

Warning to the Public Regarding Fraudulent Activity

Scottsdale City Court has become aware of telephone scams by credit card thieves targeting members of the public. They call claiming to be court or Sheriff's employees, saying the victim owes bond money to the court and must pay before coming in for a court date.

Court employees never take bond payments over the phone and do not call members of the public saying they must make bond payments for court dates.

The Court suggests you hang up on any caller who claims to be a court employee seeking this information and to call Scottsdale City Court at 480-312-2442 to verify case information. We urge all members of the public to be aware of such scams and be careful whenever you reveal credit or debit card information over the telephone.
