To - THE COMMON COUNCIL OF THE TOWN OF SCOTTSDALE:-

We have examined the Books of Records of the Town of Scottsdale for the year ending June 30, 1953, and attached hereto are the following Statements;

REVENUE & EXPENDITURERS
CLAIMS PAYABLE
INVENTORY ACCOUNT CAPITAL OUTLAY
OTHER EXPENSES
COMPARATIVE INCOME & EXPENDITURERS
COMPARATIVE BUDGET AND ACTUAL INCOME &
EXPENDITURERS FOR YEAR 1952-1953.

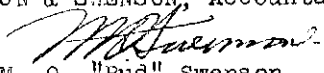

We find the Books of the Clerks Office in good condition and reflect a true picture of the financial condition of the Town of Scottsdale.

We also examined and checked the Books of the Magistrates Office, which entailed considerable work and time due to improper handling of the Bookkeeping System. There is a discrepancy of \$4.00 between Receipts and Remittances to the Town Clerk. Time would not permit further examination with regard to this discrepancy.

Our examinations were made in accordance with generally accepted auditing standards, and accordingly included such tests of accounting records and such other auditing procedures as we considered necessary in the circumstances.
