**Work Study Sessions:** Work study sessions provide a less formal setting for the Mayor and Council to discuss specific topics, at length, with each other and City staff. Work study sessions provide an opportunity for staff to receive direction from the Council and for the public to observe these discussions.

**Public Comment – French Thompson asked for fairness between retailers and special events participants. Bob Pejman asked to have special events for arts limited to 30 days. Sonnie Kirtley would like to see a comprehensive definition of special events. Phillip Sacks commented on the difficulty in competing with art special events. Audrey Thacker provided an overview of the Artisan Market.**

To provide an opportunity for public input, yet continue to maximize the amount of time available for the Council to have focused discussions, a total of fifteen minutes will be set aside at the beginning of each work study session for public comment on the agenda items. If you have thoughts or suggestions on the work study session items you would like the Council to consider, you are encouraged to complete a Written Comment card and submit your written comments to the City Clerk. The Clerk will ensure the Council receives your comments at various times throughout the evening.
