Leadership matters – especially when the unexpected happens.

In this era of uncertainty, I am prepared to be your next mayor and put to work my business and political experience, my long-standing commitment to fiscal responsibility, and my vision for our community.

These are tough times that require difficult decisions. With your help, I am ready to lead Scottsdale through what is going to be a challenging process to restore our city's economy and create conditions that secure people's jobs and stabilize the tourism trade.

To succeed, the process cannot only be financially prudent, we must be frugal with our city's resources and your tax dollars for the foreseeable future.

The circumstances we are experiencing are totally unique. I am reminded, however, about the impacts of the Great Recession and the pivotal part I played working with businesses and neighborhoods to rejuvenate the McDowell Road Corridor and South Scottsdale. When STARS, one of our community's premiere non-profit organizations, was suffering financially, I was retained to return it to prominence. Immediately prior to the recession, I led the effort to successfully stabilize the Scottsdale Chamber of Commerce that enabled it to weather the economic downturn.

**My roots in our community run deep and the roles I played in helping make Scottsdale so special are extensive. You can learn more about my business and leadership experience at [kortescottsdale.com](http://kortescottsdale.com)**

I strongly believe this is a time for honesty, not rhetoric. We face an extremely serious situation. But we will face it and succeed together.

Leadership will matter more than ever in the days, weeks and even years ahead. The choices voters make in this election will determine not only our immediate future, but the direction of the city for future generations.

I ask for your vote and confidence in my leadership on August 4th.

## CANDIDATE FOR MAYOR

**Name:** Lisa Borowsky  
**Age:** 54  
**Education:** St. John's University, School of Law, J.D.  
Arizona State University, B.S.  
**Occupation:** Lawyer

As an Arizona native, and lifelong resident of Scottsdale, I am passionate about our City. I have a deep appreciation for our past and a vision for our future. We are fortunate to live in a community that people are excited to be part of. We have tremendous natural resources which we cannot take for granted. We have vast open space which attracts visitors and residents alike. However, we must be careful to protect our "brand" in order to maintain Scottsdale as a world class, luxury destination for visitors, business leaders, spotlight events, and, most importantly, for the benefit of the residents that call this home.

To remain the Southwest's premier tourist destination and best of places to live, higher standards on future growth are needed. First and foremost, we must respect the citizens and business owners that currently reside and operate here. Growth must be thoughtful and sustainable. New development must provide real benefit for existing residents.

Traffic solutions must be identified, especially in North Scottsdale. Pedestrian, traffic and parking improvements must occur in the downtown and Old Town area for the safety and enjoyment of all.

Careful attention must be paid to how the voter-approved bonds and taxes are spent improving and beautifying our City. I served on City Council from 2009-2013, in the midst of the Great Recession. I am proud of the work I did to resolve the City's financial crisis which resulted in a leaner budget, without increasing taxes. This experience, together with my background as a lawyer and business owner, will be critical as we confront the financial and structural challenges ahead. Restoring our booming hospitality industry, hotels and restaurants, will play a key role.

As Mayor, I will serve to protect and improve the lives of Scottsdale residents. Please see more at [lisaformayor.com](http://lisaformayor.com).

## CANDIDATE FOR MAYOR

**Name:** Suzanne Klapp  
**Age:** 73  
**Education:** B.A. – University of Evansville (IN)  
M.B.A. – Southern Methodist University (TX)  
**Occupation:** Businesswoman  
**Website:** [suzanneklapp.com](http://suzanneklapp.com)  
**E-mail:** [suzanne@suzanneklapp.com](mailto:suzanne@suzanneklapp.com)

I was elected Councilwoman almost 12 years ago. During that time, I have successfully dealt with many challenges, including the 2008 recession and its impact on government and our local economy over several years. The health and economic impact of the Coronavirus pandemic has also been devastating for the city and the greater community. Throughout all these times, I have helped guide our decision-making with a steady hand.

I have earned a reputation for getting results by working collaboratively with other Council members and residents. No other candidate for mayor successfully led on all three ballot measures approved by Scottsdale voters in 2018 and 2019.

My career over the past 45 years has been in business management and service to the public. I have owned companies in manufacturing and retail and worked in management positions for Whirlpool for 14 years. I was General Manager for a world-wide distributor in southern California for five years, and then moved our retail company to Scottsdale 22 years ago.

In Maricopa County, I serve on Valley Metro RPTA's board which provides transit services as well as the Maricopa County of Governments (MAG) Transportation Policy Committee.

I want to be your Mayor to utilize my private and public sector experience and love for Scottsdale to achieve these priorities:

- Continue moving Scottsdale forward with smart growth that creates jobs, improves property values and encourages tourism
- Maintain low taxes and advance cost-saving measures while continuing to provide high quality and efficient city services
- Ensure safety in neighborhoods and throughout the city by supporting our Police and Fire Departments
- Improve resident representation by putting the unity back in community

I respectfully ask for your vote for Mayor to continue to unite and collaborate with the community so everyone is represented and so Scottsdale continues to prosper.

## CANDIDATE FOR MAYOR

**Name:** Bob Littlefield

**Age:** 72

**Education:** B.S., Engineering, from Arizona State University

**Occupation:** Aviation, Computers

**Website:** [boblittlefield.com](http://boblittlefield.com)

**E-mail:** [bob@boblittlefield.com](mailto:bob@boblittlefield.com)

The 2020 campaign for Mayor is like no other in the history of Scottsdale. While protecting Scottsdale's special character and high quality of life will continue to be big issues, fiscal responsibility will be on every voter's mind. The overriding issue will be; who is best qualified to lead Scottsdale forward through the turbulent times ahead.

I am that candidate. I was elected to the Scottsdale City Council three times. As Chairman of Scottsdale's City Council Budget Subcommittee and a member of Scottsdale's Economic Development Subcommittee, I have the knowledge and experience in municipal finance our next Mayor absolutely must have. In addition to my time as a manager for several large corporations, I also founded and ran a successful Scottsdale-based computer company, so I know how business works. And, as a two-tour Vietnam combat veteran, I know about persevering in tough times.

Belts will need to be tightened for the foreseeable future, and that means setting priorities. When the tax dollars are flowing freely it is easy to make sure everybody gets a slice of the pie. Real leadership that is willing to say "no" when necessary will be needed in Scottsdale's future.

Scottsdale's special character and high quality of life are still important issues, not just for our citizens but for our tourism industry which will need help to recover after the lockdown ends. If I am elected Mayor, I will, as I did when I was a Councilman, support only quality, character-appropriate development that pays for itself. And I will apply that standard to all parts of our beautiful city.

Scottsdale needs a Mayor who can hit the ground running, can make the tough decisions, and who will lead rather than wait for other cities to set the pace. I respectfully ask for your vote in August.

## CANDIDATE FOR MAYOR

**Name:** David "Dave" Ortega

**Age:** 66

**Education:** College of Architecture University of Arizona;  
American Institute of Architects; Scottsdale  
Leadership Class 3

**Occupation:** Scottsdale Architect

**Website:** [electDaveOrtegaMayor.com](http://electDaveOrtegaMayor.com)

**E-mail:** [electDaveOrtegaMayor@gmail.com](mailto:electDaveOrtegaMayor@gmail.com)

COVID-19 has reshaped the world economy and tests us at home, in our neighborhoods and as a community. We will recover because Scottsdale is citizen-driven, business-friendly and hospitality based. I understand the values we all share.

My living 41 years in Scottsdale, raising our family, building a successful architecture business, serving on State Boards, and serving as Councilman (2000-04) prepared me to face the challenges of serving as Mayor. My track record of listening, understanding needs, prioritizing budgets, designing numerous buildings in Old Town, promoting the McDowell Sonoran Preserve and protecting our Western heritage is steadfast.

There is an erosion of trust in City Hall. The Southbridge Two Referendum to overturn the decision by Mayor and Councilwomen Klapp and Korte was absolutely necessary. Early on, I exposed the crushing condo density, towering 160-ft height, proposed excavation of Fifth Avenue and disruption to nearby businesses. They would not listen. I also voted YES on the citizen-driven Initiative, Prop 420, which requires a public vote to build within the McDowell Sonoran Preserve, prohibiting unilateral Council action.

My goals as Mayor:

- **Leverage City Resources: Ensure Public Safety, essential services and fiscal conservative budget.**
- **Protect Neighborhoods: Control Short Term Rentals and improve services for seniors and children.**
- **General Plan 2035: Reclaim citizen-driven values to direct the Council, not the other way around.**
- **Build Bond 2019: As Mayor and architect help guide on-budget citywide construction projects.**
- **Voting Districts: Study because half of city voters live south of Shea without direct representation.**
- **Quality Growth: Support sustainable development which is compatible with the Scottsdale Brand.**

Our Scottsdale values and Scottsdale Brand must not be cast aside. My community experience, leadership, architect skills and independent perspective prepared me to represent you as full-time Mayor. I ask for your VOTE on August 4<sup>th</sup>.

I'm a proud husband, father, grandfather, community leader and small business owner.

For more than 22 years, I've had the privilege of owning and operating a successful small business in Downtown Scottsdale with my wife Debbie. In addition to my business experience, I've spent the past two decades taking on tough city issues, resulting in wins for our residents, neighborhoods and businesses.

As a community leader, I believe my ability to bring residents together and unite them to solve problems is desperately needed on City Council. Now more than ever, we need collaborative leadership to get our city and economy back on track.

The fallout from the coronavirus has been devastating for Scottsdale. Our residents, businesses and city government are facing financial challenges like never before.

We must put an end to the political shenanigans causing unrest and division across our city in order to protect Scottsdale's fiscal future. It's time to stop playing politics and put our residents and city first.

As a Councilman, I will work to unify Scottsdale by bringing the different factions together to keep our city moving forward during these difficult times. With collaborative leadership and the teamwork of all the people who make Scottsdale a resilient city like no other, I believe we will emerge stronger than ever.

I love our city and will never stop fighting for our residents, neighborhoods, businesses, and the high quality of life that makes Scottsdale special. My devotion to protecting Scottsdale's high quality of life is unwavering, and I'll bring that same devotion to the City Council.

I'm proud to have the support of Mayor Jim Lane and many more throughout our great city. It's an honor to be given consideration to be part of our city's leadership.

I respectfully ask for your vote.

With appreciation,

Bill Crawford

## CANDIDATE FOR COUNCIL

**Name:** Tammy Caputi

**Age:** 51

**Education:** B.A., Economics – Wellesley College  
M.B.A. – Simmons College Graduate School  
of Management  
Fellow – Flinn Brown Arizona Center for  
Civic Leadership

**Occupation:** President and Owner, Yale Electric West, Inc.

**E-mail:** [tammy@tammycaputi.com](mailto:tammy@tammycaputi.com)

I'm Tammy Caputi, and I'm running for city council to make Scottsdale even greater for my children than it's been for me. I have loved living in Scottsdale for 20 years.

We need councilmembers who govern with facts and open minds, who create consensus and promote collaboration. Councilmembers who exercise caring judgment and wisdom for issues both big and small. I will help guide us as a diverse, vibrant, resilient community that works for all residents. This is even more important now amidst our current crisis.

I just served three years on the Development Review Board, overseeing the quality of development in Scottsdale. I have an Economics degree from Wellesley College and an MBA, and successfully run a multimillion-dollar business I founded here in Scottsdale. My husband and I have three children in our local public schools. I'm ready to serve our community.

My number one issue is our future: our livability and quality of place, where our families can prosper and raise their own families. I will promote economic vitality and foster high-tech jobs that diversify our economy, generate revenue, and complement our robust tourism industry. Let's enhance our transportation system, by maximizing the safety and efficiency of our community. Most important is protecting our neighborhoods.

Our future includes overseeing thoughtful, quality development that provides public benefits like open spaces or workforce housing. Development should always consider preservation and livability as its goals.

Finally, our future must include closer communication and mutual support with our top-notch education systems: public, private, charter, and higher ed. I want to create a city where residents can go to school and find quality jobs from hire to retire.

Scottsdale is an amazing city and our future looks bright. As a positive, forward thinking council member, I will help light up the way!

## CANDIDATE FOR COUNCIL

**Name:** Betty Janik

**Age:** 70

**Education:** Bachelor of Science, Chemistry, University of Illinois-Chicago

**Occupation:** Former Research Scientist, Math/Science Teacher, Realtor

**Website:** [voteJanik.com](http://voteJanik.com)

**E-mail:** [voteJanik@gmail.com](mailto:voteJanik@gmail.com)

**Primary responsibility of a Councilmember is to represent citizens.** Current Council majority has forgotten this. With your support, I will represent you with thoughtful decisions responsive to your voice.

Endorsed by Council members Kathy Littlefield & Solange Whitehead, Former Mayor Mary Manross and Carla, Preserve Founder.

### THOUGHTFUL GROWTH

Scottsdale is a wonderful place to live! Unfortunately, unrestrained development, and insufficient long-term funding of it, threaten our quality of life. Ever-increasing new construction with excessive height and density is jeopardizing views, infrastructure, traffic flow. I am not afraid to make tough decisions, but the decisions will be based on citizen input using objective criteria from reputable sources. I'm not against growth, I'm for thoughtful growth:

- Respecting values of all ages/lifestyles
- Promoting resident supported zoning
- Approving projects fully funded by developers/new income, not taxpayers
- Protecting the McDowell Sonoran Preserve
- Supporting vital industries: tourism/healthcare/retail/technology
- Being fiscally responsible while maintaining fully-funded fire/police

**The most important task of the new Council is producing a viable General Plan,** defining locations and development, protecting open spaces, sustaining financial viability and community services for the next decade. Collaboration with all stakeholders will generate a rational citizen-friendly framework for development while preserving Scottsdale's unique character.

### LISTEN TO RESIDENTS

Despite significant objections by the citizens, Council refuses to listen. Citizens have taken legal action to get Councils' attention. Prop 420 is a perfect example of this egregious behavior.

I have a proven record responding to citizens:

- Co-Founder, Protect Our Preserve (Preserve in hands of citizens)
- Supporter, referendum opposing Southbridge II (Opposed SBII development plan)
- President, Coalition of Greater Scottsdale (Advocated consistent zoning/land use)
- Member, 2019 Bond PAC (Secured \$350 MIL for the BEST Scottsdale.)

If these reflect your values, elect me YOUR VOICE to represent YOUR VISION!

Scottsdale has been home to my husband and our family for the last 22 years. We have three amazing children, two Saguaro Sabercat graduates and one Mohave Wildcat, a terrific daughter-in-law, an adorable grandson and a rescue dog. Strong schools and a great education is paramount to the successful future of our city.

Giving back to our community has always been a priority and as a volunteer you will find me assisting tourists (and locals) as an Ambassador, giving tours as a Historic Tour guide and on the streets as our Block Watch Captain in Village Grove. Additionally, I am proud to be a part of the District 1 Scottsdale Police Dept. Community Engagement Committee and a member of Scottsdale Leadership, Class 34.

As a successful REALTOR® and Property Manager with REMAX for the past 14 years protecting property rights and values are a key issue. I served as President for the Scottsdale Area Association of REALTOR®s in 2018 and currently serve on the board at the State (AAR) and National (NAR) levels.

Now more than ever we need to focus on collaboration between City Council, City Departments and Scottsdale Citizens. It is important that we have an efficient government who is fiscally responsible and performs core services at exceptional levels.

We need to encourage growth that enhances our city, supports our businesses and celebrates arts and culture. We MUST invest in our future.

I am passionate about our city and want ALL of Scottsdale to be represented. We have not had a councilmember south of Shea for over 15 years. I respectfully and humbly ask for your vote

Now more than ever in our history, we need an analyst on the council. The pending economic recession will require council members to evaluate complicated economic data and be able to have a high level of understanding of the material. I am a data analyst who seeks data-driven solutions for very difficult problems. Now is not the time for one issue candidates or anyone with strong emotional ties to any single issue. I am committed to offering solutions that are innovative, actionable and accountable.

As your councilman, I will be laser-focused on returning our economy to pre-pandemic levels. I will help small businesses keep their businesses and their employees. I will protect tourism assets and help ensure that our hospitality industry emerges stronger than ever. I will work hard to ensure that the city budget is as lean as possible and to avoid reducing services.

I have lived in Scottsdale for nearly 30 years and my community service to Scottsdale is substantial. It includes:

- Airport Advisory Commission. - Chair
- Scottsdale Leadership. – Board of Directors
- Scottsdale Coalition of Today and Tomorrow
- FUEL Scottsdale
- Family Promise of Greater Phoenix – Board of Directors

As residents, we should all want to maintain Scottsdale's special character and quality of life. I have specific plans that would benefit the city in several ways.

Airport Noise- My plan is actionable, and it will benefit residents.

Public Safety- My plan is called Vision Zero. It has already been implemented by 45 cities with similar size to Scottsdale.

Education and Special Needs – I have a plan for our most vulnerable residents. Families with special needs.

I want to show you what I am doing for my campaign.  
Scottsdale. It's the city we love and chose.

From the McDowell mountain preserve in the north to iconic Old Town in the south, Scottsdale is a truly special place. We, the residents of Scottsdale, embody its rugged individualism and frontier spirit.

I am a Scottsdale resident, small business owner in the hospitality industry, and lover of our country and city. Like many of you, I'm concerned about Scottsdale's future. We face challenges on many fronts.

To meet these challenges, we need enhanced tourism, smart growth, and leadership that will protect our individual liberties and values.

Scottsdale needs...

...a leader with the discernment to know how and where to grow – and where not to

...an advocate committed to protecting our signature events and open spaces

...a voice for the principles that make a thriving economy and respect individual liberties

10 million annual tourists generate \$3.1 billion in economic activity. Scottsdale residents benefit when tourism thrives.

Your property rights, First amendment rights and Second amendment rights should be protected from government overreach. I will be that advocate.

I have something truly different. I will offer legislation to help your grandparents, parents, you, and loved ones. An exemption from all future property tax increases. If you are 70 years old, have owned a home in Scottsdale for at least 30 years---this would apply to you. "People run out of money before they run out of time."

Let's protect all that made us love and choose Scottsdale - and keep it thriving and growing for the future.

I have a database of contacts that I would like to add you to. Text the word Scottsdale to 85100 This is my plan for a WINNING campaign. Join me!

Dear Friends and Neighbors:

Scottsdale is my hometown. My love affair with this community began with my first visit in 1972 and has continued since I moved here with my family in 1985 and began work for the city. I had the good fortune to work as Mayor Herb Drinkwater's Chief of Staff, from whom I inherited a deep love of Scottsdale. I worked with the most talented team of employees of any city in America. Buses of dignitaries from other cities would visit us to see "how we did it". Invariably, we answered that it was done with the input of an engaged citizenry. Together we achieved the impossible.

That kind of vision and teamwork is needed again today. I have an "insider's" understanding of the people, processes and resources that can move the needle and get things done. I also have an outsider's perspective as a successful businessman who knows the need for **efficiency in delivering city services as a way to keep taxes low.**

**I have more experience in administering public services than all other council candidates combined.** Now more than ever, principled, tested and committed leadership is needed.

With your help we will:

- Fulfill our sacred promise to preserve our history/traditions
- Restore economic vitality and tourism following the COVID-19 Crisis
- Bolster code enforcement and increase open space to protect neighborhoods
- Preserve "Old Town"
- Demand excellence in design, architecture and landscaping
- Address strategic challenges of our rapidly aging population
- Form a community partnership to address the impacts of rising housing costs
- Support public education by adding an Education Element to our 19 year old General Plan
- Support our world-class Police and Fire heroes

**Vote John Little for both Preservation AND Progress.**

I'm running to restore trust in our City Council and to represent *all* Scottsdale citizens. In the last two years, citizens have been so upset with the Council majority's failure to listen that they initiated two ballot measures (Protect Our Preserve, Southbridge 2) so citizens would have a say in Scottsdale's future. We must elect Council members who listen to citizens' views so these uprisings aren't necessary!

I served as Treasurer of Protect Our Preserve PAC, helping to save our Sonoran Preserve from commercial development. The Council majority planned a huge development in our Preserve, despite the overwhelming opposition of Scottsdale citizens. Our PAC put the issue up to a citizen vote which saved the Preserve, and I was proud to play a significant role in that effort.

I strongly disagree with those favoring growth at all costs. I'm not opposed to growth in Scottsdale, but I support *thoughtful growth*--balancing development with open spaces and views; controlling height, density, and traffic; and, above all, *always* preserving and enhancing the unique character of Scottsdale and its neighborhoods.

From 2016-2020 the same four Councilmembers have voted for EVERY major project, and have repeatedly changed zoning regulations to favor developers. We must seat new Councilmembers who prioritize residents, not developers, and who respect the desires of all residents and businesses.

I will:

- Always protect our Preserve
- Fully fund police and fire
- Support tourism, our lifeblood, while building healthcare and other leading industries
- Restore long-term financial solvency; continue low tax rates
- Require that development cover the full costs of infrastructure and services.

My experience as a trial lawyer in understanding complex legal issues and sophisticated economic analyses will help me make fact-based decisions benefitting the long-term future of Scottsdale.

I have been endorsed by former Mayor Mary Manross and by Councilmember Kathy Littlefield.
