

## Glossary

### **Solid Waste Fund**

This fund accounts for the transactions related to the city's solid waste and recycling business activities.

- Solid Waste Fees include residential charges which are a flat fee per month and commercial charges which are based on the size of the container and the number of pickups per month. Additionally Solid Waste Rates include roll-off charges, uncontained service charges, recycling program charges, and household hazardous waste collection charges.

**Internal Service Funds** are used to account for the financing, on a cost-reimbursement basis, of commodities or services provided by one program for the benefit of other programs within the city. The report includes three Internal Service Funds to account for Fleet, Risk, and Benefits activities.

### **Fleet Fund**

This fund is used to account for the expenditures associated with purchasing and maintaining the city's vehicles. Replacement and operation of vehicles are charged to the city departments as internal operating costs to each program based on the quantity and type of vehicle used. The department charges become revenue to the Fleet Fund.

### **Risk Fund**

This fund is used to account for the city's self-insurance, safety and risk management functions. Revenue to this fund is derived from internal charges to division programs and is captured as internal rates. Payments for unemployment, workers' compensation, and property and liability claims are made from this fund

### **Benefits Self Insurance Fund**

This fund is used to account for the city's self-insured medical and dental benefits. Revenue to this fund is derived from premiums collected through charges to division programs, which consists of both city and employee components. Revenue is also collected through pharmacy rebates and stop loss insurance recoveries. This fund provides payment of actual healthcare expenses (medical, prescription and dental claims) as well as claims administration and other benefit plan expenses.
