The Maricopa Trail is a 315 mile long trail that loops the Phoenix Metro area and links nine of Maricopa County's Regional Parks. In this area of the Preserve, various Preserve trails carry the Maricopa Trail designation (***). For more info please visit Maricopa County Parks, Maricopa Trail.

EMERGENCY MARKERS
These markers are located on sign posts throughout the Preserve, and are labeled on the map. Each marker has a unique combination of letters and numbers. If you need help, reference the nearest marker to assist emergency personnel in identifying your location. **

TRAIL SEGMENT LENGTHS
The trails in the Preserve are comprised of segments divided between emergency markers. Each segment is labeled with the length in miles. These lengths are rounded to the nearest tenth of a mile. As you plan your journey, add the segment lengths together to determine the total length of your route.

ELEVATION ABOVE SEA LEVEL
Each emergency marker, trailhead, and scenic point is labeled on the map with the elevation above sea level. Use these labels to understand the elevation change along the trail segments you plan to travel. You can get an idea of the trail segment difficulty by determining the amount of elevation change you will experience along the length of that segment.
