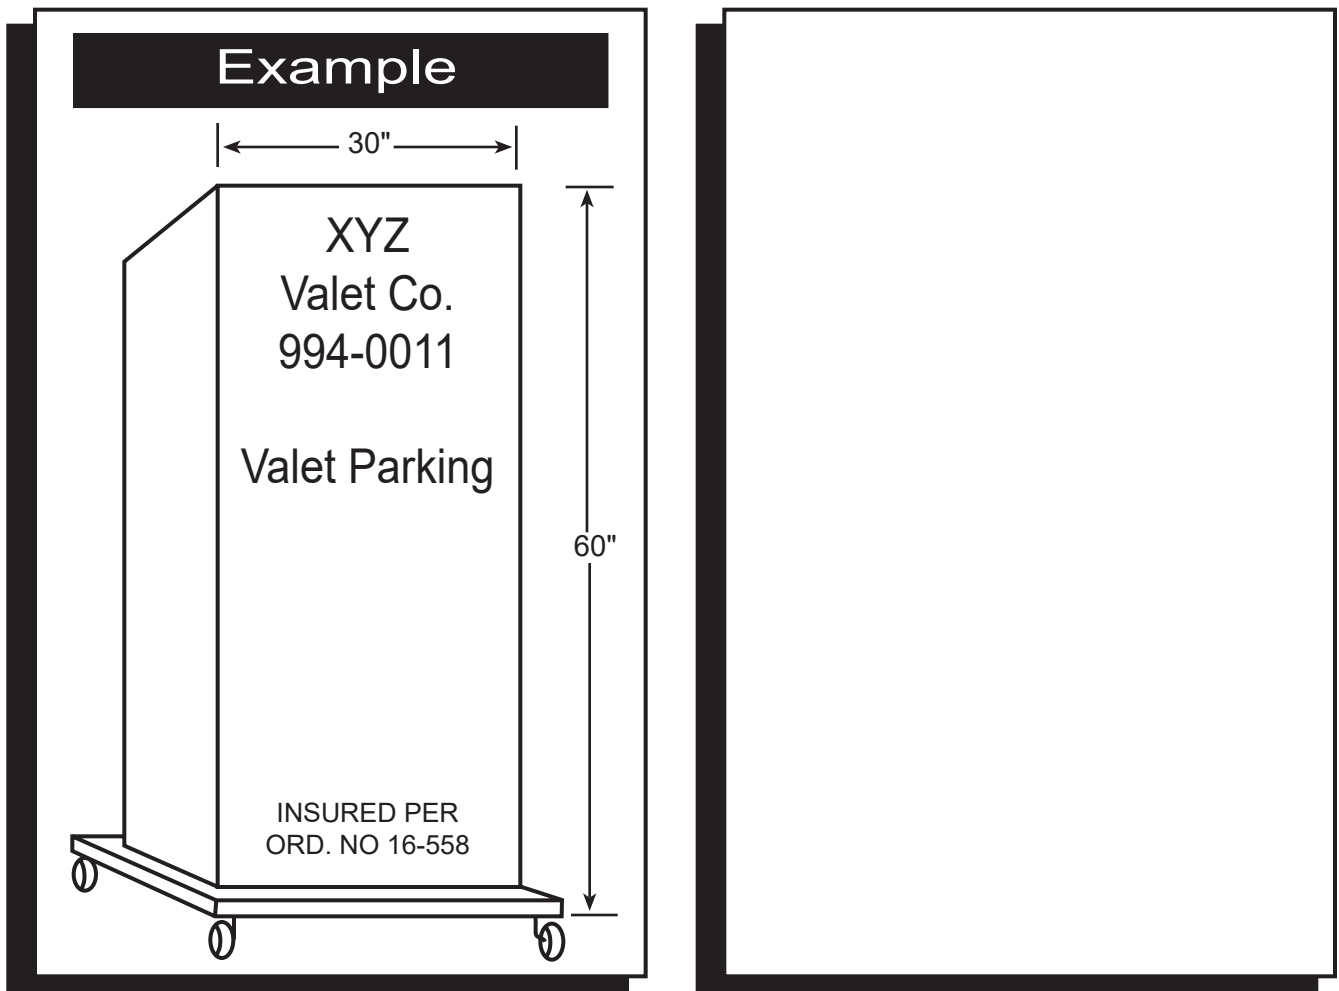

Sec. 16-563 (a) 1, 3

The licensee shall provide one valet parking podium for each valet parking zone;

1.) The valet parking podium shall be a removable lectern, cabinet or other structure not less than four (4) feet high, nor more than five (5) feet high, and not more than two and one-half (2 1/2) feet wide, with a space for waste disposal, and space to provide locked storage for keys, licenses, permits, contracts, maps, and other documents required by this article.

2.) The valet parking podium shall be located as approved on the diagram submitted by the applicant for the valet parking license.

3.) The valet parking podium shall bear a sign, not to exceed the height and width of the valet parking podium, conspicuously identifying, in letters not less than one and one-half (1 1/2) inches tall, the name and phone number of the licensee, the name of the business(es) served by the licensee and the charge, if any, for the valet parking. The sign shall also include notice, in letters not less than one (1) inch tall, that the licensee is insured as required to be mounted on the valet parking station.

Please provide the drawing in the above space
