

**CITY OF SCOTTSDALE
ADDENDUM NO. 1**

**REQUEST FOR
STATEMENT OF QUALIFICATIONS
FOR
TOM'S THUMB AND EAST END TRAILS**

Request for Statement of Qualifications Issued April 16, 2008
Addendum No. 1 Issued April 24, 2008
Statement of Qualifications Submittal Due May 16, 2008

1. Page 1. Add the following sentence to the end of the first paragraph on Page 1 of the Request for Statement of Qualifications (RFQ):

"The City will only consider Statements of Qualifications (SOQs) from firms that are licensed with the Arizona Registrar of Contractors at the time the submittals are due."

2. Abbreviated Scope of Work. The first paragraph of this section on Page 2 of the RFQ is modified by inserting a new sentence immediately after the first sentence, as follows:

"In addition, the City may consider adding trails in other areas of the Preserve, as well as outside the Preserve boundaries."

3. Page 2. After the sentence that reads, "The scope for this multi-phased project will consist of . . . ", insert the following:

"For the Tom's Thumb and East End Trails there shall be no drainage report, graphics, illustrations, surveying, or mapping required. The City's goal is to work collaboratively with an experienced trail construction contractor to refine, or otherwise alter, the existing preliminary trail alignments to achieve final trail alignments, prior to the contractor commencing construction."

4. The City acknowledges that the flag line of the preliminary alignment may not be wholly evident onsite. Therefore, replace the original Attachment 1 with a new Attachment 1, dated 4-23-2008, included with this Addendum #1. The new map shows GPS coordinates that will help to delineate the preliminary alignment.
5. Statement of Qualification Submittal Requirements. On Page 3 of the RFQ, insert a new item #1, as follows, and renumber subsequent items accordingly:

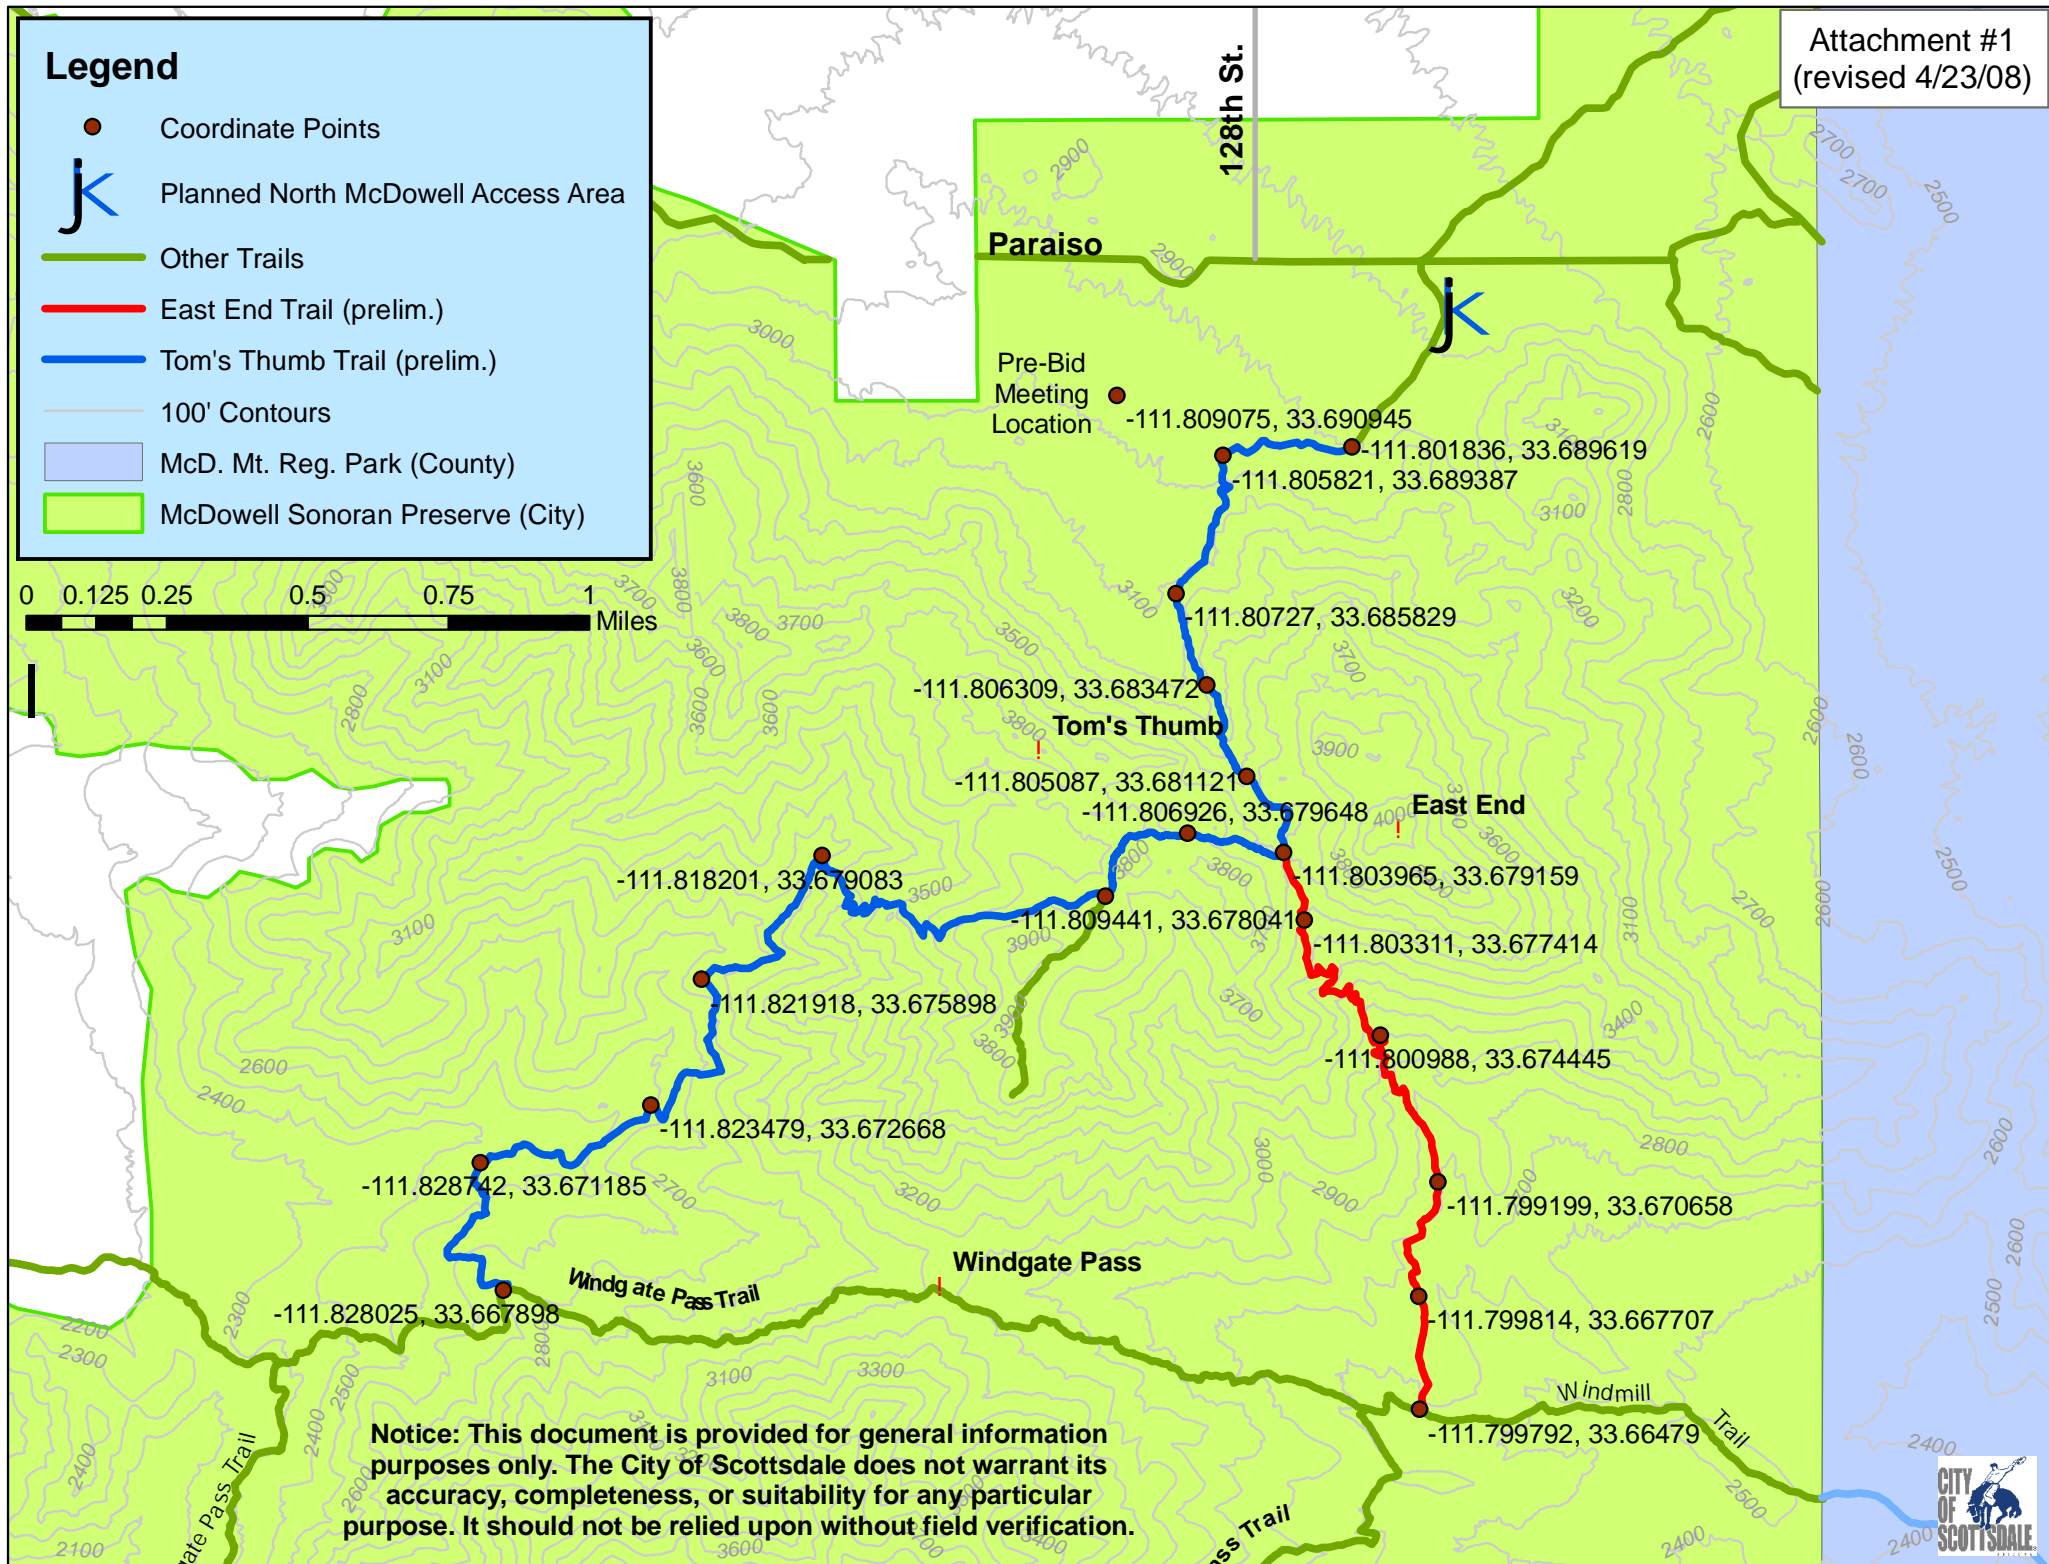

1. **Evidence of Arizona License.** Provide a copy of your current license with the Arizona Registrar of Contractors.

Except as modified by this Addendum No. 1, the RFQ is unchanged. If you have any questions regarding this Addendum, please contact Robin Rodgers at (480) 312-2522.
