Purpose:

Powers and Duties:

Described in the 11/18/1981 minutes:

1. Involve maximum citizen input.
2. Involve maximum input from the cable companies themselves, those that would be married to the community for at least fifteen years.
3. Establish the fairest procedure which would be possible to devise, including adoption of a resolution signed by all members of the committee, which prohibited any conflict of interest, and no individual contact permitted with the representatives of the cable companies.
4. Selection of an impartial consultant with excellent credentials.

Notes:

The committee was also known as the Cable Television Committee. The November 18, 1981 Council minutes indicate that the committee was formed at the request of former Mayor Bill Jenkins. The minutes reflect that Mayor Jenkins' letter to the prospective committee members said that the City needed the committee's help and concluded by saying the committee's work would make a significant impact on the future of all citizens. The minutes state that the first meeting of the committee was held on February 4, 1980.

Minutes of the January 5, 1982 Council meeting indicate that Chairman Blueme of the committee expressed the committee's desire that the January 5, 1982 meeting serve as the farewell performance of the committee, and he encouraged the Council to dissolve the committee as soon as possible.

The committee members received plaques of appreciation from Mayor Drinkwater on January 5, 1982.
