

# We're Coming to the Party!

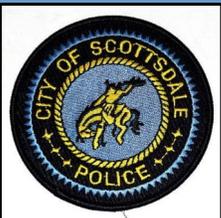

The Scottsdale Police Department and the Paradise Valley Police Department, in Partnership with Scottsdale Neighborhoods in Action, would like to encourage all parents and guardians to join us in curbing underage drinking and other unsafe behavior this prom season.

## *Here in the Northeast Valley, Everybody Cares*

It takes a community to keep our children safe. Law Enforcement is committed to identifying potential problems and trying to prevent senseless tragedy. You can help us by being part of the solution.

Do not allow underage drinking at home or any other location. Unsupervised juvenile parties at a home, hotel or other locations often foster dangerous, high risk behaviors. Do not leave yourself open to liability by renting a hotel room or other party space and then leaving children unattended. Know where your children will be going and what kind of supervision they will have. We are working closely with the hotels and resorts to identify any possible issues before an unfortunate event occurs. Disruptive and/or illegal activity will not be tolerated. Report any tips or concerns to your Police Department. Thank you for being a responsible parent.

Scottsdale Police - 480-312-5000  
Paradise Valley Police - 480-948-7410  
Emergencies - 9-1-1
