**Roll Call – All present**

*One or more members of the Council may be unable to attend the Council meeting in person, and may participate telephonically, pursuant to A.R.S. §38-431(4).*

**Work Study Sessions:** Work study sessions provide a less formal setting for the Mayor and Council to discuss specific topics, at length, with each other and City staff. Work study sessions provide an opportunity for staff to receive direction from the Council and for the public to observe these discussions.

**Public Comment – Copper Phillips commented on the natural open space proposal in the Draft General Plan 2035. Sonnie Kirtley expressed support for splitting the Rural land use category into Desert Rural and Rural Neighborhoods. Howard Kale expressed concern about the proposed changes to the Rural Neighborhoods land use category.**

To provide an opportunity for public input, yet continue to maximize the amount of time available for the Council to have focused discussions, a total of fifteen minutes will be set aside at the beginning of each work study session for public comment on the agenda items. If you have thoughts or suggestions on the work study session items you would like the Council to consider, you are encouraged to complete a Written Comment card and submit your written comments to the City Clerk. The Clerk will ensure the Council receives your comments at various times throughout the evening.
