1. **6-GP-2016 (General Plan 2035)**
   Request by the City of Scottsdale to recommend approval for the adoption of a proposed new General Plan for Scottsdale, entitled "General Plan 2035", in order to revisit and revise the community's long term objectives and land development policies for future growth, development and redevelopment and to amend existing General Plan elements and add the new General Plan elements required by State law. The proposed General Plan 2035 is intended to comply with State law requiring cities to revisit and adopt a General Plan every ten (10) years and send the adopted General Plan to the voters for ratification. Specifically, one of the many changes in the proposed General Plan 2035 is a new, more restrictive, Desert Rural Residential Land Use category. The proposed General Plan 2035, if adopted and later ratified by the voters, would change the current General Plan Land Use Map and the land use designations of approximately 7,800 acres generally north of Deer Valley Road from their current land use designations to the more restrictive new Desert Rural Residential Land Use designation. Staff/Applicant contact person is Sara Javoronok, 480-312-7918.
