

ALIXANDRA BLUE “Bluechella” SAFETY PROTOCOLS

Alixandra Blue is committed to upholding any and all ADHS/CDC Guidelines in all recommended areas. Our company and local vendors for the day, have and will continue to make this a priority.

1. Hand hygiene and Face Coverings- Will require Vendors to have hand sanitizers at all tables, while wearing proper facial coverings at all times. Nose and mouths must be covered. Signage will be displayed regarding social distancing procedures.
2. ADHS/CDC Masks guidelines and the Citywide Mask Mandate, which went into effect on January 13, 2021 will be adhered to and enforced to all in attendance. Signage will be displayed at the entrance and throughout the parking lot. Masks will be provided to those trying to enter without one. Vendors will not sell any items to those without masks!
3. Training of Proper Protocols of ADHS/CDC guidelines will be taught for all Staff and Vendors.
4. Vendor Booth Protocols will be followed as stated on the CDC/ADHS Guidelines – Our goal is to do less exchanging of payment options, distancing amongst customers, cleaning and disinfecting locations in between customers. Also, we are limiting 5 customers to a vendor at one time.
5. Vendor Tents will have 9’ buffer between each one.
6. Alixandra Blue will have 5 additional staff Members to enforce masks and social distancing. We will hold Vendors accountable to enforcing this as well!
7. No food or beverages will be sold at this event.
8. Parking lot will be roped off except for the entrance/exit so we can enforce mask wearing of those entering.

VENDOR PROTOCOLS –

Masks are required per city requirements. We do take into account non-COVID Health issues. Any medical issues will be handled per city requirements. The city’s proclamation requires all attendees at an event to wear a mask and if a medical issue prevents wearing a mask, then a full face shield must be worn. If someone refuses, they will need to leave and not permitted in.

- Hand Sanitizers will be accessible at each table
- If sick, asked to stay home
- Staff and vendors will be required to fill out a COVID19 questionnaire the day prior. Stating that they are symptom free and have not recently been exposed prior to being allowed to the event.

RESTROOMS:

Public restrooms for both Vendors and Customers are located nearby (please see site plan) on 5th Ave.

Alixandra Blue is very Serious to upholding all ADHS/CDC Guidelines.
