

Hello and welcome to the 2023 City of Scottsdale Summer Recreational Dive Team! We are looking forward to an exciting summer of diving and fun! We have a great season planned and, with your involvement, it can only get better.

The City of Scottsdale Recreational Dive Team provides your child with the opportunity to thrive in a non-threatening environment, practice their diving skills, build self-esteem, make friends, and get physically fit.

Ski Pro will be on-site during the first week of practice to assist you with team suit fitting and orders. Swim accessories such as dive shammies will also be available for purchase during this time.

Daily practices, weekly meets, collaborating with teammates, learning self-discipline, and working towards new goals are just some of the aspects of being a member of this team. Getting involved will make your summer dive team experience that much more worthwhile.

Good luck this summer and we look forward to meeting you and your family!

Have a safe and fun summer!

City of Scottsdale Aquatic Management Team

Welcome to Recreational Diving

The City of Scottsdale Summer Recreational Dive Team is organized to serve the recreational needs and develop the potential of young athletes who are interested in furthering their diving abilities. Divers will enhance physical coordination and fitness through consistent practice and training while developing proper diving skills. Practicing with the same group of divers everyday will encourage team spirit and gradual improvement will inspire higher self-esteem with each individual member.

Recreational teams are designed to be faster paced and have a larger number of participants than our learn-to-dive lessons. The Recreational Dive Team program is not intended to take the place of dive lessons but rather build on those skills already learned in classes.

Family participation is highly encouraged and always appreciated at meets and is an integral part of the Recreational Dive Team experience. Family members may become supportive spectators, volunteer to help score, or help conduct various activities with the assistance of the dive coordinator.

Our Goal

It is the goal of the Recreational Dive Team program to enhance present abilities and encourage young athletes to gain additional skills throughout the course of the summer. Each diver will be taught the basics of recreational diving while participating in rigorous and organized practices. The participants will also learn sportsmanship, self-discipline, and fitness from regular training and competitions. Each diver will gain a skill that has life-long benefits such as obtaining an understanding of the pride that comes with accomplishment and learning the value of being part of a team.

Getting Started

Divers must be able to demonstrate a three-step forward approach and hurdle, a back jump, and both a front and back fall in from the 1m diving board.

Divers must be a minimum of 6 years of age to participate on the Recreational Dive Team. Age for dive meets shall be determined by the age of the participant on the first day of practice.

The following are the age groups for dive meets:

8 & under	9-11	12 and older
-----------	------	--------------

In the event that a participant is not ready for the recreational team, arrangements can be made to place him or her in a more appropriate level.

No child shall swim without registration fees paid in full. Registration fee for residents is \$120 and \$180 for non-residents. All program refunds shall be prorated up to and including the 2nd class. **There will be no refunds after the 2nd class date.**

What you'll need

It is not mandatory to buy a team suit, but your diver should be able to workout comfortably in an appropriate suit. Sunscreen, towel, and water should be brought to practice daily.

Dive Meets

In order to encourage social distancing and avoid large crowds, all dive meets will be inter-squad meets this summer. Inter-squad meets are when participants compete against their own teammates as opposed to visiting another pool.

Inter-squad Meets:

These meets will only involve one pool's dive team competing against each other. Each diver will be scored on the dives that were focused on during that week's practice.

General dive meet guidelines will apply for intersquad meets.

3 Meter Meets:

These meets are **only for the 10-11 age group and 12 and over age group**. The same rules apply for the 3 Meter meet as the dual meets and inter-squad meets.

Communication & Questions...

A special thanks to CDS for assisting with coaches trainings:

Clavadistas del Sol (CDS) is a non-profit amateur diving program. Divers compete at the local, regional, national, and international level. Your (child's) level will be determined at tryouts.

CDS conducts practices at Cactus Aquatic and Fitness center on a year round basis.
