RE: NextGen flight paths effecting Scottsdale

Dear Senator McCain,

It was nice to see and talk with you at the Scottsdale Rotary Club Luncheon. I really enjoyed the Q&A.

I just want you to be aware that I have a real concern about the negative impact on Scottsdale neighborhoods as a result of the Federal Aviation Administration's recent NextGen changes. My staff is sending your Phoenix Office detailed packet explaining the nature of the complaints, communications with the FAA and other pertinent research.

I ask for your help in finding some mitigating solutions to a serious community problem.

Best regards,
