Oath of the Athenian City State

We will never bring disgrace to this our city by any act of dishonesty or cowardice;

We will fight for the ideal and sacred things of the city, both alone and with many;

We will revere and obey the city's laws and do our best to incite a like respect in those above us who are prone to annul or set them at naught;

We will strive unceasingly to quicken the public's sense of civic duty.

Thus, in all these ways, we will transmit this city not only not less, but greater and more beautiful than it was transmitted to us.
