Granite Reef Senior Center

Granite Reef Senior Center is a 37,500 square foot facility that houses an extensive combination of services and programs for Scottsdale's growing 50-plus population. The center opened in 2006 as the City of Scottsdale's first LEED © Certified Green Building and has quickly become one of the most utilized facilities in Scottsdale. In fiscal year 2018-19, the Granite Reef Senior Center welcomed just under 370,000 participants for recreation programs, fitness activities, special events, and social services.

The Granite Reef Senior Center has been recognized with a variety of awards, including NuStep Corporation's prestigious Pinnacle Award, which annually recognizes the most outstanding senior center in the United States for creative programming and whole-person wellness. We have been recognized for our design and architecture, in addition to our marketing and communication initiatives.

Via Linda Senior Center

Via Linda Senior Center is located in the heart of Scottsdale Ranch, one of Scottsdale's premier masters-planned communities. The 20,000 square foot facility, built in 1995, is home to a wide variety of recreation programs, health and wellness opportunities, support, and social programs.

In fiscal year 2018-19, the center welcomed over 130,000 participants for recreation programs, fitness activities, special events, and social services. During our high traffic season, October through April, we see almost 600 seniors per day in classes, recreation, fitness, and wellness programs. Via Linda Senior Center has over 5,000 participants registered for recreation classes alone annually. The population is active and engaged in the community.

Our ads are bold, eye catching, and impactful. Our ads are displayed throughout the City of Scottsdale's community centers, fitness facilities, libraries, parks, and more.

EMAIL BLASTS – Over 48,000 subscribers reached

They've got mail! The older people get, the more likely they are to see good ol' fashioned email as a tool for accessing information. With that in mind, we conduct a high volume of direct email marketing and our distribution list exceeds 3,000. We produce e-invites for each of our special events and all of our sponsors' logos are prominently displayed.

SOCIAL MEDIA – Almost 5,000 Facebook followers

Did you know seniors are the fastest growing demographic on Facebook? Seniors are catching on to the social media thing and Scottsdale Senior Services is ahead of the curve. Our Facebook page is just shy of 5,000 followers enabling us to engage directly with our seniors. Each of our special event sponsors will receive a dedicated post, announcing our partnership to our online community, linking them back to your website.

ON-SITE ADVERTISING – 600 to 1,000 center visitors per day

Our centers utilize digital advertising systems to promote activities and events, as well as company ads for our sponsors. With our centers' heavy traffic, these advertisements result in a high volume of exposure for our partners. Our sponsors are also able to display their print material within our facility, a benefit exclusive to those who connect with us through a sponsorship agreement. This puts your information front and center in high visibility and traffic areas within our facility.

SPECIAL EVENT BOOTHS – Between 150 to 2000 attendees per event

Scottsdale Senior Services offers a wide variety of opportunities for you to personally connect to potential customers. Many of our sponsorship levels include booths, tables, and on-site presence at our events, allowing you to make direct contact with scores of participants.
