

# RESOURCES FOR STRUGGLING PET OWNERS

The Arizona Humane Society believes pets are family, and we are committed to keeping pets and people together. If you are struggling to care for your pet, we may be able to help through our crisis intervention and wellness programs.

Our trained social worker can help pet parents navigate the resources available in our community and may help keep beloved pets in their forever homes.

Please contact our Pet Resource Center to learn more about our programs to help people and pets in need.
