YOUTH CORPS TEEN VOLUNTEER PROGRAM

The Youth Corps is a summer teen volunteer program for middle through high school teens. Volunteers can explore career opportunities, give back to the community, and receive school credit (with prior school approval). Opportunities are available in City of Scottsdale offices, recreation centers, citizen service centers, and senior centers.

These young leaders are encouraged to be responsible and accountable for their actions, beginning with sending in an application to the Youth Corps office. The teens are then interviewed and placed at a site determined by several selection factors. From there, volunteers must attend orientation before they begin "working" 10-20 hours a week during the months of June, July and August.

YOUTH CORPS SITES - Total REC- Assist recreation leaders who run a day program for children 6-11. If you like kids this is for you!

OFFICE POSITIONS - Mature teens that enjoy working in business environments will like this type of volunteer work.

SENIOR CENTERS - If you love working with the elderly this job is for you! Assist recreation leaders with daily activities.

SERVICE TEAM - The service team gives teens an opportunity to contribute to the community through various service projects in the community throughout the summer.

To apply, send an application by April 30th, 2009. Applications are available through mail, e-mail, or online at: www.scottsdaleaz.gov/volunteer/YouthCorpsInfo.asp
