

# LET YOUR EVENT TAKE FLIGHT

Scottsdale Airport has more to offer than hosting aircraft. See what makes Scottsdale Airport the perfect venue for your next business meeting, conference, or special occasion.

## THUNDERBIRD ROOM

The Thunderbird Room is the primary space for large parties, meetings, and other functions. The Thunderbird Room comes with stunning views of the airport's runway as well as the McDowell Sonoran Preserve in the distance. Accompanying the room is a connected and dedicated patio, allowing you to enjoy the beautiful weather that makes Scottsdale a preferred year-round destination.

## STEARMAN ROOM

The Stearman Room is perfect for small to medium-sized gatherings looking for a quiet and comfortable place to meet. With multiple setup possibilities, the Stearman Room is equipped to accommodate groups with a wide variety of needs.

## COMBINED ROOMS

For larger groups we offer the Stearman and Thunderbird rooms combined into one large event space with dedicated patio area. This provides guests with the luxury of having plenty of space to accompany all their needs with breathtaking views.

To book your event, contact Airport Administration at 480-312-2321
