Good evening. I'm Carol Ziffrin; I live at Vi/Silverstone.

I'm here to bring attention to the need for a 1.9 mile extension to the number 72 bus, northbound from Thompson Peak Pkway to Pinnacle Peak Road. This extension will serve:

the nearly 400 current & future senior residents
and the 211 current employees of Vi,
the over 138,000 annual individual customers as well as employees of our beautiful Appaloosa Library,
the employers, employees and customers of Sprouts, Safeway and Basha's shopping centers,
and it will serve Scottsdale as a whole.

This extension is firmly aligned with the City's Mission Statement and Strategic Goals.

For the goals of "Supporting Economic Vitality, Enhancing Neighborhoods & Advancing Transportation"-

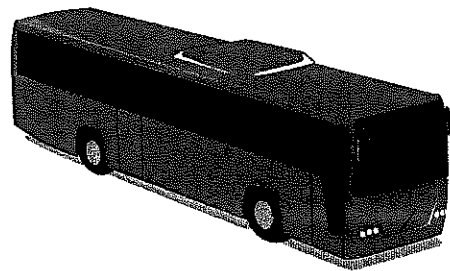

As North Scottsdale continues to grow, the extension will make this area a more desirable place to live, work, and shop-- and more attractive to employers by providing access to a wider pool of employee talent from throughout Scottsdale. Employees will be able to use public transportation for work, at the 3 shopping centers, Vi, restaurants, medical offices, rehab facilities, and more.

For the Goals of "Valuing Scottsdale's Unique Lifestyle, and Enhancing Neighborhoods," it will bring much needed community connectivity. By extending the bus route, residents will be connected to the community where they live, work and vote, while also connecting Scottsdale to the Appaloosa Library, and local businesses.

And for the "Strategic Goals of Sustainability and Advancing Transportation," this extension will help decrease traffic, and potentially reduce the number of elderly drivers.

I bring this request not only as my opinion, but with 255 signatures of like-minded supporters. Extending the #72 bus route benefits the entire community--through continued economic growth, connecting residents with their community, the community with their residents, and reducing traffic. As The City mission states: "Simply better service for a world-class community."

**PETITION
TO THE COUNCIL
FOR THE CITY OF SCOTTSDALE**

The undersigned, Deanna Peters, a resident of Scottsdale Arizona, does hereby petition the Scottsdale City Council as follows;

CURRENTLY, the zoning ordinance states that a "dwelling unit" which is defined as a vacation home or private residence, may NOT be rented for less than 30 days.

SCOTTSDALE is a desirable vacation destination for people around the world. There are several thousand short term vacation rentals in Scottsdale which are advertised on multiple websites.

BY RESTRICTING the rental units to a minimum 30 day stay, it costs the City money in tax revenue and unfairly inhibits homeowners with vacation rentals to rent to shorter term vacationers. Those vacationers spend money in Scottsdale – for shopping, entertainment, etc., all of which supports our local business and benefits the City with tax revenue. By restricting the rental unit term to 30 day minimum, the current ordinance limits the City's tax revenue.

FURTHER, many vacation home owners are in violation of the current ordinance requiring a 30 day minimum stay. This ordinance unnecessarily restricts a home owner from using their property as they wish. The City does sporadically enforce the ordinance, however, without enforcing it on all "violators", it could be construed as prejudicial and discriminatory.

IT'S A WIN-WIN for the City, its vacationers and the owners of vacation rentals to amend the zoning ordinance.

THEREFORE, it is requested that the City Council revise the ordinance to state that a dwelling unit may be rented for 3 days or more.

Respectfully submitted this 6th day of January, 2015.
