

Native Plant Salvage Contractors

With Acceptable Methodologies On File

Please visit www.ScottsdaleAz.gov/codes/NativePlant for information regarding the Native Plant Ordinance

The following contractors have submitted salvage methodologies for native plant salvage and relocation. While the salvage of native trees is still somewhat experimental, their methodologies have received approval for use within the City of Scottsdale. A company must be on the Native Plant Salvage Contractors list before they will be allowed to conduct native plant inventories and salvage protected native plants within Scottsdale. Contractors wishing to be placed on this list may contact the City's Planning Office at (480) 312-7000 for further information. This list is offered as a courtesy and does not constitute an endorsement of any of the contractors listed. (* Companies that have CAD software capabilities. + Companies that do inventory work for single family homes.)
