

Special Event Permit Application

**PLEASE READ THIS INFORMATION COMPLETELY PRIOR TO FILLING OUT THE APPLICATION.
DO NOT SKIP ANY QUESTIONS IN THE APPLICATION.**

INTRODUCTION: Scottsdale, Arizona enjoys many special events and festivals that help create the image of an exciting city. It is the City's goal to permit events that are safe and do not adversely impact the quality of life of Scottsdale residents. In order to help organizers of special events coordinate their plans with City requirements, we have compiled this application which contains information related to the City's review process. Even if you have planned events before, because with passage of the special events ordinance there may be several changes that will affect your next event such as fees, neighborhood notification, impact mitigation, signage, etc. Please keep in mind that acceptance of your special events application should not be construed as approval of your request.

PERMIT PROCESS: The permit application process begins when you submit a complete special event application. Applications may be submitted electronically or dropped off at Development Services located at 7447 East Indian School Road, Suite 100 (SEC of Indian School & Drinkwater). Please remember you need to apply for your permit a minimum of 30 days before the event. It is strongly recommended that you contact the City a minimum of 60 days in advance of your event to avoid any unwanted delays. The fee for a special event permit is \$105. Please keep a copy of your special event permit on-site during your event; a Code Enforcement Inspector or other City Staff may ask to see it.

APPLICATION SUBMITTAL: After you have completed your application, you will submit it to Nicole Curtis; the weekly submittal deadline is Wednesday by 5pm. You also need to schedule your attendance at the next available Special Events Committee Meeting. Nicole can be reached at 480-312-7673 or ncurtis@scottsdaleaz.gov; Fax:480-312-9073. The Special Events Committee will review your application; meetings are held every Wednesday between 9am-11am at 7447 E. Indian School Rd. Suite 100. Special event permits are issued in 10 working days based on a complete application. Delays in providing required items to the Committee may delay the review process.

PLANNING YOUR EVENT: Special events may be held on public or private property. Special events may also be considered for public rights-of-way such as streets and sidewalks in commercial, residential, or industrial zoned areas. There may be special requirements for events on public or private property, and limitations on the use of certain streets or other public rights-of-way. Events that impact the street system will require additional planning and impact analysis.

EVENTS ON PUBLIC PROPERTY: With the proper authorization, special events may be held in public places such as parks and other City owned property. Events held in public places owned by the City need authorization from the Community Services (Parks) Department, (480) 312-7707 or other City departments or entities. For example, events at the Civic Center Mall require the authorization of the Community Services Department. Events at the Tournaments Player Club and Westworld, (480) 312-6810 require a separate license and contract obtained from that site. See pages 18 and 19 for insurance requirements for Special Events on City owned property where liquor is being served.

EVENTS ON PRIVATE PROPERTY: Special events are allowed on private property although some zoning restrictions may apply. Please refer to the special events ordinance for specific requirements (see Section 7.900 of the Scottsdale Zoning Ordinance).
