

Working Together to Improve Our Neighborhood

"Thank you for supporting Operation Fix It. This program combines donated resources and community volunteers to ensure our neighborhoods retain the character of our community, keep property values at a premium and continue Scottsdale's reputation as a world-class city."

- Mayor Jim Lane

Accolade's Volunteers

"I don't think people know how much you are doing to help people like me. You are really angels."

Operation Fix It Offers a Helping Hand

The death of a spouse, an unexpected illness, the loss of a job — these are just some of the reasons that Scottsdale's most vulnerable citizens find themselves unable to properly maintain their homes each year. Many of our elderly, disabled, veteran and low-/fixed-income neighbors need a helping hand. **That's where Operation Fix It (OFI) comes in.**

Before

During

After

With monetary contributions and the hard work of community volunteers, OFI comes to the rescue, providing labor and materials to complete critical repairs and help alleviate undue stress during times of need so these citizens can avoid unsafe conditions and costly fines.

First Christian Church Volunteer Group

The program is solely funded by generous donations from individuals, businesses and organizations in our community. OFI is a qualified organization and program of the City of Scottsdale. Donations are deductible as a charitable contribution. OFI relies on community support.

Average Annual Results:

250+ projects completed

860+ volunteers

3,040+ volunteer hours

Donation and Sponsorship Opportunities:

Paint the Town: \$5,000 or more

Help purchase paint and other needed supplies for exterior painting.

Rock the House: \$2,500 or more

Help purchase pavers, gravel, rock and other landscape supplies.

Clean Sweep: \$1,000 or more

Help purchase all supplies needed to clean an unsafe property.

Helping Hands: Any amount

Every dollar counts. Your support at any level helps provide funding for exterior home repair supplies such as gloves, tools, bags, lumber, sprinkler material, plants and trees.

Be the neighbor you'd hope to have in your time of need.
