

Collaborative City and School Planning

Policies and Procedures

Basis: These policies and procedures have been adopted in compliance with the City of Scottsdale Zoning Ordinance (Ordinance 455), Article I., Administrative And Procedures, Section 1.1500, Collaborative City And School Planning, effective October 10, 2002.

Goal: To ensure that rezoning applicants communicate with school districts and obtain their comments on potential impacts of new development on school facilities.

Impact: Applicable rezoning cases shall follow the procedures and use the forms established by the City of Scottsdale for the purposes of this section, as attached hereto.

Criteria for Applicability:

The provisions of this section shall apply only to applications for residential rezoning which increase the projected number of students for any school district's school attendance area as a result of the proposed rezoning.

The applicability of this section includes requests for rezoning which:

- Change zoning classifications from non-residential to residential classifications, and/or
- Changes in residential zoning classifications or amended stipulations that result in greater residential densities, thereby increasing the number of potential students.

Applicant Responsibilities:

- 1) Thirty days prior to submittal the applicant shall provide to the superintendent(s) of the applicable school district(s) the following information (via registered mail), with a copy to the City of Scottsdale Planning and Development Services:
 - Cover Letter including a request for a meeting to discuss the proposed rezoning (see attached example)
 - Detailed project narrative including the current allowed and proposed number of residential units
 - Location map (see attached example)
 - 11x17 Site Plan
 - Contact Information, including name, mailing address, fax and e-mail.
 - School District Response form, with applicant and project information completed
- 2) *At submittal, the applicant shall provide with the rezoning application:*
 - *A copy of the above materials and,*
 - *A copy of the school district(s) response regarding the adequacy of available facilities, or a request for a thirty (30) day extension of the discussion and response time*

Collaborative City and School Planning

Policies and Procedures

School District Responsibilities:

- 1) Upon receipt of the above information, the school district(s) shall review the materials and determine one of the following:
 - That the school district has adequate school facilities to accommodate the projected number of additional students generated by the proposed rezoning within the school district's attendance area; or
 - That the school district will have adequate school facilities via a planned capital improvement to be constructed within one (1) year of the date of notification of the district and located within the school district's attendance area; or
 - That the school district has determined an existing or proposed charter school as contracted by the district can provide adequate school facilities within the school district's attendance area in a timely manner; or
 - That the applicant and the school district have entered into an agreement to provide, or help to provide, adequate school facilities within the school district's attendance area in a timely manner; or
 - That the school district does not have adequate school facilities to accommodate projected growth attributable to the rezoning.
- 2) The school district shall determine the above with methodology approved and published by the appropriate school district. If a school district fails to establish a student per-household ratio methodology for projecting the number of new students resulting from an applicant's rezoning application, then the school district shall base its certification upon an authoritative source accepted within the education community and based upon the most recent published Census information.
- 3) If the school district(s) requests a thirty (30) day extension, such request must be made prior to the expiration of the original discussion and response time. Such requests must be made in writing and submitted to Current Planning Department of the City of Scottsdale Planning, Neighborhood, and Transportation Division.
- 4) In the event that the appropriate school district determines that there are not adequate school facilities for the proposed rezoning, the school district shall notify the applicant and the City of Scottsdale in writing that the school district determined that it does not have adequate school facilities to accommodate the rezoning.
- 5) Said Determination shall be communicated to the City via the form provided for that purpose.
- 6) In the event the City does not receive certification from the School District within five (5) days of the date of the application shall proceed on the basis of not finding on the adequacy of school facilities for the proposed rezoning. School District input thereafter may be sought by the City on the issue for consideration by the Planning Commission and City Council in making a decision on the rezoning application. (Per Section 1.1502.D)

Policies and Procedures

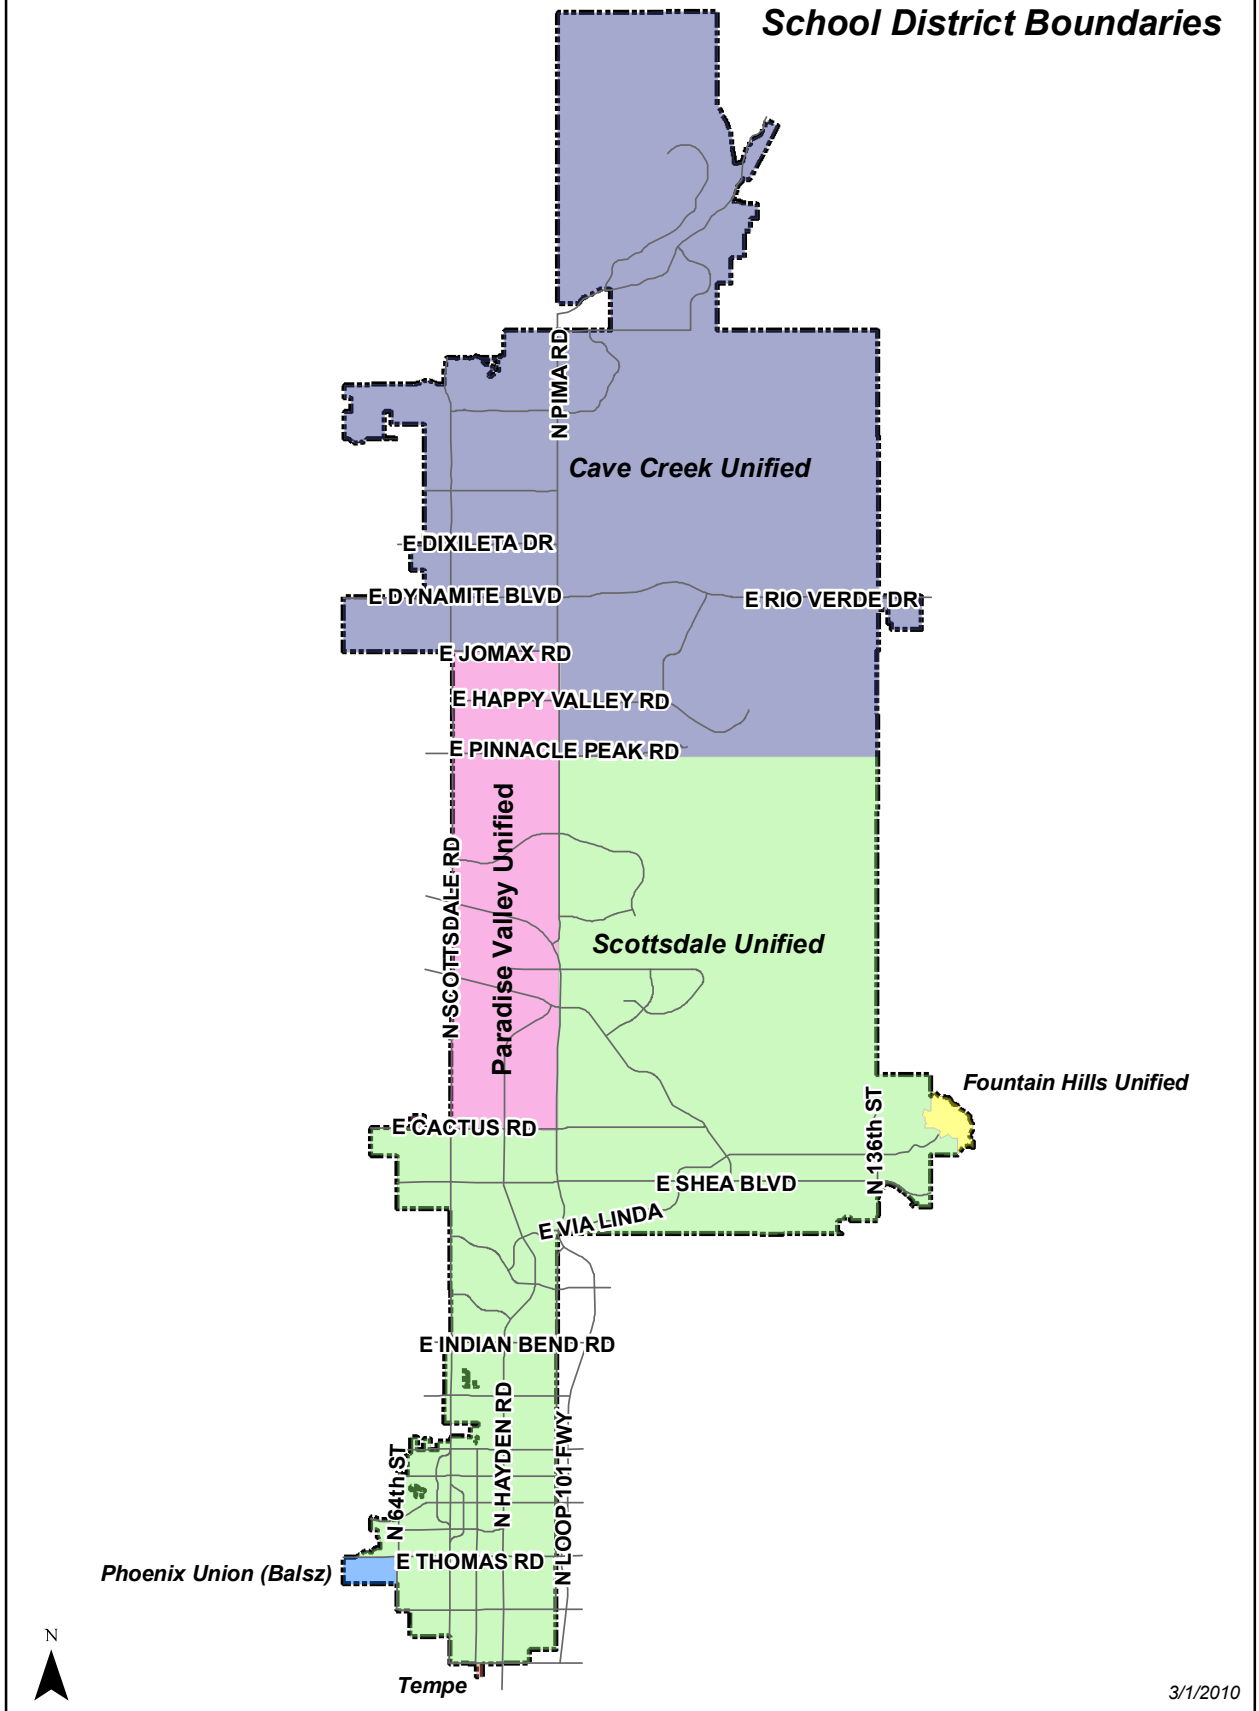

City of Scottsdale Responsibilities

- 1) The City shall review the school district(s) response and include the district's determination in the staff report prepared for the Planning Commission and City Council.
- 2) If the school district does not respond, the staff report will reflect no response on the part of the School District. The City may choose to contact the School District regarding the rezoning. (Per Section 1.1502.D)
- 3) The determination form, if returned by the school district, shall be included as an attachment to the said staff report.
- 4) The City shall continue to provide to the school district(s) notification of request for public hearing per the Early Notification policy.
