

CITY OF SCOTTSDALE
ZONING INTERPRETATION RECORD

Subject of Interpretation:

Marijuana Dispensary and Cultivation land uses (Medical Marijuana Dispensary, Medical Marijuana Dispensary cultivation site, Medical Marijuana Qualifying Patient cultivation site, Medical Marijuana Qualifying Patient Caregiver cultivation site).

Zoning Ordinance Section Number:

Section 1.202

Title of Section:

Interpretations and Decisions

Cause for Interpretation:

Confirm that Marijuana Dispensary and Cultivation land uses are not currently legal uses in the Arizona and are, therefore, not currently allowed uses in any of the City zoning districts.

Interpretation:

The City has no ability to permit marijuana dispensary and cultivation land uses in any of its zoning districts because these uses are not currently legal. If and when the marijuana dispensary and cultivation land uses become lawful uses in Arizona and the necessary new laws go into full effect, the City will amend and/or interpret the Zoning Ordinance, as necessary, to permit marijuana dispensary and cultivation land uses in at least one zoning district within the City's jurisdiction.
