ACKNOWLEDGMENTS

The consultant team of Todd & Associates, Inc., Stantec Consulting, The Rozelle Group, Hancock Resources, Allyce Hargrove and Dean Chambers would like to thank many people who contributed to the development of the Scottsdale Trails Master Plan. Most importantly, we would like to thank the City of Scottsdale for the opportunity to create this vision and plan for the future of Scottsdale's trails.

Additional thanks go to:

- ◆ The citizens who gave their personal time, thoughts and ideas through focus groups, workshops, open houses, phone calls, emails, and letters.
- ◆ The citizens who participated in the phone survey.
- ◆ Scott Hamilton, Gary Meyer and Ryan Stee from the Parks, Recreation and Facilities Division, for their knowledge, enthusiasm, and insight.
- ◆ The Insight Group Inc., for preparing and conducting the phone survey.
- ◆ Members of the Parks & Recreation, Planning, Transportation, and Preserve Commissions, for promoting integrated land use and transportation planning as embodied in this trails plan.
- ◆ Robin Meinhart and the City of Scottsdale Communications and Public Affairs Office, for providing outstanding assistance in promoting this plan throughout its creation.
- ◆ Erica Kisluk, of the City of Scottsdale Citizen and Neighborhood Resources Division for invaluable assistance operating the "Option Finder" during our focus groups and work sessions.
- ◆ Staff from neighboring jurisdictions, for sharing their thoughts and plans to promote a regionally connected trail system.
- ◆ Additional City of Scottsdale staff including Bob Brown, Jan Cameron, Rob Chasan, Lisa Collins, Tim Conner, Doug Cullinane, Kroy Ekblaw, Randy Grant, Suzanne Gunderman, Donald Hadder, Phil Hershkowitz, Christy Hill, Aaron Iverson, Michelle Korf, David Marshall, Yvonne Massman, Don Meserve, Claire Miller, Don Penfield, Jerry Rauch, Decima Sever, Brent Stockwell, Keith Swanson, Gary Vetter, Judy Weiss and numerous others, for their assistance throughout the planning process.
- ◆ Additional consultants Josh Tripp, Scott Coyner, George Seevers, Heather Moos, Mindy Tucker and Lynnette Klein for graphics, computer modeling and logistical assistance.
