Notes:

The Historic Register Committee is a subcommittee of the Historic Preservation Commission. The first mention of the subcommittee is contained in the January 15, 1998 minutes of the Historic Preservation Commission. There are no references to appointments to the subcommittee in the minutes of the commission.

On October 17, 2006, Council confirmed seven non-member appointments to the subcommittee.

Others listed as appointees are named as members on one of the very few sets of minutes produced for the committee. Appointment dates are not available for those members.

On January 8, 2009, the Historic Preservation Commission voted to change the name of the Historic Register Committee to the Historic Resources Committee.

The subcommittee has not met since October 16, 2008, when the meeting was cancelled due to lack of a quorum.

The Historic Preservation Commission voted to dissolve the Historic Register (Resources) Committee on August 12, 2010.
