

ASU Scottsdale Center Working Group

Status: Dissolved

Created: 11/16/2004

Ended:

Description: The ad-hoc citizens advisory working group focused its efforts on seeking and providing broad direction and input to the city planning team, the ASU Foundation team, and its selected developer in the following three areas: 1) identifying opportunities and constraints that exist in the Scottsdale McDowell Road Corridor area immediately surrounding the ASU Scottsdale Center site; 2) creating a framework for the ASU Scottsdale Center site; and, 3) identifying land use options for the five (5) acres of land retained by the City for development. The group was required to complete its task by May 1, 2005.

Notes:

On November 2, 2004, the City Council authorized a development agreement for the ASU Scottsdale Center for New Technology and Innovation site and surrounding area. Included in this agreement was the formation of an ad hoc working group.

On November 16, 2004, the City Council confirmed the role/purpose of the group and made appointments to the 11-member public body.

Associated Boards: None
