

Public Meeting February 12, 2024

# **Tonight's Meeting**

#### Introduction

Erin Walsh – City of Scottsdale Public Works Public Information Officer

### **Project Overview**

Nathan Domme – City of Scottsdale Transportation Planning Manager

### **Preliminary Design**

Carlos Sanchez-Soria - TY Lin

### **Next Steps, Questions & Answers**

Erin Walsh – City of Scottsdale Public Works Public Information Officer

### **Project Information**

### **Project Budget**

\$21.5 million

### **Project Funding**

Regional Sales Tax – Arterial Life Cycle Program \$15 million City of Scottsdale 2019 Transportation 0.1% Sales Tax \$6.5 million

### **Project Description**

This project will design and construct improvements to Carefree Highway, from Cave Creek Road to Scottsdale (Tom Darlington) Road, to improve the capacity and operational efficiency of the roadway.

Carefree Highway will be expanded from two to four lanes (two lanes in each direction) with a center landscaped raised median island and will include bike lanes, shared-use path/trail, and curb and gutter. Drainage improvements and utility work will also take place as part of the project.

### Where are we in the process?

2008 2004 The Maricopa Carefree Association of Highway is Fall 2024 Fall 2022-2023 2024 classified as a Governments minor arterial (MAG) Regional (4-lane **Public** Final Design City Council Transportation roadway with Spring 2025 -Approval & Meetings, Early 2025 Plan (RTP) **Early 2027** raised Finalizes the Stakeholder **Initial Design** identified the medians) in elements that Outreach & **Work Begins** will be built and Scottsdale's need to widen Construction **Public** produces Carefree Transportation Construction Contract to Hearings Construction Master Plan. Highway City Council **Documents** Roadway Plan between Cave Presented to Creek Road Community for \*Tentative Project Schedule and Scottsdale Feedback Road to four Transportation lanes. Commission

# **Carefree Highway: Cave Creek Road to Scottsdale Road**

# **Carefree Hwy Project Area**

# **Project Background and Need**

### **Urban Road of Regional Significance**

The Carefree Highway is designated as an Urban Road of Regional Significance that will help ensure regional mobility

#### Scenic corridor

Carefree Highway serves as a Scenic corridor for the City of Scottsdale, the project looks to minimize adverse impacts and preserve the corridor's environment.

### **Improved Design**

As a minor arterial, Carefree Hwy is Intended to have improved features.

# **Transportation Action Plan & Project History**

#### 2004

Maricopa Association of Governments (MAG) Regional Transportation Plan (RTP) identified the need to widen Carefree Highway between Cave Creek Rd and Scottsdale Rd to four lanes.

#### 2008

Classified as a Minor Arterial (four lanes with raised medians).

#### 2022

Project starts and was regionally funded for the later part of the Arterial Life Cycle Program (ALCP)

#### 2023 - 2024

30% design and Public Outreach

### **Transportation Action Plan (2022) Street Element**

Project aligns with the goals of the Transportation Action Plan Street Element

- Complete Streets Policy
- Roundabout First Policy
- Noise Mitigation Analysis Policy

### **Design Standards for Minor Arterials**

- Cross-sections vary to fit surrounding topography
- Design Right of way 110Ft: Corridor Right of Way between 110ft and 155ft
- Design Speed: 45 mph

Source: City of Scottsdale Transportation Action Plan (2022)

# **Project Features in development**

### **Raised Landscaped Median**

Raised Median to separate traffic moving in different directions

#### Two additional travel lanes

Additional travel lanes that increase capacity.

#### **Bike Lanes on both sides**

Improve multimodal travel along the corridor.

# Shared-use path/trail on the southern side

Improve regional active transportation through the corridor.

# **Carefree Highway: Project Status**

#### **Project Design Documents**

- Project Assessment
  - Evaluation of Alternatives
  - Major Utility Impacts
  - Right of Way Acquisition
  - Development of Cost Estimate and Schedule
- Traffic Analysis
  - Evaluate Intersections, Lane Configurations and Turn Lane Storage
  - Traffic Signal Warrant Analysis at Terravita Way
  - (2022, 2025 and 2045)
  - Crash Analysis (2019-2021)
- 30% Preliminary Design
  - Horizontal and Vertical Geometry
- Native Plant Survey
  - White = Salvage
  - Blue = Non-Salvageable

### **Carefree Highway: Cave Creek Road to Mountainside Drive**

### **Carefree Highway: Mountainside Drive to Los Reales Drive**

# **Carefree Highway: Los Reales Drive to Arroyo Road**

# **Carefree Highway: Arroyo Road to Ridgeway Drive**

# Carefree Highway: Ridgeway Drive to Stagecoach Pass Road

# Carefree Highway: Stagecoach Pass Road to Scottsdale Road

# Where are we in the process?

2008 2004 The Maricopa Carefree Association of Highway is Fall 2024 Fall 2022-2023 2024 classified as a Governments minor arterial (MAG) Regional (4-lane **Public** Final Design City Council Transportation roadway with Spring 2025 -Approval & Meetings, Early 2025 Plan (RTP) **Early 2027** raised Finalizes the Stakeholder **Initial Design** identified the medians) in elements that Outreach & **Work Begins** will be built and Scottsdale's need to widen Construction **Public** produces Carefree Transportation Construction Contract to Hearings Construction Master Plan. Highway City Council **Documents** Roadway Plan between Cave Presented to Creek Road Community for \*Tentative Project Schedule and Scottsdale Feedback Road to four Transportation lanes. Commission

# **Questions?**

Please turn in your comment card before you leave tonight.

This presentation and a comment card are also available on the project website.
