How do we compare with our neighbors?

Scottsdale is part of the Phoenix metropolitan area, and taxes and rates vary across the eight largest cities. Scottsdale's rates are lower than all but two or three of the largest cities. Scottsdale's rates are also at or below last year's levels.

City property tax on a \$250,000 house

This is the amount of city-only property tax on a home assessed at \$250,000 in area communities. About 10 percent of the total tax bill goes to the city. The rest goes for public schools, the county, and other special districts.

What does it cost to run the city and how are those costs paid?

Scottsdale is required by law to adopt a budget each year, and cannot spend more than that total amount. This includes all city funds for the fiscal year ending June 30. These amounts were as adopted by the City Council in June 2016. The city's financial statements are audited annually by an independent auditor. The most recent audit for 2015 received a clean opinion.

What are our priorities for Fiscal Year 2016/17?

The city's mission statement is Simply Better Service for a World-Class Community. In addition to the city's six long-term strategic goals, the Scottsdale City Council has also identified six priorities relating to revitalizing McDowell Road, tourism and visitor events, economic development, transportation, fiscal sustainability, and a high performance organization. Selected objectives to advance strategic goals or short-term priorities are listed below.

Preserve Meaningful Open Space

- Acquire two parcels in the Pima/Dynamite area for future trailhead facility and major wash corridor protection
- Start planning for a trailhead at Pima and Dynamite roads and planning trails for the area

Support Economic Vitality

- Increase small business activity at the Eureka Loft through training and mentorship programs, expanded marketing and outreach, and a comprehensive small business support program
- Several Downtown projects will improve walkability and access to persons with disabilities, add street lights, address decorative lighting safety and reliability by adding electrical outlets, and build additional public restrooms

Enhance Neighborhoods

- Work will begin to relocate Fire Station 603 (McCormick Ranch area), renovate Fire Station 605 (75th Street and Shea Boulevard) and design and build Fire Stations 613 (Desert Foothills) and 616 (Desert Mountain)
- Drainage improvements will provide 100-year flood protection and eliminate the need for mandatory flood insurance for the structures in the Granite Reef Wash corridor between Thomas and McKellips roads

Advance Transportation

- Continue paving program designed to restore the average condition of city streets to the high standard attained prior to 2008
- Rebuild a portion of Redfield Road, 76th Place, Acoma Drive and 78th Way to create the extension of Raintree Drive west of Hayden Road

Seek Sustainability

- Install approximately four miles of large diameter water transmission main in the Frank Lloyd Wright corridor
 east of the Loop 101 and upgrade a booster station in the area to improve the capacity and pressure in the east
 Shea service area
- Evaluate options for ensuring employee benefit programs are cost effective, competitive and desired by employees
- Install a two megawatt renewable solar energy system at the Water Campus to provide more than 10 percent of campus energy needs and reduce city utility costs

Value Scottsdale's Unique Lifestyle and Character

- Conduct citizen survey to evaluate effectiveness of city services and programs and gauge citizen satisfaction
- Hold Canal Convergence celebration of Public Art on the Arizona Canal banks, Feb. 25-28, 2017
