Pig and Whistle Pub

7321 East Main Street

Scottsdale, Arizona 85251

Statement Regarding Special Requirements (SRC 23-57)

Security to Patron Ratio: 1:50

The Pig & Whistle Pub is a neighborhood bar with a Series 06 Bar License.

The Pig & Whistle Pub does not meet the minimum of 60% of food sales criteria and understands that it must maintain a security to occupant ratio of 1:50.

(OR)

Security to Patron Ratio: 1:75

The Pig & Whistle Pub is a neighborhood bar with a Series 06 Bar License that exceeds the 60% food sales criteria, with 65% of our business resulting from food sales.

The Pig & Whistle Pub has never violated liquor law since opening in 2005, has had no Acts of Violence as determined by Arizona Liquor Law, nor has it had any Public Safety Incidents as determined by SRC 23-51.

As the result of the significant amount of food sales, an excellent patron safety record, and no liquor violations throughout the history of the Pig & Whistle Pub, the Pig & Whistle Pub requests permission to maintain a security to occupant ratio of 1:75.

(OR)

Security to Patron Ratio: 1:100

The Pig & Whistle is a restaurant with a Series 12 Restaurant License that exceeds the 60% food sales criteria. The Pig & Whistle Pub is required to submit a Public Safety Plan as we utilize the services of a Disc Jockey, as defined by SRC 23-51.

The Pig & Whistle Pub's seating is comprised of 100% of fixed seating.

Although employing the services of a Disc Jockey, our patrons have not demonstrated any violence, we have not had any noise complaints, and there have been few police reports generated for our establishment. The Pig & Whistle Pub has never violated liquor law since opening in 2005, has had no Acts of Violence as determined by Arizona Liquor Law, nor has it had any Public Safety Incidents as determined by SRC 23-51.

As the result of these factors, the Pig & Whistle Pub requests permission to maintain a security to occupant ratio of 1:100.
