## COVID-19 Safety Plan

We are following all health and governmental authority recommendations from the CDC, ADHS, and Maricopa County face covering mandate. For the safety of tour attendees, staff, and participants, we are implementing the following protocols:

- Masks /face coverings are required. Everyone on tour must be wearing a mask and is enforced when checking in at the walking tour starting point (hotel). We'll have extra masks on hand for anyone who arrives without a mask and we will enforce during the tour, including indoor establishments such as Chadwick's where restrooms are available. This requirement will be relayed to the participants through email messaging and signage on site.
- Hand sanitizer will be made available at the Hotel Valley Ho (check in and starting point) both inside and outside before starting the tour. Hand sanitizer stations will also be present at two points along the walk, including the public patio of Chadwicks and on the public patio of El Dorado.
- Physical 6' distancing required. We are asking that attendees maintain a 6' physical distancing from those not in their group. This is also being managed by staggering the tour groups to 5 or less people every 10-15 minutes. Messaging will be done through email and on site signage reminding people to stay 6' apart. Attendees will also be instructed to keep moving during the walking tour (no gathering and stopping).
- This is a self guided walking tour. Attendees will be asked to stay home if they feel sick. All staff and holiday light participants will be asked to stay home if they feel sick and to wash hands frequently and use hand sanitizer as needed.
- Frequent cleaning and disinfecting of high touch-points – there are no areas
- Limited touch points – this is held outside at registrants own pace. They are provided a separate bag at time of check in which includes the walking map and audio guide.
- One to two staff will be present during each nightly tour walking the route and enforcing compliance with masks and physical distancing.
