City staff is working hard offering our elementary after-school program, providing activities in the Senior Center, doing outreach for cultural and educational programs, and providing emergency social services. At this time of the year, please join us in serving families for the Holiday! We will begin enrolling families on November 5th for the Paiute Toy Program, and will be working hand in hand with the Scottsdale Fire Department to provide toys for 200-300 low-income families. If you would like to help sort and bag toys, or to provide gift certificates for our teens, please give me a holler at 480-312-2326. Happy Holidays to all of you - And THANK YOU VERY MUCH for your support all year long! Valerie Kime Trujillo, Paiute Human Services Manager

Meet Tamara Caplice
We are proud to welcome Tamara as our new full time social worker. She was previously working part time at Paiute. She graduated in May from ASU with her Masters degree in social work and brings a plethora of knowledge ranging from her experience with the Peace Corps in the Dominican Republic for two years, case manager in a shelter for unaccompanied minors in Phoenix, and before that, as the office manager at a non-profit who maintained group homes and provided supportive services for adults with developmental disabilities in Rhode Island. Wow! We are so pleased to have her on our team!

I’ve learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel. –Maya Angelou
Hirsch Academy has begun its second year at Paiute with an emphasis on supporting students and their families by partnering with the community. With the help of its new Community School Coordinator, Dr. Marc Krell, Hirsch has reached out to its Paiute neighbors to develop existing partnerships and establish new relationships with organizations both on and off campus. Dr. Krell is an AmeriCorps VISTA member who has spent his career working with universities and non-profit organizations to design, plan and implement educational and communal programs. As a Judaic Studies professor at the University of Arizona, a middle and high school teacher at independent schools, a synagogue school director and community program coordinator, Dr. Krell has combined his two passions for education and community building by developing academic and cultural programs, recruiting volunteers and building community partnerships. Using the community school model, Hirsch Academy strives to develop relationships within and beyond the Hirsch community as a foundation for student learning, family support and parent engagement. The interconnection between academic success and community outreach is demonstrated in the promotion of student literacy through a partnership with the Boys and Girls Club to improve communication between Hirsch teachers and tutors in the America Reads program, as well as a collaboration with the Scottsdale Public Library to continue the “Read to Succeed” tutoring program with at-risk first graders. Hirsch is providing support to its parents by assessing their social, medical and financial needs while introducing them to valuable services and programs at Paiute. Finally, in an attempt to engage the parents in their children’s learning, the staff is initiating a volunteer program involving parents in breakfast, lunch and classroom help. The academic year at Hirsch is off to a great start, but this is only the beginning! We will work hard to help our students succeed by eliminating barriers to their learning through communication and collaboration with the community. We are proud to partner with Paiute!

Please join us in welcoming Mary to Paiute!

Holiday Programs

The holiday season is usually the busiest season at Paiute. Families are pre-screened for holiday assistance programs through Vista del Camino’s Adopt a Family and the Paiute Toy Program.

**Vista’s annual Adopt a Family program** consists of donors adopting low-income Scottsdale families. Donors are asked to provide a Thanksgiving meal for the entire family and gifts for the children during this holiday season. Donors will receive a little story about the family. Families are requested to bring in gift ideas for their children, along with shoe and clothing sizes. This year Vista hopes to help over 400 families.

**The Paiute Toy Program** provides gifts to low income Scottsdale families who are not enrolled in any other community holiday program. Toys are bagged according to age and gender of each child. Last year Paiute was able to assist over 200 families, thanks to all the generous donations Scottsdale residents and organizations provided through the Scottsdale Fire Department. The amount of families Paiute is able to assist solely depends on generous donations from the Scottsdale Community.

How can you help? Great question! There are many ways you can help out this year. Vista del Camino always welcomes canned food donations and brand new clothing. You can make a monetary donation to Concerned Citizens for Community health for the Adopt a Family program. Toys are accepted at any Scottsdale Fire Station starting November 28th. Partners for Paiute accepts monetary donations for Paiute. Please send donations to Partners for Paiute P.O. Box 2052 Scottsdale, AZ 85252. Thank you to everyone who helps make the holidays brighter for those in need!
