Notes:

Gate times are changed the first and fifteenth of each month to coincide with the change in day length through the year. In general, the gates will open 30 minutes prior to the official sunrise and close at sunset, with the exception of the Sunrise Access Area, which closes 30 minutes before sunset to reduce impacts on the adjacent neighborhood. If the first or the fifteenth fall on a Saturday, the gate open/close time will be changed on Friday. If it falls on a Sunday, it will be changed on Monday.
