

Scottsdale Green Building Program

Today's Green is Tomorrow's Standard

Green Townhomes

The Douglas Scottsdale Townhomes

“The Green Building Program provides a clear path for architects and building owners desiring an energy and water efficient project. The staff is knowledgeable and dedicated to sharing their resources, while making the certification process amazingly quick and easy.”

- John Douglas, FAIA

- Improve Comfort & Create Healthy Interiors

Enhance Your Market Niche

Project MZ

“The Green Building Program is a clear cut way for owners to design and build green projects. We have utilized this program for all our buildings in Scottsdale. I'd recommend the program to anyone building in the city.”

- Ed Gorman, Modus Development
