

How do we obtain a Neighborhood Watch Sign?

The city maintains an inventory of signs and they are \$25 per sign, which includes installation and free replacement. Once you complete your second Neighborhood Watch meeting or activity complete the Neighborhood Watch Sign Request Form. Return this form along with a copy of the second meeting sign-in sheet and a check made payable to the City of Scottsdale as indicated on the form. Your sign will be installed in 2 to 4 weeks. We suggest that a community collection is taken during your second meeting. This collection will also instill a sense of ownership within the community and in the program.

Installation of the signs will be arranged by the Neighborhood Watch Coordinator and Scottsdale's Traffic Engineering Department and placed in a location appropriate for signage and with your community's approval.

Here are the guidelines established by the Traffic Engineering program regarding the sign placement:

- 1) Signs will be typically posted on the back of an existing stop sign. If no stop sign is present or there is a visibility issue, the sign will be installed on its own pole adjacent to a property.
- 2) If the sign is posted adjacent to a property it will typically be located on the property line. Prior to the submittal of the Neighborhood Watch Sign Request form, the neighborhood watch captain needs to make sure that the owner of the property is aware of the sign placement and agrees to the installation of the sign in order to avoid potential complaints and moving it after its installation.
- 3) The signs will be placed at each entrance of the residential area coming from a major road; signs will not be installed throughout the neighborhood.
- 4) Signs will NOT be installed on PRIVATE STREETS or gated neighborhoods. The city will install signs on public streets only.

The Neighborhood Watch Coordinator should be called at (480) 312-2342 to request any sign maintenance. No fees to maintain your neighborhood signage will be assessed by the City of Scottsdale for this service.

How do I renew our signage privileges?

Signage **MUST** be renewed for your Neighborhood Watch Community on an annual basis. This renewal process can be done easily by having at least one meeting or event per calendar year. Please fax your sign-in sheets or send them to the Neighborhood Watch Coordinator at (480) 312-2455 as verification of the meeting and those attending. After meeting these requirements, your signage will automatically be renewed. **NEIGHBORHOOD WATCH GROUPS THAT DO NOT HOLD AN ANNUAL EVENT AND RENEW THEIR NEIGHBORHOOD WATCH SIGNAGE ARE SUBJECT TO SIGNAGE REMOVAL BY THE SCOTTSDALE POLICE DEPARTMENT.**
