ACTION

Intergovernmental Agreement with the Arizona Department of Revenue. Adopt Resolution No. 11498, authorizing execution of an intergovernmental agreement, Contract No. 2019-093-COS, between the City of Scottsdale and the Arizona Department of Revenue regarding the uniform administration, collection, audit and/or licensing of the City's transaction privilege tax, use tax, severance tax, jet fuel excise and use taxes and rental occupancy taxes.

BACKGROUND

The City of Scottsdale adopted the Model City Tax Code (MCTC) as Appendix C of the Scottsdale Revised Code in 1987. It is the intent and policy of the City of Scottsdale to cooperate with other cities and governments to uniformly interpret and apply the Model City Tax Code it has adopted. There is currently an existing intergovernmental agreement with the Arizona Department of Revenue (ADOR), 2015-166-COS that was approved by Council in 2015 and then amended in 2016, 2015-166-COS-A1. Contract No. 2019-093-COS will replace that agreement.

This intergovernmental agreement, Contract No. 2019-093-COS (IGA), was negotiated with ADOR by a consortium of city/town representatives and the League of Arizona Cities and Towns. Additionally, several attorneys and tax experts from many cities and towns reviewed and commented on the language during the process, resulting in a document that provides the maximum level of information and assurances for the cities.

Local Transaction Privilege Tax (TPT) administration is governed by A.R.S. § 42-6001. This statute requires the Arizona Department of Revenue to administer the transaction privilege and use taxes imposed by all cities and towns and to enter into an intergovernmental agreement with each city and town to clearly define the working relationship between the ADOR and Arizona cities and towns.

The IGA covers all aspects of local tax administration. First and foremost, the IGA addresses confidentiality, including the authorized handling of confidential taxpayer information, expectations for the discreet use of taxpayer data to prevent unauthorized disclosure, and the process to follow in the event of a disclosure. There is also guidance on the use of aggregated taxpayer data for public reporting and analysis.

The IGA includes clear direction regarding the sharing of general taxpayer license information, legal interpretations and written guidance, rate and fee tables, and any other pertinent tax information that needs to be shared between the cities and towns and the ADOR.

Importantly, the IGA identifies exactly which license and tax return data fields must be provided by the ADOR and identifies in detail the reports the ADOR provides to all cities.

The IGA formalizes the process for audit request assignment and performance. Key factors include a commitment to audit for all jurisdictions whenever any audit is being done; a process for cities/towns without auditors to request an audit be performed by the ADOR, the continued authority for any city or town to perform an audit of a taxpayer that is engaged in business only in their city/town; the general guidance that the ADOR will lead all multi-jurisdictional audits coupled with the option for the ADOR to delegate actual audit performance to a city or town when circumstances indicate it would be the most efficient means of completing the audit.

The IGA also provides guidance for handling voluntary disclosure by taxpayers, closing agreements in lieu of litigation, and sets up the responsibilities and authorities of both parties in terms of code or statute interpretations and legal support for protests.

The IGA provides for a formal review process to resolve disputes or handle complex issues that arise through the "State & Municipal Audit Resolution Team" or SMART, made up of four city and four ADOR tax experts who will work together to iron out any problems or conflicts between the cities and the State.

ANALYSIS & ASSESSMENT

Recent Staff Action

City staff from the Office of the Treasurer and the City Attorney's office were given the opportunity to review the IGA, as it was being negotiated, and to offer feedback on the contents of the document. Feedback was sent to the Arizona League of Cities for review and discussion and resulted in some changes being incorporated into the final document.

Policy Implications

The term of this IGA runs on a calendar year basis with a provision for automatic annual renewal. Reauthorization by the City Council and the ADOR is only required following the year the ADOR is subject to sunset review. ADOR will have a sunset review in 2019 so this IGA will be brought back in 2020 for Council approval. Finally, either party has the right each year to reopen and renegotiate the terms according to provisions within the agreement.

RESOURCE IMPACTS

Staffing, Workload Impact

The IGA will not result in any staffing or workload issues.

Future Budget Implications

This agreement will not result in any budgetary impact to the City.

- (e) For a period of one year after he/she ends employment or an independent contractor relationship with the Department or City/Town, work in the same firm as a person who represents a taxpayer against the Department or City/Town unless the firm institutes formal barriers to prevent any sharing of information between the trained auditor or supervisor and the remainder of the firm.

The Department may revoke an individual's authority to audit and prohibit the use of any auditor or supervisor who violates this provision.

4.3 Audits and Refunds:

- (a) City/Town may request the Department conduct an audit or review of any taxpayer engaged in business in City/Town, including a taxpayer whose business activity is subject to tax by the City/Town but is not subject to tax by the State. The Department will notify City/Town of its determination within fifteen (15) calendar days. No initial audit contact may occur between City/Town and a taxpayer until the Department approves the audit notice.
- (e) In the case of taxpayers doing business in more than one city/town:

- (f) The Department may deny a request for an audit in writing within 15 days of city/town request for the following reasons:
 - (1) An audit is already scheduled or planned for the taxpayer within six months of the request;
 - (2) The requested audit would interfere with strategic tax administration planning;
 - (3) The audit selection is discriminatory, an abuse of process or poses other similar defects;
 - (4) The request lacks sufficient information for the Department to determine whether it is appropriate;
 - (5) The Taxpayer was audited within the previous two years;

- (6) The Department lacks sufficient resources to conduct the audit; or
- (7) The scope or subject of the audit does not justify the use of Department resources.
- (g) If the Department denies a request to conduct an audit because it either lacks resources to conduct the audit itself or the scope or subject of the audit does not justify the use of Department resources, then City/Town shall notify the Department if it wants to conduct the audit under the supervision of the Department. No initial audit contact may occur between City/Town and a taxpayer until the Department's supervisor is appointed to the audit.
- (h) Any decision by the Department denying City/Town's request to conduct any audit may be referred to SMART in accordance with Section 14 of this Agreement.

- (b) The Department will notify City/Town of all refund requests that are processed involving City/Town's Municipal Taxes within thirty calendar days of processing the refund. City/Town may request an audit of the taxpayer as set forth in Section 4.3 above.

- (c) The Department may assign an auditor to review requests for refunds. The Department will notify City/Town, within thirty calendar days of initiating a review, of all refunds under review by an auditor pertaining to a taxpayer who engages in business within City/Town's taxing jurisdiction and may request that City/Town assist with such reviews. The Department may assign a refund request to a City/Town auditor for review. The Department may only assign refund requests to a City/Town auditor if the City/Town is involved in the refund request.
- (d) City/Town is responsible for payment of all amounts to be refunded to taxpayers for Municipal Tax incorrectly paid to City/Town. The Department may offset a remittance to City/Town under this Agreement to cover the amounts of allowed refunds paid to the Department. If there are insufficient funds available to pay the refund, City/Town must pay the Department within sixty days of written demand from the Department.
- (e) The Department shall issue refund approvals/denials on behalf of all taxing jurisdictions in a single notice to the taxpayer. City/Town may request copies of such determinations.

The Department shall notify City/Town of any appeals within 30 days of receipt of the protest.

4.6 Status Reports: The Department shall keep SMART apprised of the status of each protested matter involving the imposition of Municipal Taxes. City/Town may request to be on a distribution list for monthly status reports by contacting the Department.

5. Voluntary Disclosure Agreements

The Department may enter into a voluntary disclosure agreement with a taxpayer. A voluntary disclosure agreement may limit the years subject to audit and waive penalties. The Department will notify City/Town of the Department's intent to enter into an agreement and the Department will provide the taxpayer's identity within thirty (30) calendar days of disclosure. City/Town may request an audit of a taxpayer subject to a voluntary disclosure agreement pursuant to Section 4.3 above.

The Department shall be diligent in defending the interests of City/Town and City/Town shall assist in such representation as may be requested by the Department or by City/Town.
- 8.2 **Further Appeals:** The Arizona Attorney General is responsible for defending the assessment or refund denial at the Board of Tax Appeals, the Arizona Tax Court and all higher courts. The Department may request a telephonic meeting of SMART if time or circumstances require immediate action.
- 9.7 Funds Owed to City/Town:** At all times and under all circumstances payments remitted by a taxpayer to the Department for City/Town Municipal Taxes will be considered property of City/Town. The Department may not retain or fail to remit such funds to City/Town for any reason not specifically set forth in this Agreement including, but not limited to, during the course of a dispute between City/Town and the Department.

APPENDIX A

**ARIZONA DEPARTMENT OF REVENUE
CONFIDENTIALITY REQUIREMENTS**

1. Confidential Information

- 1.1 Confidential Information is defined in A.R.S. § 42-2001. Confidential Information may not be disclosed except as provided by statute. A.R.S. § 42-2001(B).
- 1.2 License information obtained from the Department of Revenue is Confidential Information and may only be disclosed as authorized by A.R.S. § 42-2003. License information obtained from other sources is not Confidential Information.
- 1.3 Information about a taxpayer's identity obtained from the Department of Revenue is Confidential information and may only be disclosed as authorized by A.R.S. § 42-2003. Identity information obtained from other sources is not Confidential Information.
- 1.4 Confidential Information includes information about a single taxpayer and also aggregated information about a group of identified or identifiable taxpayers. Aggregated information from fewer than three taxpayers in a grouping on a statewide basis or fewer than ten taxpayers in a grouping for an area that is less than state level (city or town) may be Confidential Information. Such information may not be released unless the City/Town Administrator reviews the relevant information concerning the aggregate data and makes a determination in writing that the aggregate data does not reveal information about any specific taxpayer. Such determination should take into consideration the following:
 - a. The proportionality of the tax information applicable to individual members of the group of taxpayers; no individual taxpayer's information should be discernable due to its relative size/taxable sales, compared to other members of the group;
 - b. The total aggregated tax information; the aggregate information cannot allow viewers to draw conclusions about individual taxpayers (e.g., there are 6 car dealers in the city and the total aggregate sales were \$900,000 and none of them reported individual sales above the \$20,000 mark, which would have qualified for the lower tax rate on large purchases)
 - c. Any other factor that could cause the aggregate data to be used to determine information specific to a single taxpayer.

2. Protecting Information

- 2.1 City/Town must identify all places, both physical and logical, where Confidential Information is received, processed and stored and create a plan to adequately secure those areas.

- 2.2 Confidential Information must be protected during transmission, storage, use, and destruction. City/Town must have policies and procedures to document how it protects its information systems, including Confidential Information contained therein. An example of appropriate protection standards is set forth in National Institute of Standards and Technology Special Publication 800-53. The publication may be found at <http://nvlpubs.nist.gov/nistpubs/SpecialPublications/NIST.SP.800-53r4.pdf>
- 2.3 Employees are prohibited from inspecting information unless they have a business reason for the information. Browsing information concerning friends, neighbors, family members, or people in the news is strictly prohibited.
- 2.4 All removable media, including paper and CDs, containing Confidential Information must be secured when not in use and after normal business hours by placing all materials in a locked drawer or cabinet. During use, Confidential Information must be protected so that it is not visible to members of the public or anyone without a business need for the information.
- 2.5 All individuals accessing or storing Confidential Information from an alternative work site must enter into a signed agreement that specifies how the Confidential Information will be protected while at that site. Only trusted employees shall be permitted to access Confidential Information from alternative sites. Confidential Information may not be accessed while in public places such as restaurants, lounges, or pools.
- 2.6 Confidential Information may not be sent outside the local area network by unencrypted email. City/Town is responsible for ensuring in-flight email communications containing Confidential Information are sent through a secure process. This may include encryption of the email message, a secure mailbox controlled by City/Town, an encrypted point-to-point tunnel between the correspondents or use of Transport Layer Security (TLS) between correspondents.
- 2.7 Confidential Information may not be discussed in elevators, restrooms, the cafeteria, or other public areas. Computer terminals should be placed in such a manner that prohibits public viewing of Confidential Information.
- 2.8 When transporting confidential materials the materials should be covered so that others cannot see the Confidential Information. When sending Confidential Information by fax a cover sheet should always be used.
- 2.9 Any person with unsupervised access to Confidential Information shall receive training on the confidentiality laws and requirements to protect such information before being given access to such Information and annually thereafter. They must sign certificates after the training acknowledging that they understand their responsibilities. City/Town must keep records to document this training and certification.

3. Disclosure of Information

- 3.1 Confidential Information may only be disclosed as permitted by A.R.S. § 42-2003.
- 3.2 Confidential Information is confidential by statute and, therefore, does not have to be disclosed in response to a public records request. A state agency may deny inspection of public records if the records are confidential by statute. *Berry v. State*, 145 Ariz. 12, 13 699 P.2d 387, 388 (App. 1985).
- 3.3 A taxpayer may designate a person to whom Confidential Information may be disclosed by completing a Department of Revenue Form 285, or such other form that contains the information included in the Form 285. City/Town may contact the Department of Revenue's Disclosure Officer if there are any questions concerning this requirement.

4. Disposal of Information

- 4.1 All removable media containing Confidential Information must be returned to the Department of Revenue or sanitized before disposal or release from the control of City/Town.
- 4.2 Paper copies of Confidential Information must be destroyed by shredding or burning the materials when no longer needed. Confidential Information may not be disposed of by placing the materials in the garbage or recycle bins. Destruction of Confidential Information may be performed by a third party vendor. City/Town must take appropriate actions to protect the Confidential Information in transit and storage before it is destroyed, such as periodic inspections of the vendor.

- 6.1 The City/Town information system must implement mechanisms for the authentication to a cryptographic module that meets the requirements of applicable federal laws, Executive Orders, directives, policies, regulations, standards, and guidance for such authentication.
- 6.2 Validation provides assurance that when an agency implements cryptography to protect Confidential Information, the encryption functions have been examined in detail and will operate as intended.
- 6.3 All electronic transmissions of Confidential Information must be encrypted using FIPS 140-2 validated cryptographic modules. A product does not meet the FIPS 140-2 requirements by simply implementing an approved security function. Only modules tested and validated to FIPS 140-2 meet the applicability requirements for cryptographic modules to protect sensitive information. NIST maintains a list of validated cryptographic modules on its website <http://csrc.nist.gov/>
- 6.4 Confidential Information is required to be protected in transit and at rest. City/Town is requested to adhere to the following guidelines to use encryption:
- Encrypt the compressed file using Advanced Encryption Standard.
 - Compress files in .zip or .zipx formats.
 - Use a strong 256-bit encryption key string.
 - Ensure a strong password or pass phrase is generated to encrypt the file..
 - Communicate the password or pass phrase with the Department of Revenue through a separate email or via a telephone call to your DOR contact person. Do not provide the password or passphrase in the same email containing the encrypted attachment.
- 6.5 Refer to your specific file compression software user guide for instructions on how to compress and encrypt files. Known compatible products with DOR include but are not limited to WinZip and Secure Zip.
- 6.6 Please remember, while the attachment is encrypted, the content of the email message will not be encrypted, so it is important that any sensitive information be contained in the attachment (encrypted document).

Activities that will be recorded include event type, date and time of event, user identification, workstation identification, success or failure of access attempts, and security actions taken by system administrators or security officers. Audits, and/or security actions taken by system administrators or security officers will be recorded and available for review by ADOR.
- 8.4 Incident Reporting. City/Town is required to notify ADOR in the event of data loss, breach, or security concern regarding ADOR's Confidential Information by reporting the incident to the ADOR Information Security Team by phone at (602) 716-6166 or email at InfoSec@azdor.gov.

1. Provide your **Federal Employer Identification No.** (FEIN) or Social Security No. (SSN) if you are a sole proprietor without employees. Taxpayers are required to provide their taxpayer identification number (TIN) on all returns and documents. A TIN is defined as the federal employer identification number (EIN) or SSN, depending upon how income tax is reported. The EIN is required for all employers. A penalty of \$5 will be assessed by the Department of Revenue for each document filed without a TIN.

2. **License Type (Check all that apply):**

Transaction Privilege Tax (TPT): Anyone engaged in a business taxable under the TPT statutes must apply for a TPT License before engaging in business. For TPT, you are required to obtain and display a separate license certificate for each business or rental location. This may be accomplished in one of the following ways:

- Each location may be licensed as a separate business with a separate license number for purposes of reporting transaction privilege and use taxes individually. Therefore, a separate application is needed for each location.
- Multiple locations may be licensed under a consolidated license number, provided the ownership is the same, to allow filing of a single tax return. If applying for a new license, list the various business locations as instructed below. If already licensed and you are adding locations, **do not use this application to consolidate an existing license. Please submit a Business Account Update form, available at www.azdor.gov.**

Withholding & Unemployment Taxes: Employers paying wages or salaries to employees for services performed in the State must apply for a Withholding number & Unemployment number.

In-state business not required to be licensed in Arizona for TPT purposes, making out-of state purchases for their own use (and not for resale) must also obtain the Use Tax registration.

TPT for cities only: This type of license is needed if your business activity is subject to city TPT which is collected by the state, but the activity is not taxed at the state level.

3. **Type of Organization/Ownership:** Check as applicable. A corporation must provide the state and date of incorporation.
4. Provide the **Legal Business Name** or owner or corporation as listed in its articles of incorporation, or individual and spouse, or partners, or organization owning or controlling the business.
5. Provide the **Mailing Address** (number and street) where all correspondence is to be sent. You may use your

Section I: STATE/COUNTY & CITY LICENSE FEE WORKSHEET

There are no fees for Withholding/Unemployment Insurance, or Use Tax registrations. State license fees are calculated per business location. To calculate the city license fees, use the listing of cities on page 4, Section I of this application. City fees are subject to change. Check for updates at www.azdor.gov.

- AA: TOTAL City License Fees – To calculate the city fees, multiply No. of Locations in the city by the license fee and enter sum in Subtotal City License Fees. Then calculate and enter the sum of columns 1 + 2 + 3. If you have a location in Phoenix and the business is only under Class 213, Commercial Lease, there is no license fee due.
- BB: TOTAL State License Fees – To calculate the state fees, multiply the No. of locations in the state by \$12.
- CC: TOTAL City Residential Rental License Fee – USE THIS SECTION FOR CHANDLER, PHOENIX AND SCOTTSDALE ONLY. These cities WILL NOT use the larger fee chart. To calculate Residential Rental license fee, multiple the No. of units by the No. of locations by \$2.00 (\$50.00 Annual Cap per license). The amount for each city CANNOT EXCEED \$50.00.
- DD: TOTAL DUE – Add lines AA + BB + CC.

Please send your payment for this amount. Failure to include your payment with this application will result in a delay in processing your license. Licenses are not issued until all fees have been paid.
