THE PRESERVE

The City of Scottsdale’s McDowell Sonoran Preserve encompasses over 30,000 acres of permanently protected Sonoran Desert and mountains. It is home to a magnificent array of desert adapted plants and animals, and affords stunning views of the McDowell Mountains.

The Scottsdale Preserve also boasts an interconnected network of over 215 miles of trails for hiking, mountain biking, and horseback riding. Trail maps are available free of charge at all major trail heads, and can also be downloaded by visiting ScottsdaleAZ.gov and searching ‘Preserve maps.’

The trails can be accessed from one of eight major trail head facilities, and are open sunrise to sundown. Amenities vary at each trail head; visit the City’s website for more details.

The Preserve is divided into two primary regions – the Southern and Northern.

- The **Southern Region** is home to the McDowell Mountains, and contains some of the steeper and more challenging trails of the Preserve. The trails of the southern region are very rocky, so be sure to wear sturdy footwear.
  
  **Trail heads:** Sunrise, Lost Dog Wash, Gateway, Tom’s Thumb

- The terrain of the **Northern Region** is much mellower, comprised mainly of rolling desert topography, punctuated by a series of smaller mountains. The trails are much smoother than the south, with dramatically less rock. Because of these characteristics, the Northern Region is very popular with mountain bikers and equestrians. For mountain biking and horseback riding, there are a number of larger loops you can create using trails such as High Desert, Hawknest, Stagecoach, and The Divide.

  **Trail heads:** Pima Dynamite, Brown’s Ranch, Fraesfield, Granite mountain

PINNACLE PEAK PARK

Pinnacle Peak Park features a moderate out-and-back trail through the pristine Sonoran Desert environment. The park is a total of 150 acres, and the trail length is 1.75 miles, one way. It’s a great hike for all ages and activity levels – with fantastic views!

Visit ScottsdaleAZ.gov and search ‘Pinnacle Peak Park’ for more information about the park, trail information, hours and more.

*Dogs are not allowed on the Pinnacle Peak Park trail.

COMMON MAMMALS YOU MAY SEE AT THE PRESERVE:

- **Bobcat**
- **Coyote**
- **Desert Mule Deer**
