A Better Way for Brush & Bulk
Please separate your brush and bulk pickup into two piles: one for green waste and one for everything else. The piles should not exceed 10 feet long by six feet wide by four feet tall. Please place the bulk waste and green waste piles at least three feet apart from each other.

Nine Day Rule
Residents may place bulk/brush out for collection no sooner than nine days prior to the Monday of scheduled collections week.

Landfill Program
Through the city’s contract with the Salt River Landfill, residential solid waste customers may haul up to 2,000 pounds of trash, brush or bulk items to the landfill once per calendar week (Monday through Saturday). If you exceed one landfill use per calendar week, the charges will be reflected on your next utility bill.

For program guidelines including brush & bulk removal do’s and don’ts, go to ScottsdaleAZ.gov and search “brush bulk”
Holiday Collection Schedule
On your scheduled day of collection, please place your container out by 5:00 a.m. Our crews may come through earlier than normal.

Residential Container Repairs
Container repair requests should be utilized when a repair is needed to an existing container and are not intended for new container request or container cleaning. New containers can be purchased by calling 480-312-5600 to authorize payment for new containers. Please note that container repair/deliveries are subject to request volume when calculating service date.

For more information or to submit a container repair request, go to ScottsdaleAZ.gov/EZ, find and select “Residential Container Repair”

For additional information about our residential services, go to ScottsdaleAZ.gov and search “solid waste”
