

# Device Sharing Report

Date: October 7, 2019  
To: Honorable Mayor and City Council  
Through: Jim Thompson, City Manager  
From: Brent Stockwell, Assistant City Manager; Susan Conklu, SR. Transportation Planner  
Subject: Device Sharing Report

---

On Nov. 13, 2018, City Council adopted Ordinance No. 4372 amending the Scottsdale Revised Code relating to bicycles and related devices, including electric bicycles and scooters. The updated ordinance took effect on Dec. 13, 2018. The City Manager was directed to share a full report following the end of the tourism season. This report provides an update on scooter-related issues in Scottsdale from Dec. 13, 2018 to April 14, 2019. In addition, updated city data has been provided through mid-July 2019.

## **BACKGROUND**

---

The ordinance specifically regulates the parking and operation of bicycles, electric bicycles, motorized bicycles, motorized skateboards, motorized play vehicles, and stand-up electric mini-scooters. The ordinance defined where these devices could and could not be parked and operated, rather than proposing regulations specific to device sharing companies. The report stated that additional regulatory measures could be taken if the ordinance measures were not enough to address most concerns.

Staff have continued to meet with device sharing companies and coordinate through email throughout the year. This includes initial meetings to provide information on city requirements prior to each company's launch (See Attachment 1), follow-up meetings to look at problem areas and violations, emails regarding specific issues, and specific restrictions related to special events. Special event restrictions include requesting removal of all scooters from an area such as Parada del Sol, Rock 'n' Roll Marathon, and the Entertainment District during event weekends, as well as designating an area for device parking during Spring Training games.

Staff also worked with residents, merchants, and property owners to address unique situations caused by device sharing companies. City transportation staff developed a map of restricted device areas and bicycle rack locations to aid companies in proper placement and operations of devices. These maps are available on the city's Open Data Portal:

- Restricted areas: <http://data.scottsdaleaz.gov/dataset/restricted-bike-and-scooter-areas>
- Bike rack locations: <http://data.scottsdaleaz.gov/dataset/bike-rack-locations>

In addition, staff created a frequently asked question page for the public, which also included information on how to report concerns: <https://www.scottsdaleaz.gov/codes/bike-scooters>

## **USE OF SCOTTSDALE EZ SYSTEM FOR COMPLAINTS**

---

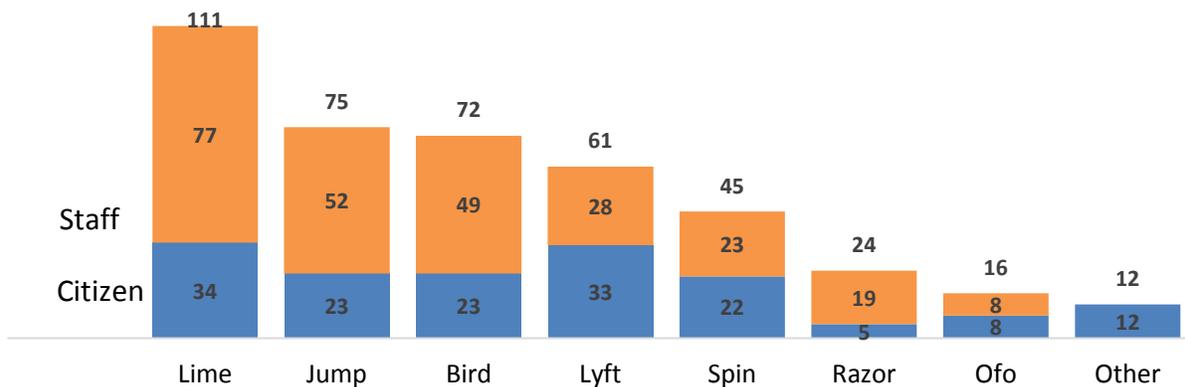

The City of Scottsdale has an online mobile-optimized web application for people to report issues to the city. This system is called ScottsdaleEZ. The system is also used to track complaints about shared device

## Scottsdale Device Sharing Report

parking. The ScottsdaleEZ system received 419 reports throughout the season and summer (December 13, 2018 to July 15, 2019), of which 256 (61 percent) were reported by three city staff team members (Attachment 2). The city also provides a way for the public to also report issues through 480-312-RIDE during business hours, which transfers them to the Call Center. From there, staff enters the information into ScottsdaleEZ for the caller. This system is also set to automatically notify the device sharing company-provided contacts whenever an EZ report is submitted. There is a feature where the company contacts can update and close out reports after they address and resolve each issue.

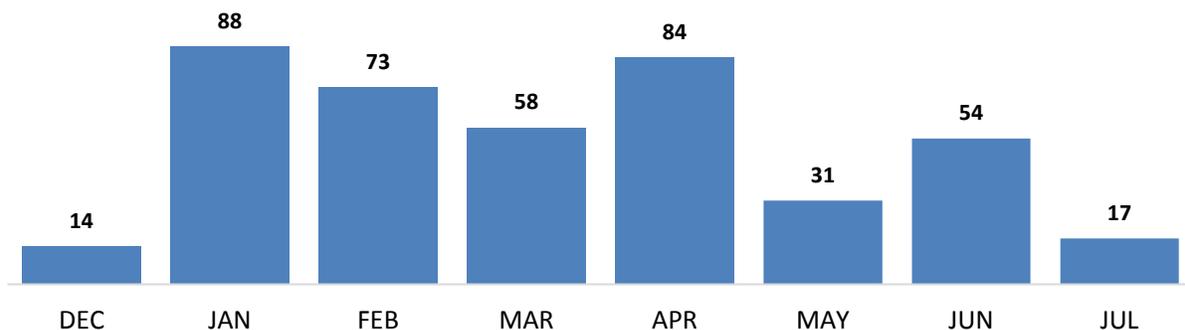

Chart one shows how many violations were reported to each company, with Lime receiving the most. Chart two lists the number of reports related to shared devices generated each month. January and April experienced the highest number of ScottsdaleEZ reports. Chart three displays the types of violations that were reported. Parking Where Prohibited, was reported the most frequently. This violation includes parking on a sidewalk, in a landscaped area, as well as blocking access to curb ramps and pedestrian push buttons.

**Chart One: ScottsdaleEZ Reports by Company.** This chart shows how many ScottsdaleEZ reports were generated for each company, how many were generated by city staff and how many by the public.

**Note: December was Dec. 13 – 31 and July was July 1-11 only.**

**Chart Two: ScottsdaleEZ Reports by Month.** This chart shows scooter-related reports by month. **Note:**

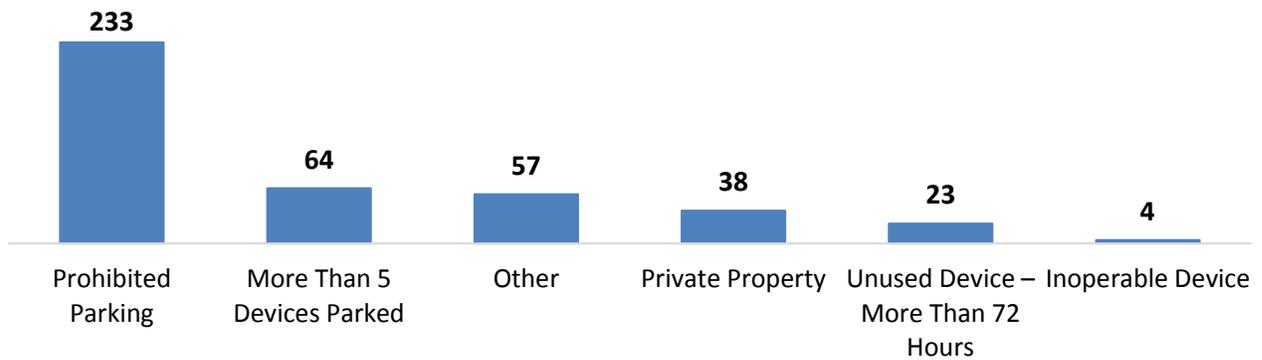

**December was Dec. 13 – 31 and July was July 1-11 only.**

## Scottsdale Device Sharing Report

---

**Chart Three: ScottsdaleEZ Reports by Violation.** This chart shows reports by category of violation.

**Note:** December was Dec. 13 – 31 and July was July 1-11 only.

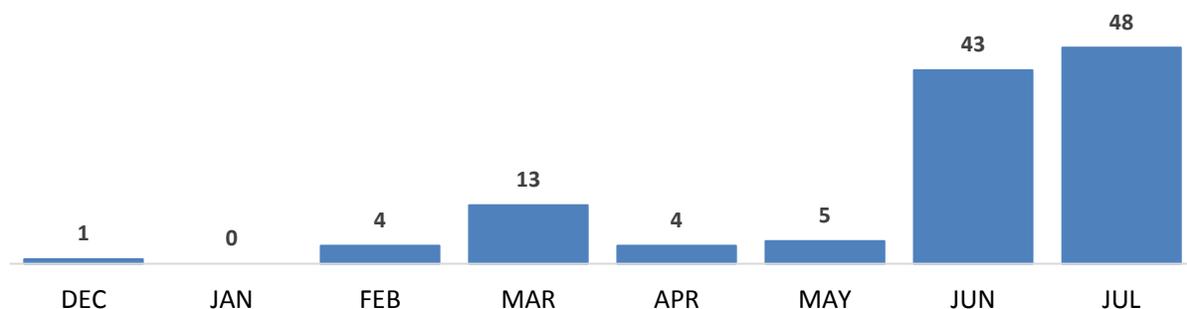

### ***POLICE DEPARTMENT CALLS AND CITATIONS***

---

During Spring Training, the Scottsdale Police Department provided education to scooter riders on three weekends. This included education on where to park and details about traffic laws for scooters. During the third weekend, police issued some citations near Scottsdale Stadium for offenses like riding scooters while intoxicated and reckless behavior.

From Dec. 13, 2018 through July 13, 2019, Police calls related to scooters included at least 113 citations and five arrests (see Chart four and Attachment three). Of these, 92 (81 percent) were for parking violations, the rest were for moving violations, such as reckless riding, riding under the influence, failure to yield or failure to obey traffic control devices. The city has not impounded scooters for logistical reasons, including limited staff resources and no approved fee structure for relocating or impounding scooters. Staff is proposing a fee of \$25 for relocating scooters and \$50 for impounding each scooter.

**Chart Four: Police Citations and Arrests by Month.** This chart shows how many scooter-related citations and arrests occurred each month.

**Note:** December was Dec. 13 – 31 and July was July 1-13 only.

## Scottsdale Device Sharing Report

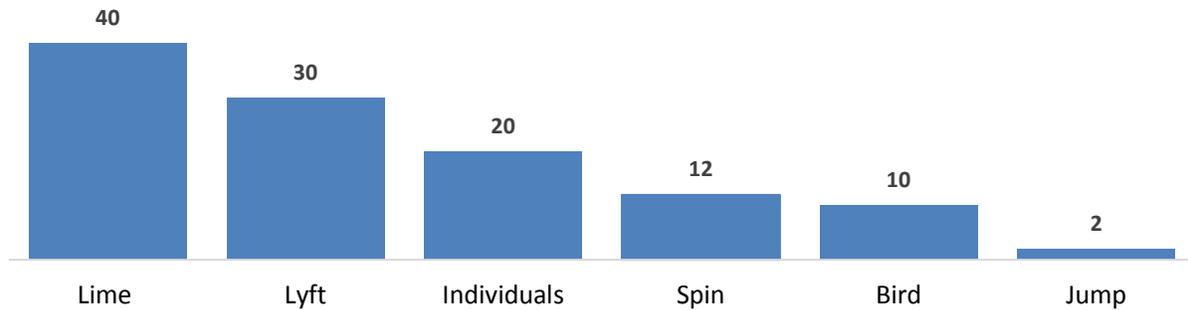

---

### ***COURT FINES***

---

From Dec. 13, 2018 through July 13, 2019 there were 114 citations filed, including one filed by the prosecutor. At that time, 49 had been adjudicated, 65 were still pending, \$9,295.80 had been assessed and \$8,364.00 had been paid. In all, five companies and various individual riders received citations.

**Chart Five: Court Cases by Company.** This chart shows how many scooter-related citations were filed with the Scottsdale City Court by company.

**Note: December was Dec. 13 – 31 and July was July 1-13 only.**

### ***FIRE DEPARTMENT CALLS***

---

The Scottsdale Fire Department reported 89 total calls for service involving rental scooters which had caused an injury and required an emergency medical service response between Dec. 13, 2018 and July 18, 2019. Of the total, 67 patients were treated and transported to a local hospital, with the remaining 22 refusing further care on scene or transportation to a local hospital by ambulance. During that same period, there were 15,989 total EMS incidents. Scooter calls reflected about 0.56 percent of all EMS calls. The city does not have data related to the final disposition of the patients transported to the hospital.

### ***INJURIES***

---

HonorHealth Emergency Department's trauma program director provided information about all trauma patients with scooter-related injuries at the HonorHealth Osborn trauma center from Jan. 1, 2018 to Aug. 22, 2019. During this period, there were 116 cases- 40 were female and 76 were male. The average age was 26, but patients ranged from 14 to 84 years old. The length of stay ranged from one to 19 days. Five patients were transferred from the emergency department to the operating room. There were 66 patient cases in which alcohol was involved. Only two patients reported using helmets.

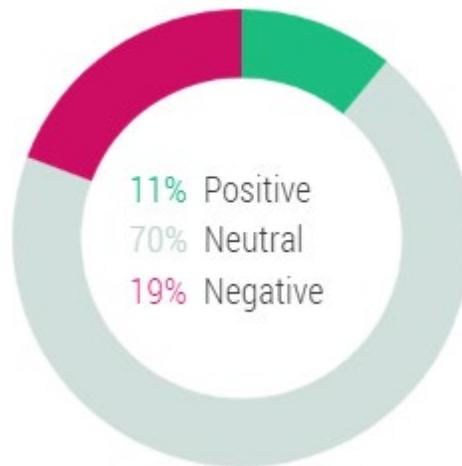

In addition, in April 2019, a study was published by the Public Health and Transportation Departments in Austin, Texas in association with the Centers for Disease Control and Prevention. During the three-month study period, there were nearly one million scooter trips in Austin. On average, the study showed that 20 individuals were injured per 100,000 scooter trips taken. The study findings can be summarized as: wear a helmet, don't ride too fast, be careful when riding in the street and be extra careful if you are a new rider. The report is at: <http://www.austintexas.gov/news/scooter-injury-study-report-released>

**SOCIAL MEDIA INTERACTIONS (ZENCITY)**

The data presented here is from zencity, an analytics tool that analyzes public social media posts and social reactions to news articles to provide insight into what people are saying in the community. The charts below show how public conversation on this topic has occurred over time. There were 2,441 interactions related to shared devices during the time period of Dec. 13, 2018 to July 15, 2019. Zencity reviews online electronic interactions in Scottsdale and uses an algorithm to categorize statements as positive, negative or neutral.

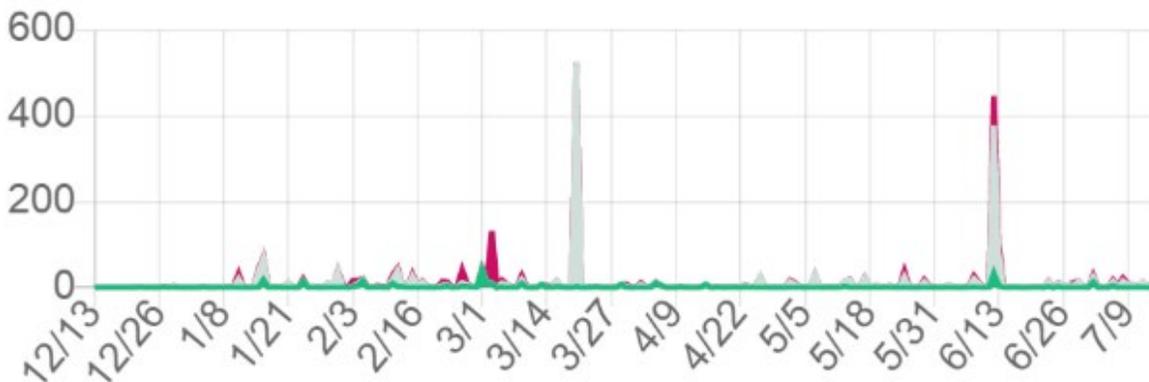

**Chart Six: Sentiment Overview.** For the initial time period, 11 percent of online interactions were positive and 19 percent negative, but the vast majority (70 percent) were neutral.

SENTIMENT OVERVIEW

**Chart Seven: Interactions over time.** This chart tracks sentiment over time to demonstrate how public sentiment changed over the identified time period. The “score” is the total number of interactions at that point. The spikes, such as those seen in March and June, show how particular news articles or posts by individuals with large social media followings have driven the conversation during those periods. One should not look at the sentiment as a foolproof objective “score,” but rather as a general indicator.

SCORE OVER TIME

## Scottsdale Device Sharing Report

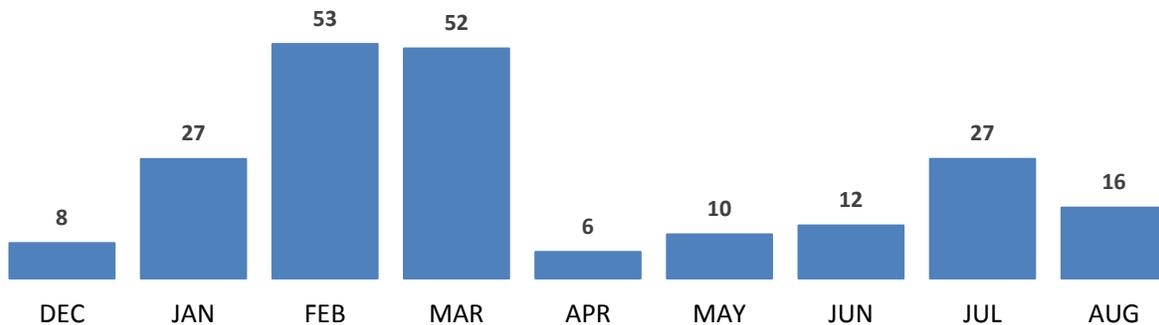

---

### CITIZEN FEEDBACK

---

The Mayor and City Council received 211 emails regarding this topic from Dec. 13, 2018 to Aug. 16, 2019. These 211 emails reflect 29 different people. A few of these were from scooter companies. Most were from citizens and merchants giving comments ranging from operational issues to asking for bans on scooters.

**Chart Eight: Emails to Mayor and City Council by Month.** This chart shows scooter-related emails by month.

**Note: December was Dec. 13 – 31 and August was Aug. 1-16 only.**

### RIDERSHIP DATA

---

The city requested data from device sharing companies regarding their operations in Scottsdale from Dec. 13, 2018 through April 14, 2019. Because the city does not have contractual relationships requiring the provision of data, it was voluntarily provided by the following companies: Bird, Lime, Lyft, Razor and Spin. Uber/Jump did not respond to requests to provide data on usage but was no longer operating in Scottsdale at the time the request was made. Table One shows a summary of the data for the five companies that participated. Table Two lists data for each company. The total days of operation varied for each.

**Table One: Summary of Self-Reported Data from Companies**

Company Data	Total
Total number of rides (five of six companies)	292,408
Total miles ridden (four of six companies)	318,888
Number of unique riders	110,300
Total hours of use (on rides)	60,086
Average ride in minutes	13
Average ride in miles	1
Average number of daily rides per vehicle	1.778
Average number of rides per unique rider	2.253

## Scottsdale Device Sharing Report

---

**Table Two: Self-Reported Data for Each Company**

	Bird	Lime	Razor	Lyft	Spin
Days of operation	122	122	120	80	46
Average number of vehicles deployed	2,197	700	167	660	531
Total number of rides	106,446	134,708	5,571	33,000	12,683
Total miles ridden	91,672	170,000	Unavailable	39,000	18,216
Number of unique riders	45,575	40,689	2,899	15,000	6,137
Total hours of use (on rides)	21,439	26,941	1,407	8,000	2,299
Average ride in minutes	12.0	12.0	15.0	14.5	10.9
Average ride in miles	0.9	0.8	Unavailable	1.2	1.4
Average number of daily rides per vehicle	4.6	1.6	1.0	1.2	0.5
Average number of rides per unique rider	2.3	2.7	2.0	2.2	2.1
Peak days and peak hours	Unavailable	Fri., 4-9 p.m.; Sat., 12-9 p.m., Sun., 12-7 p.m.	See tab	Sat/Sun early evening	Sat & Sun and 3-5 PM
Customer revenue during this period of time – per use, per minute	Unavailable	\$4.17/trip, \$.34/min.	\$20,620 total	Unavailable	\$4.74/use, \$.44 per min.

### **STAFF IMPACTS**

---

Staff from multiple departments coordinated extensively on shared device issues since April 2018. This required a considerable amount of time away from other duties.

The staff team was comprised of an assistant city manager, sr. assistant city attorney, police commander, police lieutenant, police community action officer, sr. transportation planner, transportation director, old town specialist and citizen service supervisor. The team met with each company before they started operations in Scottsdale to discuss improvements needed to the scooter program and to draft this report.

## Scottsdale Device Sharing Report

---

These staff members continue to communicate with representatives from each company, meet internally several times each month, correspond throughout the day as issues arise and personally report violations using ScottsdaleEZ.

### **KEY ISSUES**

---

There are several issues to consider as the city updates regulations for devices.

1. Should scooters be treated the same or differently from bicycles? Treating them differently could cause confusion with the users and the general public. In addition, the state statute passed in 2019 presumes that scooters are to be treated similarly to bicycles. Since these devices are only occasionally used for relatively short periods of time, the city should ensure regulations are not overly complex.
2. How far should Scottsdale go to protect the public from themselves? Requirements for wearing helmets, dual riding, age restrictions and insurance requirements for companies have been debated in some cities. However, these are issues typically covered in state vehicle regulations, rather than city ordinance. Further regulation of these issues may result in attempts at state legislative preemption.
3. Will regulations withstand changes in devices over time? Scottsdale should anticipate the changes in types of devices over time and how regulations can adapt to new devices in the future. For example, bike share came first and quickly left, then scooters and now sit-down scooters. What types of devices might be deployed in the future and can regulations withstand the test of time?
4. Some devices are under private ownership by residents and are not shared devices. As the city considers further regulating shared devices, regulations for privately-owned, personal-use devices should remain in place.

### **RECOMMENDATIONS**

---

Staff discussed the next steps the city could take to address issues which emerged during the initial ordinance period and has developed a draft ordinance for public comment (Attachment Five). Staff is scheduling discussion and possible action on these matters later in 2019. The proposed draft ordinance includes the following:

1. **Updates to Conform with State Law<sup>1</sup>**. The name and definition of devices was changed to “electric scooter” from “stand-up electric mini-scooter” to conform with state law (Sec. 17-76). In addition, a new definition for electric miniature scooter was added (Sec. 17-90).

---

<sup>1</sup> City staff were involved with the drafting of legislation with the goal to preserve local authority to regulate these devices. At one point, there was preemptive language included, but cities were able to keep this language out of the final bill. In August 2018, the Arizona State Legislature passed legislation that takes effect in August 2020 and grants operators of electric scooters the same rights as operators of bicycles, except where further regulated by the local government. Under the current statute, a person riding a bicycle in a bike lane, or when there is no bike lane on a roadway’s shoulder, is granted all of the same rights and privileges as the driver of a vehicle (e.g. right-of-way) and is subject to all of the same duties (e.g. signaling turns, avoiding pedestrians, etc.) except for certificate of title, registration, vehicle license tax, emissions inspection, driver license, vehicle insurance, and safety equipment for motorcycles (e.g. helmet) requirements. The new law allows local authorities to adopt ordinances further regulating or prohibiting the operation of electric scooters except for requiring registration and licensing such as with motor vehicles. The new law allows electric scooters to be used on multiuse paths if allowed by the local authority.

## Scottsdale Device Sharing Report

---

2. **Impoundment.** An impoundment fee of \$50 and a relocation fee of \$25 for devices relocated or impounded by city staff. Although the original ordinance authorized city staff to impound or relocate devices, no fees were established at that time (Sec. 17-78).
3. **Parking and Placement.** A requirement that the devices only be parked in an upright position and in bicycle racks or designated parking areas on public property. While the original ordinance directed devices to be placed in these areas, it allowed them to be placed anywhere where they weren't otherwise prohibited by the ordinance resulting in confusion. Standards would need to be developed for designated parking areas (Sec. 17-85).
4. **Hours of Operation.** To enhance safety, hours of operation prohibit all electric scooters from being ridden or operated from 11 p.m. to 6 a.m. This is the same period of operational restriction as pedal buses (Sec. 17-86(d)).
5. **Underaged Riders.** Require riders under 16 to have written permission from a parent or guardian. This is similar to restrictions that companies place on riders but would be enforceable by the City of Scottsdale (Sec. 17-86(e)).
6. **Device Usage on Sidewalks in Old Town.** Most of the identified problems regarding scooter usage have occurred in Old Town Scottsdale. Most sidewalks in Old Town are not of sufficient width for pedestrians, bicyclists and scooter users. As a result, the draft ordinance requires dismount zones on sidewalks in the Transportation Safety Zone, which includes most of Old Town Scottsdale (Attachment Six). This would result in devices being used in the travel lane on Scottsdale Road, Drinkwater and Goldwater Boulevards even though those streets do not have bike lanes (Sec. 17-86(f)).

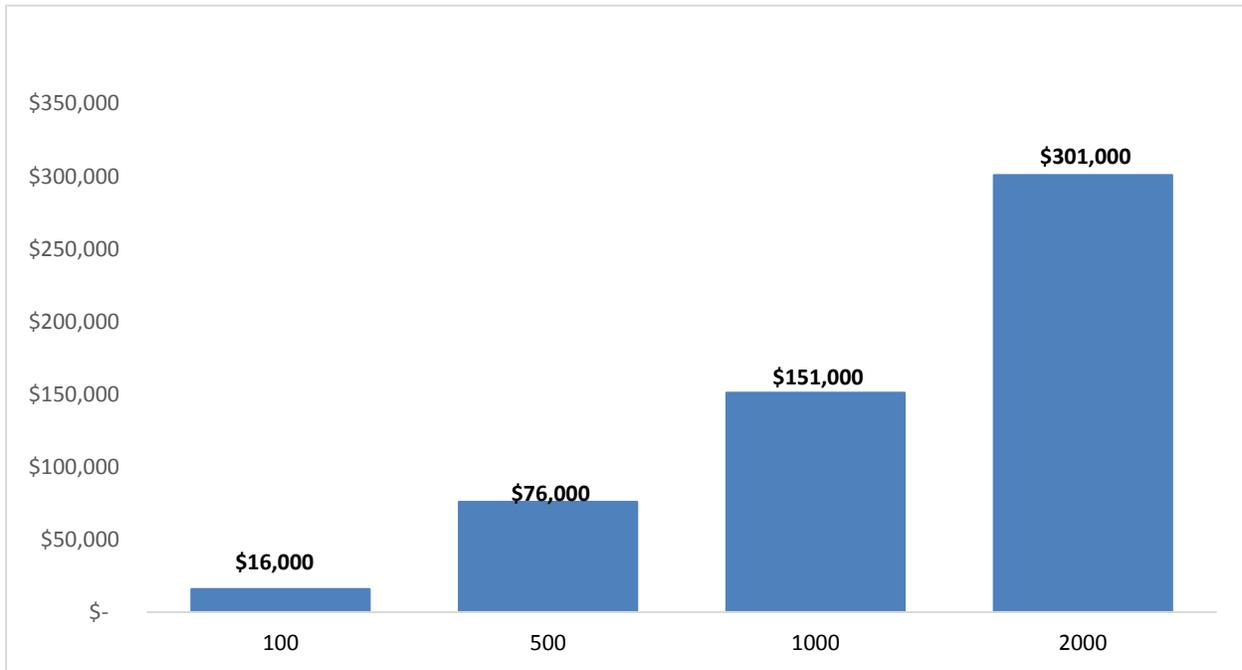

### Additional Issues for Future Consideration:

**Licensing and Permitting.** The city could consider creating a regulatory license for device placement, parking and usage on public property. This license would be similar to the license required for valet parking on public property. This could include charging each company an annual licensing fee (\$1,000/year?) and a non-transferrable annual permit for each device (\$150/year?). Such a regulatory license would require the companies to have insurance and indemnify the city. A Rider Education Plan could also be required for safety education on the operation and parking of devices. Companies could also be required to provide location and usage data to the city. The license would be revocable if companies failed to comply with ordinance or licensing requirements. Along with licensing, additional city staff would be needed for device parking enforcement and administrative costs. This could be funded by fees collected through the license program. An estimated range of potential revenue which could be collected at different levels of device placement in Scottsdale is provided in Table Three below.

**Table Three: Proposed Fees**

Devices	License Fee	Per Device Fee	Device Fee Total	Total Annual Fees
100	\$1,000	\$150	\$15,000	\$16,000
500	1,000	150	75,000	76,000
1000	1,000	150	150,000	151,000
2000	\$1,000	\$150	\$300,000	\$301,000

**Chart 9: Total Annual Estimated Proposed Fees Based on Number of Devices**

Alternatively, if the city does not want to license and permit devices, another option would be to prohibit the placement of devices for sharing/rental on public property, allowing them to operate, but only if offered for rental and return on private property, such as a kiosk, at a hotel or at bike rental shops. This is complicated because some riders may want to park temporarily in racks on public property. Finally, the city could ban the devices, but this would also impact privately owned devices.

## CITY MANAGER'S OFFICE

Brent Stockwell, Assistant City Manager  
3939 N. Drinkwater Blvd.  
Scottsdale, AZ 85251

PHONE 480-312-7288  
WEB [ScottsdaleAZ.gov](http://ScottsdaleAZ.gov)

---

### So, you want to start operating a bicycle or scooter sharing service in Scottsdale?

1. The bicycle and related devices ordinance (Ordinance No. 4372) took effect Dec. 13, 2018 and allows for bike share and e-scooter use in Scottsdale. Go to [ScottsdaleAZ.gov](http://ScottsdaleAZ.gov) and search "bicycle ordinance" Here are some key provisions:
  - Keep sidewalks open for pedestrians: Do not park devices on public sidewalks in areas that obstruct the portion used primarily by pedestrians.
  - The owner is required to keep devices properly parked: The owner – whether an individual or a company – is responsible for making sure their devices are parked properly. Devices should be parked in racks or designated parking areas.
  - Devices should be operable and used: The ordinance makes it illegal for devices to remain at the same location on public property for more than 72 consecutive hours. Improperly parked, inoperable or abandoned devices may be impounded.
  - Don't park too many devices together: To reduce the amount of visual clutter, the ordinance seeks to properly space parking of devices – a maximum of 5 devices from the same owner can be parked within 200 feet of each other.
  - Respect private property: Devices can only be on private property with permission of the property owner (except in commercial or multi-family residential properties within common area bike racks and designated bicycle parking zones).

All bicycles and scooters, electric or otherwise, must obey traffic laws, including always yielding to pedestrians. Scooters and bicycles can be ridden on a public sidewalk, multiuse path or roadway if it is at a safe speed to avoid colliding with people, cars and objects around them.

Motorized scooters are prohibited on streets (including bike lanes) with speed limits of 40 miles per hour or greater, and class 3 electric bicycles are prohibited on sidewalks and multiuse paths.

The revised ordinance also prohibits riding electric bikes and scooters while under the influence of alcohol or recklessly. Persons violating these provisions are subject to arrest and possible jail time.

2. Before placing devices, we need your current contact information (email, phone, address) for the general public, as well as your local contact information (email, phone, address). The city has a tool for reporting devices that are parked improperly through the city's Scottsdale EZ website. Go to [ScottsdaleAZ.gov](http://ScottsdaleAZ.gov) and search "EZ". Once there, type "bike" or "scooter" into the search box and follow the prompts to make a report. The application forwards reports to staff and to the private bike- and scooter-sharing companies. People can also report parking issues to 480-312-7433 (312-RIDE) 8 a.m. to 5 p.m. weekdays.
3. Make sure you have a state transaction privilege tax license, as well as a city business license if required under Scottsdale Revised Code 16-19 (Ordinance No. 4309). Business license information is available at: <https://www.scottsdaleaz.gov/licenses>
4. Currently, the City of Scottsdale does not require a licensing agreement. Each company operating in Scottsdale has been willing to provide the API under the LA Dockless Mobility data standard, and we'd appreciate that for new companies as well: <https://github.com/CityOfLosAngeles/mobility-data-specification>

ORDINANCE NO. 4372

AN ORDINANCE OF THE CITY OF SCOTTSDALE, MARICOPA COUNTY, ARIZONA, AMENDING SECTIONS 17-76, 17-78 THRU 17-87, 17-93, 17-99 AND 17-100 AND ADDING SECTIONS 17-88, 17-89, 17-89.1, 17-89.2 AND 17-89.3 TO THE SCOTTSDALE REVISED CODE RELATING TO BICYCLES, SKATEBOARDS AND MOTORIZED SKATEBOARDS

BE IT ORDAINED by the Council of the City of Scottsdale as follows:

Section 1. Sections 17-76 of the Scottsdale Revised Code is hereby amended as follows:

**Section 17-76. Definitions.**

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

*Bicycle* means every device propelled by human power upon which any person may ride, having two (2) tandem wheels either of which is more than sixteen (16) inches in diameter or having three (3) wheels in contact with the ground any of which is more than sixteen (16) inches in diameter.

*Electric bicycle* means a bicycle or tricycle that is equipped with fully operable pedals and an electric motor of less than seven hundred fifty watts and that meets the requirements of one of the following classes:

(a) *Class 1 electric bicycle* means a bicycle or tricycle that is equipped with an electric motor that provides assistance only when the rider is pedaling and that ceases to provide assistance when the bicycle or tricycle reaches the speed of twenty miles per hour.

(b) *Class 2 electric bicycle* means a bicycle or tricycle that is equipped with an electric motor that may be used exclusively to propel the bicycle or tricycle and that is not capable of providing assistance when the bicycle or tricycle reaches the speed of twenty miles per hour.

(c) *Class 3 electric bicycle* means a bicycle or tricycle that is equipped with an electric motor that provides assistance only when the rider is pedaling and that ceases to provide assistance when the bicycle or tricycle reaches the speed of twenty-eight miles per hour.

*Electric personal assistive mobility device* means a self-balancing device with one wheel or two nontandem wheels and an electric propulsion system that limits the maximum speed of the device to fifteen miles per hour or less and that is designed to transport only one person.

*Owner* means any person holding the legal title of a bicycle, electric bicycle, motorized bicycle, motorized skateboard, motorized play vehicle or stand-up electric mini-scooter or any person who is a lessee, conditional vendee or mortgagor of a bicycle, electric bicycle, motorized bicycle, motorized skateboard, motorized play vehicle or stand-up electric mini-scooter with a right to

immediate possession.

*Motorized bicycle* means a motorized gas powered bicycle or tricycle that is equipped with a helper motor that has a maximum piston displacement of forty-eight cubic centimeters or less, that may also be self-propelled and that is operated at speeds of less than twenty miles per hour.

*Pedestrian through zone* is the portion of the sidewalk used primarily by pedestrians for travel, accessing transit or buildings.

*Stand-up electric mini-scooter* means a self-propelled device which has an electric motor, a deck on which a person may ride, at least two (2) tandem wheels in contact with the ground, handle bars, brakes and does not exceed 20 miles per hour and which is not otherwise defined in Arizona Revised Statutes Title 28, as amended, as a "motor vehicle," "motorcycle," or "motor-driven cycle."

Section 2. Sections 17-78 thru 17-87 of the Scottsdale Revised Code are hereby amended as follows:

**Section 17-78. Impoundment.**

(a) If a Scottsdale police officer is unable to ascertain the true identity of any person deemed in violation of this article, the police officer shall be empowered to impound any vehicle or device used in the commission of the violation. The vehicle or device shall be returned to the person or his parents upon furnishing of satisfactory identification.

(b) Unlawfully parked, inoperable or abandoned bicycles, electric bicycles, motorized bicycles, motorized skateboards, motorized play vehicles or stand-up electric mini-scooters may be impounded or relocated by city employees as necessary to protect the health, safety and welfare of the public or as otherwise authorized by law.

**Section 17-79. Voluntary registration.**

(a) ~~Every~~ Any owner of a bicycle or electric bicycle may voluntarily register his bicycle with the chief of police or designee. The police registration form shall contain the owner's name, residence address and any other necessary information prescribed by the chief of police or designee, except that a social security number shall not be required. ~~social security number, provided that a child applicant shall use the social security number of a parent or guardian.~~

(b) Upon registration, a police department decal shall be affixed to the bicycle indicating that it has been registered with the police department. ~~When the decal is delivered to the registrant, the chief of police shall cause the social security number of the owner, or in the case of a child, the social security number of one (1) of his parents or guardian, to be inscribed on the bicycle.~~

**Section 17-80. Application of traffic laws.**

Every person riding a bicycle, electric bicycle, motorized bicycle or stand-up electric mini-scooter upon a roadway in the city shall be granted all of the rights and shall be subject to all of the duties applicable to the driver of a vehicle by the laws of this state declaring rules of the road applicable to vehicles or by the traffic laws of the city applicable to the driver of a vehicle, except as to special regulations herein and except as to those provisions which by their nature can have no application.

### **Section 17-81. Obedience to traffic-control devices.**

(a) Any person operating a bicycle, electric bicycle, motorized bicycle or stand-up electric mini-scooter shall obey the instructions of official traffic-control signals, signs and other control devices applicable to vehicles, unless otherwise directed by a police peace officer, police aide or other person vested with the authority to direct traffic on public highways.

(b) Whenever authorized signs are erected indicating that no right or left or U-turn is permitted, no person operating a bicycle, electric bicycle, motorized bicycle or stand-up electric mini-scooter shall disobey the direction of any such sign, except where such person dismounts from the bicycle, electric bicycle, motorized bicycle or stand-up electric mini-scooter to make such turn, in which event such person shall then obey the regulations applicable to pedestrians.

### **Section 17-82. Emerging from alley or driveway-;**

(a) The operator of a bicycle, electric bicycle, motorized bicycle or stand-up electric mini-scooter emerging from an alley, driveway or building shall, upon approaching a sidewalk or the sidewalk area extending across any alleyway, yield the right-of-way to all pedestrians approaching on the sidewalk or sidewalk area, and upon entering the roadway shall yield the right-of-way to all vehicles approaching on the roadway.

(b) The operator of a bicycle, electric bicycle, motorized bicycle or stand-up electric mini-scooter riding on a sidewalk shall yield the right-of-way to pedestrians using the sidewalk.

(c) The operator of a bicycle, electric bicycle, motorized bicycle or stand-up electric mini-scooter riding on a sidewalk shall yield the right-of-way to vehicles while crossing a driveway or intersection.

### **Section 17-83. No riding or parking signs.**

The chief of police or designee may erect signs on any sidewalk, pathway or roadway prohibiting the riding or parking of bicycles, electric bicycles, motorized bicycles or stand-up electric mini-scooters thereon by any person, and, when such signs are in place, no person shall disobey the same.

### **Section 17-84. Speed.**

~~No person shall operate a bicycle at a speed greater than is reasonable and prudent under the conditions then existing.~~

A person shall not operate a bicycle, electric bicycle, motorized bicycle or stand-up electric mini-scooter on a sidewalk, multi-use path or roadway at a speed greater than is reasonable and prudent under the circumstances, conditions and actual and potential hazards then existing. A person shall control the speed of a bicycle, electric bicycle, motorized bicycle or stand-up electric mini-scooter as necessary to avoid colliding with any object, person, vehicle or other conveyance on, entering or adjacent to the highway in compliance with legal requirements and the duty of all persons to exercise reasonable care for the protection of others

### **Section 17-85. Parking.**

~~No person shall park a bicycle upon a street other than upon the roadway against the curb or upon the sidewalk in a rack to support the bicycle or against a building or at the curb, in such~~

~~manner as to afford the least obstruction to pedestrian traffic.~~

(a) A person shall park a bicycle, electric bicycle, motorized bicycle or stand-up electric mini-scooter in a bicycle rack or in designated bicycle parking areas, or any place where it is not otherwise prohibited by ordinance, state law, federal law, signs or by a property owner.

(b) No person shall park a bicycle, electric bicycle, motorized bicycle or stand-up electric mini-scooter in any of the following places:

(1) Where prohibited by official signs or where the curb is painted red.

(2) Within a designated public transit stop, except in designated bicycle racks or designated bicycle parking areas.

(3) On a public sidewalk obstructing the pedestrian through zone, multiuse path or trail.

(4) On those roadways without curbs in a manner so as to force a pedestrian to walk in the traveled portion of the roadway.

(5) Within a designated handicapped parking stall and adjoining clear zones.

(6) In front of or within a public or private driveway or the entrance to an alley.

(7) Within any portion of a sidewalk, street, trail, or building entrance or exit that provides access to disabled persons pursuant to the American With Disabilities Act.

(8) Within fifteen (15) feet of a fire hydrant.

(9) In a pedestrian crosswalk.

(10) Within twenty (20) feet of the driveway entrance to any fire station or on the side of the street opposite the entrance to any fire station within seventy-five (75) feet of the entrance when properly posted.

(11) Within a designated turn or bicycle lane.

(12) Within the traveled portion of a roadway, including an intersection and pedestrian crossing.

(13) Within a designated no-parking zone.

(14) Within a landscaped or planted area.

(15) Within a roadway median.

(16) In front of public art.

(c) The chief of police or designee may designate or limit public areas or streets available for parking bicycles, electric bicycles, motorized bicycle or stand-up electric mini-scooters.

(d) No bicycle, electric bicycle, motorized bicycle or stand-up electric mini-scooter shall be placed on private property without permission of the owner of that property.

(e) The property owner of any non-residential property open to the public is deemed to have given

consent to unrestricted bicycle, electric bicycle, motorized bicycle or stand-up electric mini-scooter parking by the general public in designated bicycle parking areas or racks, unless such parking is otherwise restricted under the Scottsdale Revised Code, state or federal law. The property owner of any non-residential property open to the public may develop its own rules and regulations as to abandoned or unlawfully parked bicycles, electric bicycles, motorized bicycles or stand-up electric mini-scooters and may contract with private parties for the removal and impoundment of such bicycles, electric bicycles and motorized bicycles.

(f) The property owner of any multi-family residential property is deemed to have given consent to unrestricted bicycle, electric bicycle, motorized bicycle or stand-up electric mini-scooter parking by residents and authorized visitors in designated bicycle parking areas or racks, unless such parking is otherwise restricted under the Scottsdale Revised Code, state or federal law. The property owner of any multi-family residential property may develop its own rules and regulations as to abandoned or unlawfully parked bicycles, electric bicycles or motorized bicycles and may contract with private parties for the removal and impoundment of such bicycles, electric bicycles, motorized bicycles and stand-up electric mini-scooters.

(g) It is unlawful for an owner to allow a bicycle, electric bicycle, motorized bicycle or stand-up electric mini-scooter owned by the owner to remain parked in a manner not in accordance with this section on publicly owned property after receiving notification from any person of such violation.

(h) It is unlawful for an owner to allow a bicycle, electric bicycle, motorized bicycle or stand-up electric mini-scooter owned by the owner to remain parked in the same location on publicly owned property for seventy-two (72) hours or more.

(i) It is unlawful for any person including an owner to leave an inoperable bicycle, electric bicycle, motorized bicycle or stand-up electric mini-scooter on public property for more than two (2) hours after receiving notification from any person of such violation.

(j) Except as authorized by city permit, no person or owner shall place or park on publicly owned property more than five (5) lawfully parked bicycles, electric bicycles, motorized bicycles or stand-up electric mini-scooters owned by the same owner within two hundred (200) feet of each other for more than two (2) hours after receiving notification from any person of such violation.

(k) Any employee authorized to issue a notice of violation for parking violations pursuant to section 17-104(d) or the City Manager or designee may issue notices of violations and civil complaints for the enforcement of this section. Nothing in this subsection shall be construed to limit a Scottsdale police officer or the City Attorney from enforcing any other section of this Division.

(l) For purposes of this section, notification to an owner or anyone acting on the behalf of an owner is deemed complete upon sending an email to or calling a phone number belonging to the owner or its agents.

**Section 17-86. Riding in prohibited areas; class 3 electric bicycles prohibited on sidewalks; stand-up electric mini-scooters prohibited on streets greater than thirty-five miles per hour with exceptions.**

(a) No person shall ride or operate a bicycle, electric bicycle, motorized bicycle, stand-up electric mini-scooter, skateboard, roller skates or any other nonself-propelled vehicle or device, except wheelchairs or an electric personal assistive mobility device, in or upon any area having posted

signs expressly prohibiting said ~~self-propelled~~ vehicles or devices.

(b) No person shall ride, park or operate a class 3 electric bicycle on any sidewalk or multi-use path within the city.

(c) No person shall ride or operate a stand-up electric mini-scooter on a street when the street has a posted speed limit of forty (40) miles per hour or greater, except for crossing that street.

**Section 17-87. - Exceptions.**

The prohibitions set forth in sections 17-83 and 17-86 of this article shall not apply to law enforcement, fire or emergency medical officials while engaged in the performance of their official duties.

Section 3. Sections 17-88 thru 17-89.3 of the Scottsdale Revised Code are hereby added as follows:

**Section 17-88. Penalties.**

Unless otherwise provided:

(a) A first violation of this Division is a civil offense and shall be punished by a fine of not less than fifty dollars (\$50.00) per violation.

(b) A second violation of this Division is a civil offense and shall be punished by a fine of not less than two hundred fifty (\$250.00) per violation.

(c) A third or subsequent violation of this Division within one (1) year of conviction of a first violation is a class one misdemeanor and shall be punished, in addition to any other penalties authorized by law, by a fine of not less than one thousand dollars (\$1,000.00) per violation.

(d) Notwithstanding subsection c above, the City may designate third or subsequent violations of this Division as civil offenses and such violations shall be punished by a fine of not less than five hundred (\$500.00) per violation.

(e) Each day any violation of this Division continues shall constitute a separate offense.

**Section 17-89 - Refusing to provide truthful name and date of birth when lawfully detained; penalty.**

(a) It is unlawful for a person, after being advised that the person's refusal to answer is unlawful, to fail or refuse to state the person's true full name and date of birth on request of a peace officer who has lawfully detained the person based on reasonable suspicion that the person has committed a violation of this chapter. A person detained under this section shall state the person's true full name and date of birth, but shall not be compelled to answer any other inquiry of a peace officer.

(b) A person who violates this section is guilty of a class 2 misdemeanor.

**Section 17-89.1. - Riding, operating or actual physical control while under the influence; presumptions; admissible evidence; sentencing.**

(a). It is unlawful for a person to ride, operate or be in actual physical control of an electric bicycle, motorized bicycle, motorized skateboard, motorized play vehicle or stand-up electric mini-scooter under any of the following circumstances:

1. While under the influence of intoxicating liquor, any drug, a vapor-releasing substance containing a toxic substance or any combination of liquor, drugs or vapor releasing substances if the person is impaired to the slightest degree.

2. If the person has an alcohol concentration of 0.08 or more within two hours of riding, operating or being in actual physical control of the electric bicycle, motorized bicycle, motorized skateboard, motorized play vehicle or stand-up electric mini-scooter and the alcohol concentration results from alcohol consumed either before or while driving or being in actual physical control of the electric bicycle, motorized bicycle, motorized skateboard, motorized play vehicle or stand-up electric mini-scooter

3. While there is any drug defined in Arizona Revised Statutes Section 13-3401 or its metabolite in the person's body.

(b). It is not a defense to a charge of a violation of subsection (a), paragraph 1 of this section that the person is or has been entitled to use the drug under the laws of this state.

(c). A person who is convicted of a violation of this section is guilty of a class 1 misdemeanor.

(d). A person using a drug as prescribed by a medical practitioner who is licensed pursuant to Arizona Revised Statutes Title 32 and who is authorized to prescribe the drug is not guilty of violating subsection A, paragraph 3 of this section.

(e). In a trial, action or proceeding for a violation of this section, the defendant's alcohol concentration within two hours of the time of riding, operating or being in actual physical control as shown by analysis of the defendant's blood, breath or other bodily substance gives rise to the following presumptions:

1. If there was at that time 0.05 or less alcohol concentration in the defendant's blood, breath or other bodily substance, it may be presumed that the defendant was not under the influence of intoxicating liquor.

2. If there was at that time in excess of 0.05 but less than 0.08 alcohol concentration in the defendant's blood, breath or other bodily substance, that fact shall not give rise to a presumption that the defendant was or was not under the influence of intoxicating liquor, but that fact may be considered with other competent evidence in determining the guilt or innocence of the defendant.

3. If there was at that time 0.08 or more alcohol concentration in the defendant's blood, breath or other bodily substance, it may be presumed that the defendant was under the influence of intoxicating liquor.

(f). Subsection (e) of this section does not limit the introduction of any other competent evidence bearing on the question of whether or not the defendant was under the influence of intoxicating liquor.

(g). A person who is convicted of a violation of this section:

1. Shall be sentenced to serve not less than five (5) consecutive days in jail and is not eligible for probation or suspension of execution of sentence unless the entire sentence is served.

2. Shall pay a fine of not less than two hundred fifty (250) dollars.

3. May be ordered by a court to perform community restitution.

(h). Notwithstanding subsection (g), paragraph 1 of this section, at the time of sentencing the judge may suspend all but twenty four hours (24) of the sentence if the person completes a court ordered alcohol or other drug screening, education or treatment program. If the person fails to complete the court ordered alcohol or other drug screening, education or treatment program and has not been placed on probation, the court shall issue an order to show cause to the defendant as to why the remaining jail sentence should not be served.

**Section 17-89.2. – Reckless riding; sentencing.**

(a) It is unlawful for a person to ride or operate an electric bicycle, motorized bicycle, motorized skateboard, motorized play vehicle or stand-up electric mini-scooter with reckless disregard for the safety of persons or property.

(b) A violation of this section is a class two misdemeanor.

**Section 17-89.3 - Stand-up electric mini-scooter required equipment.**

(a) A stand-up electric mini-scooter that is used at nighttime shall have a lamp on the front that emits a white light visible from a distance of at least five hundred feet to the front and a red reflector on the rear and that is visible from all distances from fifty feet to three hundred feet to the rear when the reflector is directly in front of lawful upper beams of head lamps on a motor vehicle. A stand-up electric mini-scooter may have a lamp that emits a red light visible from a distance of five hundred feet to the rear in addition to the red reflector.

(b) A person shall not operate a stand-up electric mini-scooter that is equipped with a siren or whistle except that a stand-up electric mini-scooter may be equipped with an anti-theft alarm.

(c) A stand-up electric mini-scooter shall be equipped with a brake that enables the operator to make the braked wheels skid on dry, level, clean pavement.

Section 4. Sections 17-93 of the Scottsdale Revised Code is hereby amended as follows:

**Section 17-93. Prohibited operation.**

(a) No person shall ride, operate, place or park a motorized skateboard or motorized play vehicle:

(1) On any sidewalk in the city, except for use in crossing such sidewalk by the most direct route to gain access to any public or private road or driveway.

(2) In any city parking structure, city park, or other public property except for use on public roadways within a city park.

(3) On any private property that has been posted or designated by the owner of such property as an area prohibiting "skateboards."

- (4) On any public roadway consisting of a total of four (4) or more marked traffic lanes, or having an established speed limit of greater than twenty-five (25) miles per hour.
- (5) On any private property of another, without the written permission of the property owner, the person entitled to immediate possession of the property, or the authorized agent of either.
- (6) On any sidewalk, or any designated bicycle lane, unpaved trail or multiuse path.
- (b) It is a civil offense subject to the penalties specified in section 17-88 for an owner to allow a motorized skateboard or motorized play vehicle owned by the owner to remain unlawfully parked on publicly owned property after receiving notification from any person of such violation.

Section 5. Sections 17-99 and 17-100 of the Scottsdale Revised Code is hereby amended as follows:

**Sec. 17-99. - General; right-of-way; use of multiuse path.**

- (a) Multiuse paths are for the exclusive use of pedestrians, ~~and any human-powered vehicles or devices, class 1 and 2 electric bicycles and stand-up electric mini-scooters.~~
- (b) A user who is operating a class 1 or 2 electric bicycle, a stand-up electric mini-scooter or a human-powered device or vehicle upon a multiuse path shall yield the right of way to any pedestrian. A user operating a bicycle shall yield to skaters and pedestrians, and skaters shall yield to pedestrians.
- (c) All users of multiuse paths shall:
  - (1) Travel at a rate of speed which is reasonable and prudent under the conditions at the point of operation, taking into account the amount and character of pedestrian traffic, grade and width of path, and condition of surface. In every event, the user shall control speed as may be necessary to avoid colliding with other users.
  - (2) Obey all instructions of any traffic control device, warning sign, or pavement marking applicable to use of the multiuse path, unless otherwise directed by a police peace officer, police aide or other person vested with the authority to direct traffic on public highways, including, without limitation: speed limit, stop, yield, caution, warning and dismount signs.
  - (3) Exercise due care and caution to avoid colliding with any other users.
  - (4) Refrain from entering any portion of the multiuse path when it is flooded or contains standing water.
  - (5) Travel in a consistent and predictable manner.
  - (6) Travel as near to the right side of the path as is safe, except as may be appropriate while preparing to make or making turning movements, or while overtaking or passing another user traveling in the same direction.
  - (7) Occupy only the right half of the multiuse path, measured from the right side, so as not to impede the normal and reasonable movement of other path users.
  - (8) Pass other users on the left and only when it can be done safely, returning to the right only when safely clear of the user being passed.

(9) Give an audible warning signal (e.g. voice, bell, or mechanical or electrical signaling device), in sufficient time to allow response, before passing any user.

(10) Remove themselves and any equipment at least three (3) feet off the pathway when stopping, standing or parking.

**Sec. 17-100. - Prohibitions.**

(a) No person shall operate, use or place any vehicle or device with an attached motor or power unit that is not otherwise authorized by section 17-99, whether or not it is operation, upon a multiuse path or within three (3) feet of a multiuse path. This subsection shall be inapplicable to the use and operation of a motorized wheelchair by a person who ordinarily uses such equipment. It shall also be inapplicable to city employees or others authorized by the city to perform inspection, repair or maintenance work, and to persons providing emergency medical or veterinary services, in the performance of their official or professional duties.

(b) No person shall willfully throw, deposit or cause to be thrown or deposited, upon any multiuse path any glass bottles, glass, nails, tacks, wires, cans or any other object, substance or debris, including animal waste. Any person who drops, or causes to be dropped, thrown or deposited upon a multiuse path any such material will immediately remove it or cause it to be removed.

PASSED AND ADOPTED by the Council of the City of Scottsdale, Arizona, this 13<sup>th</sup> day of November, 2018.

CITY OF SCOTTSDALE, an Arizona  
municipal corporation

ATTEST:

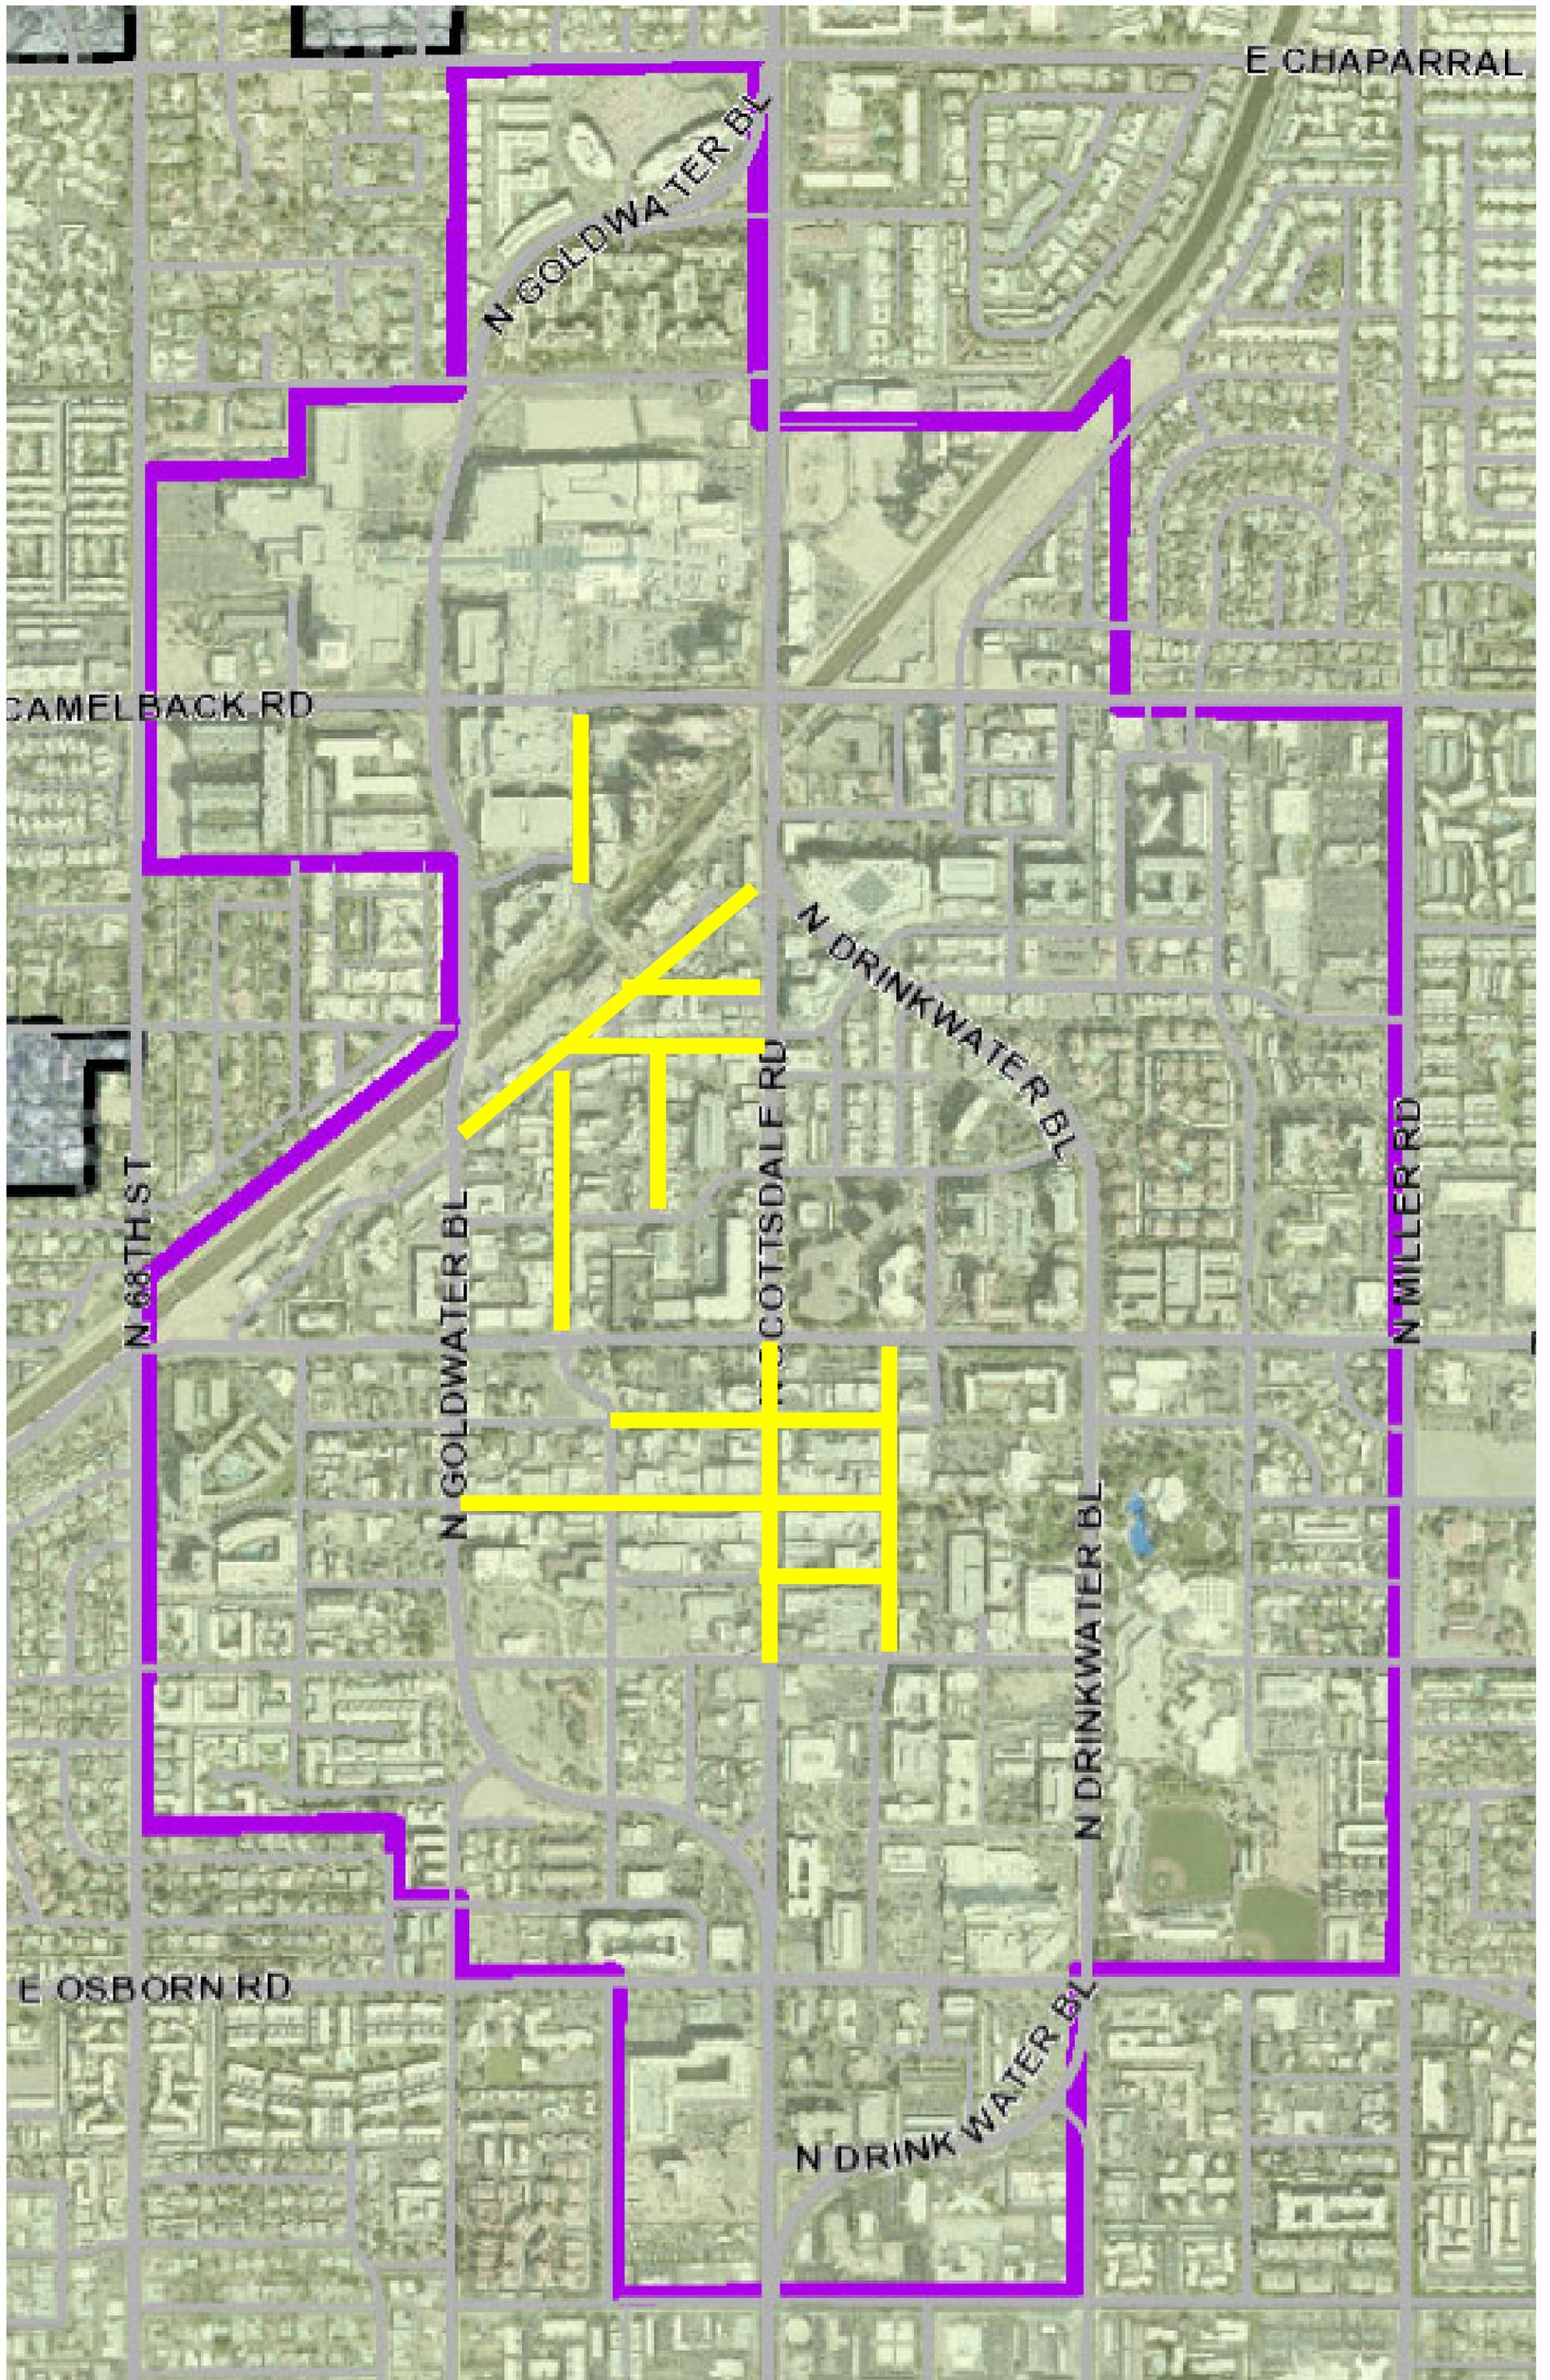

\_\_\_\_\_  
Carolyn Jagger, City Clerk

\_\_\_\_\_  
W.J. "Jim" Lane, Mayor

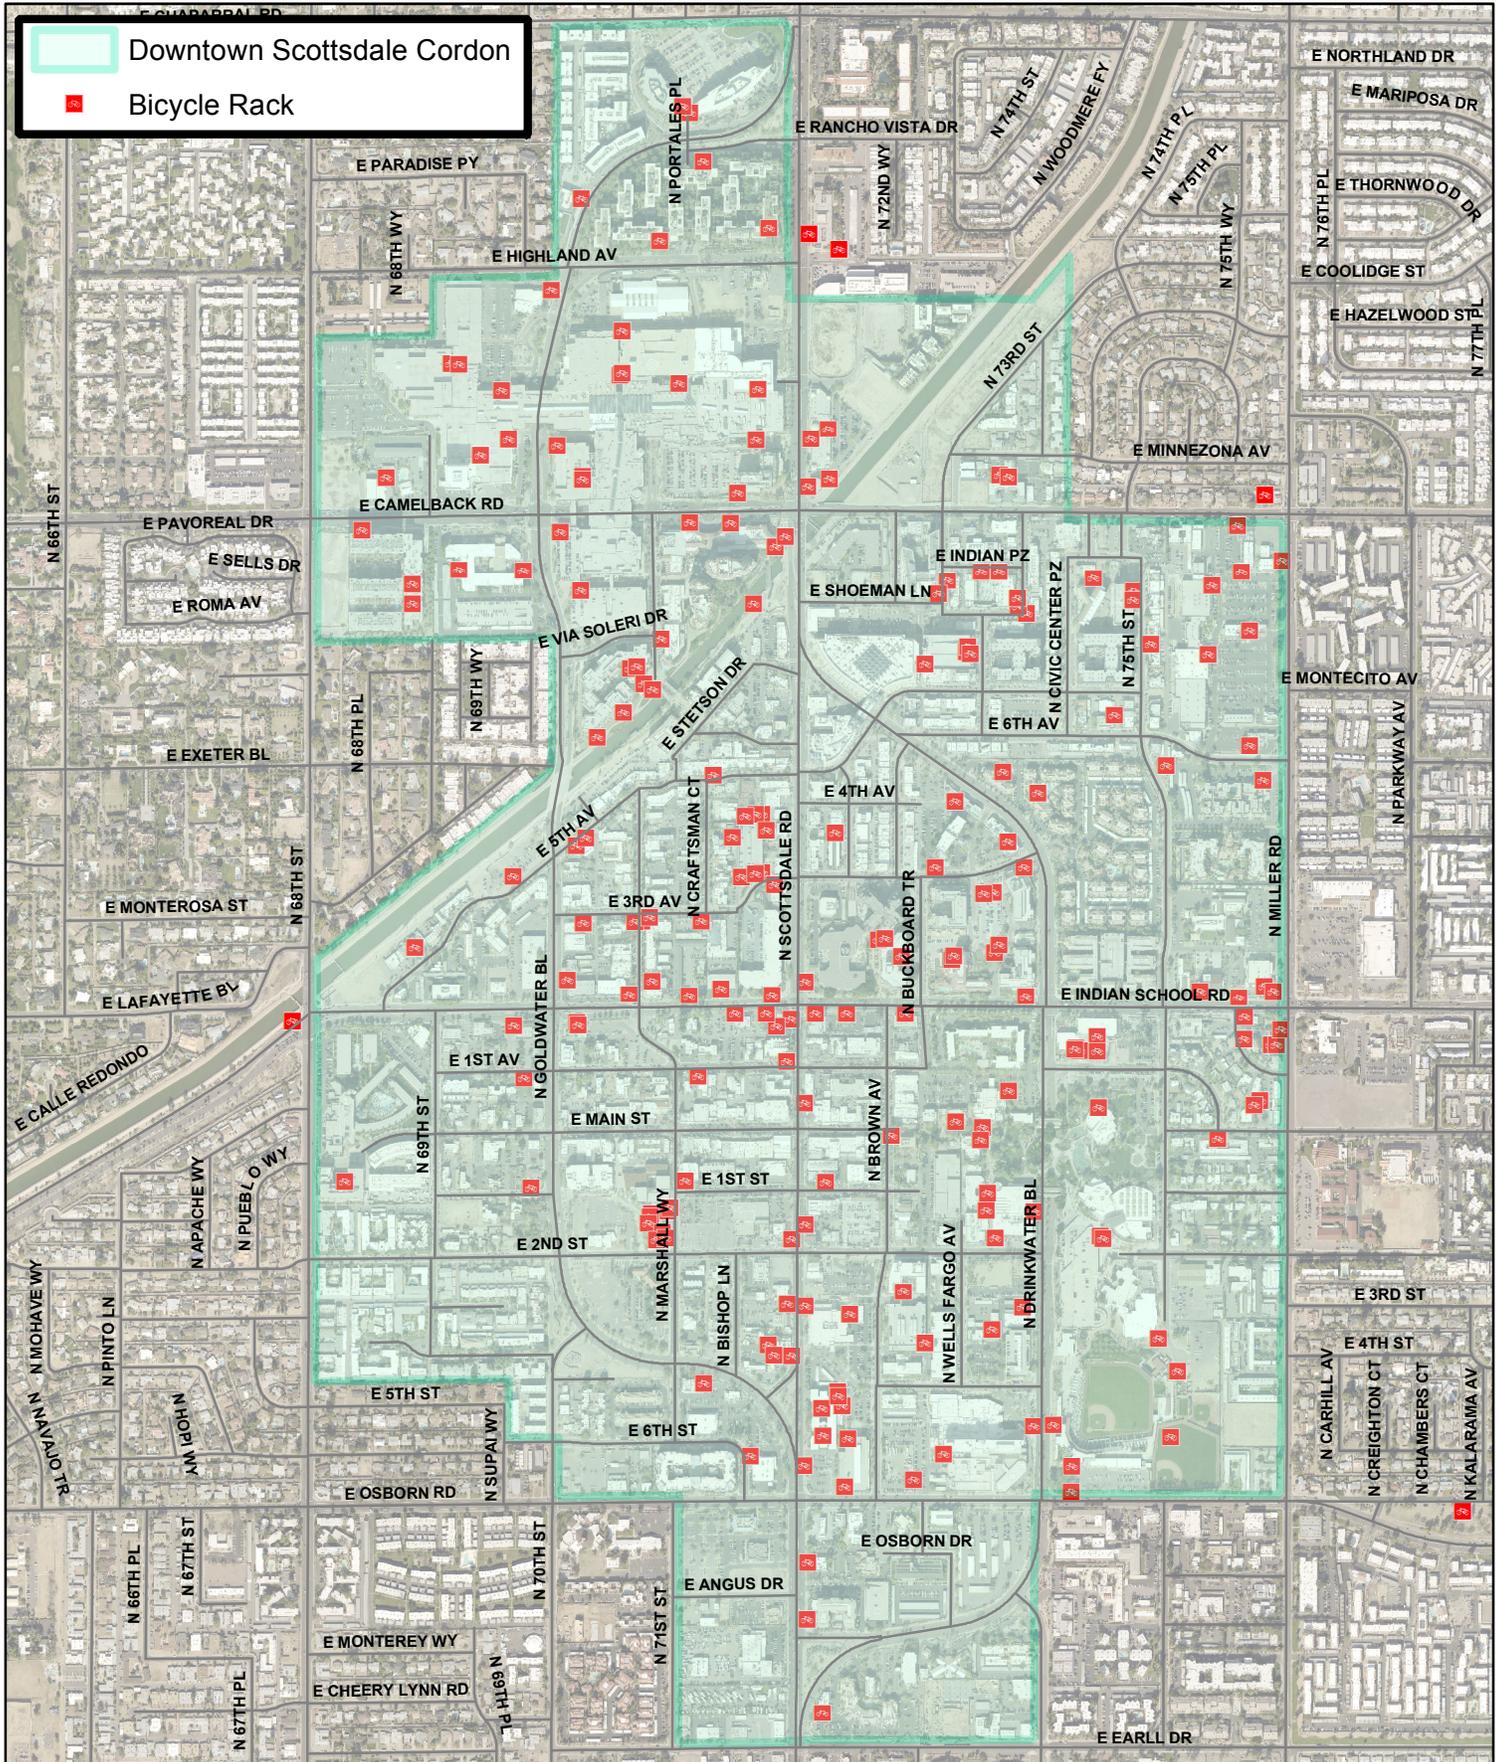

APPROVED AS TO FORM:

\_\_\_\_\_  
Bruce Washburn, City Attorney  
By: Luis E. Santaella  
Senior Assistant City Attorney

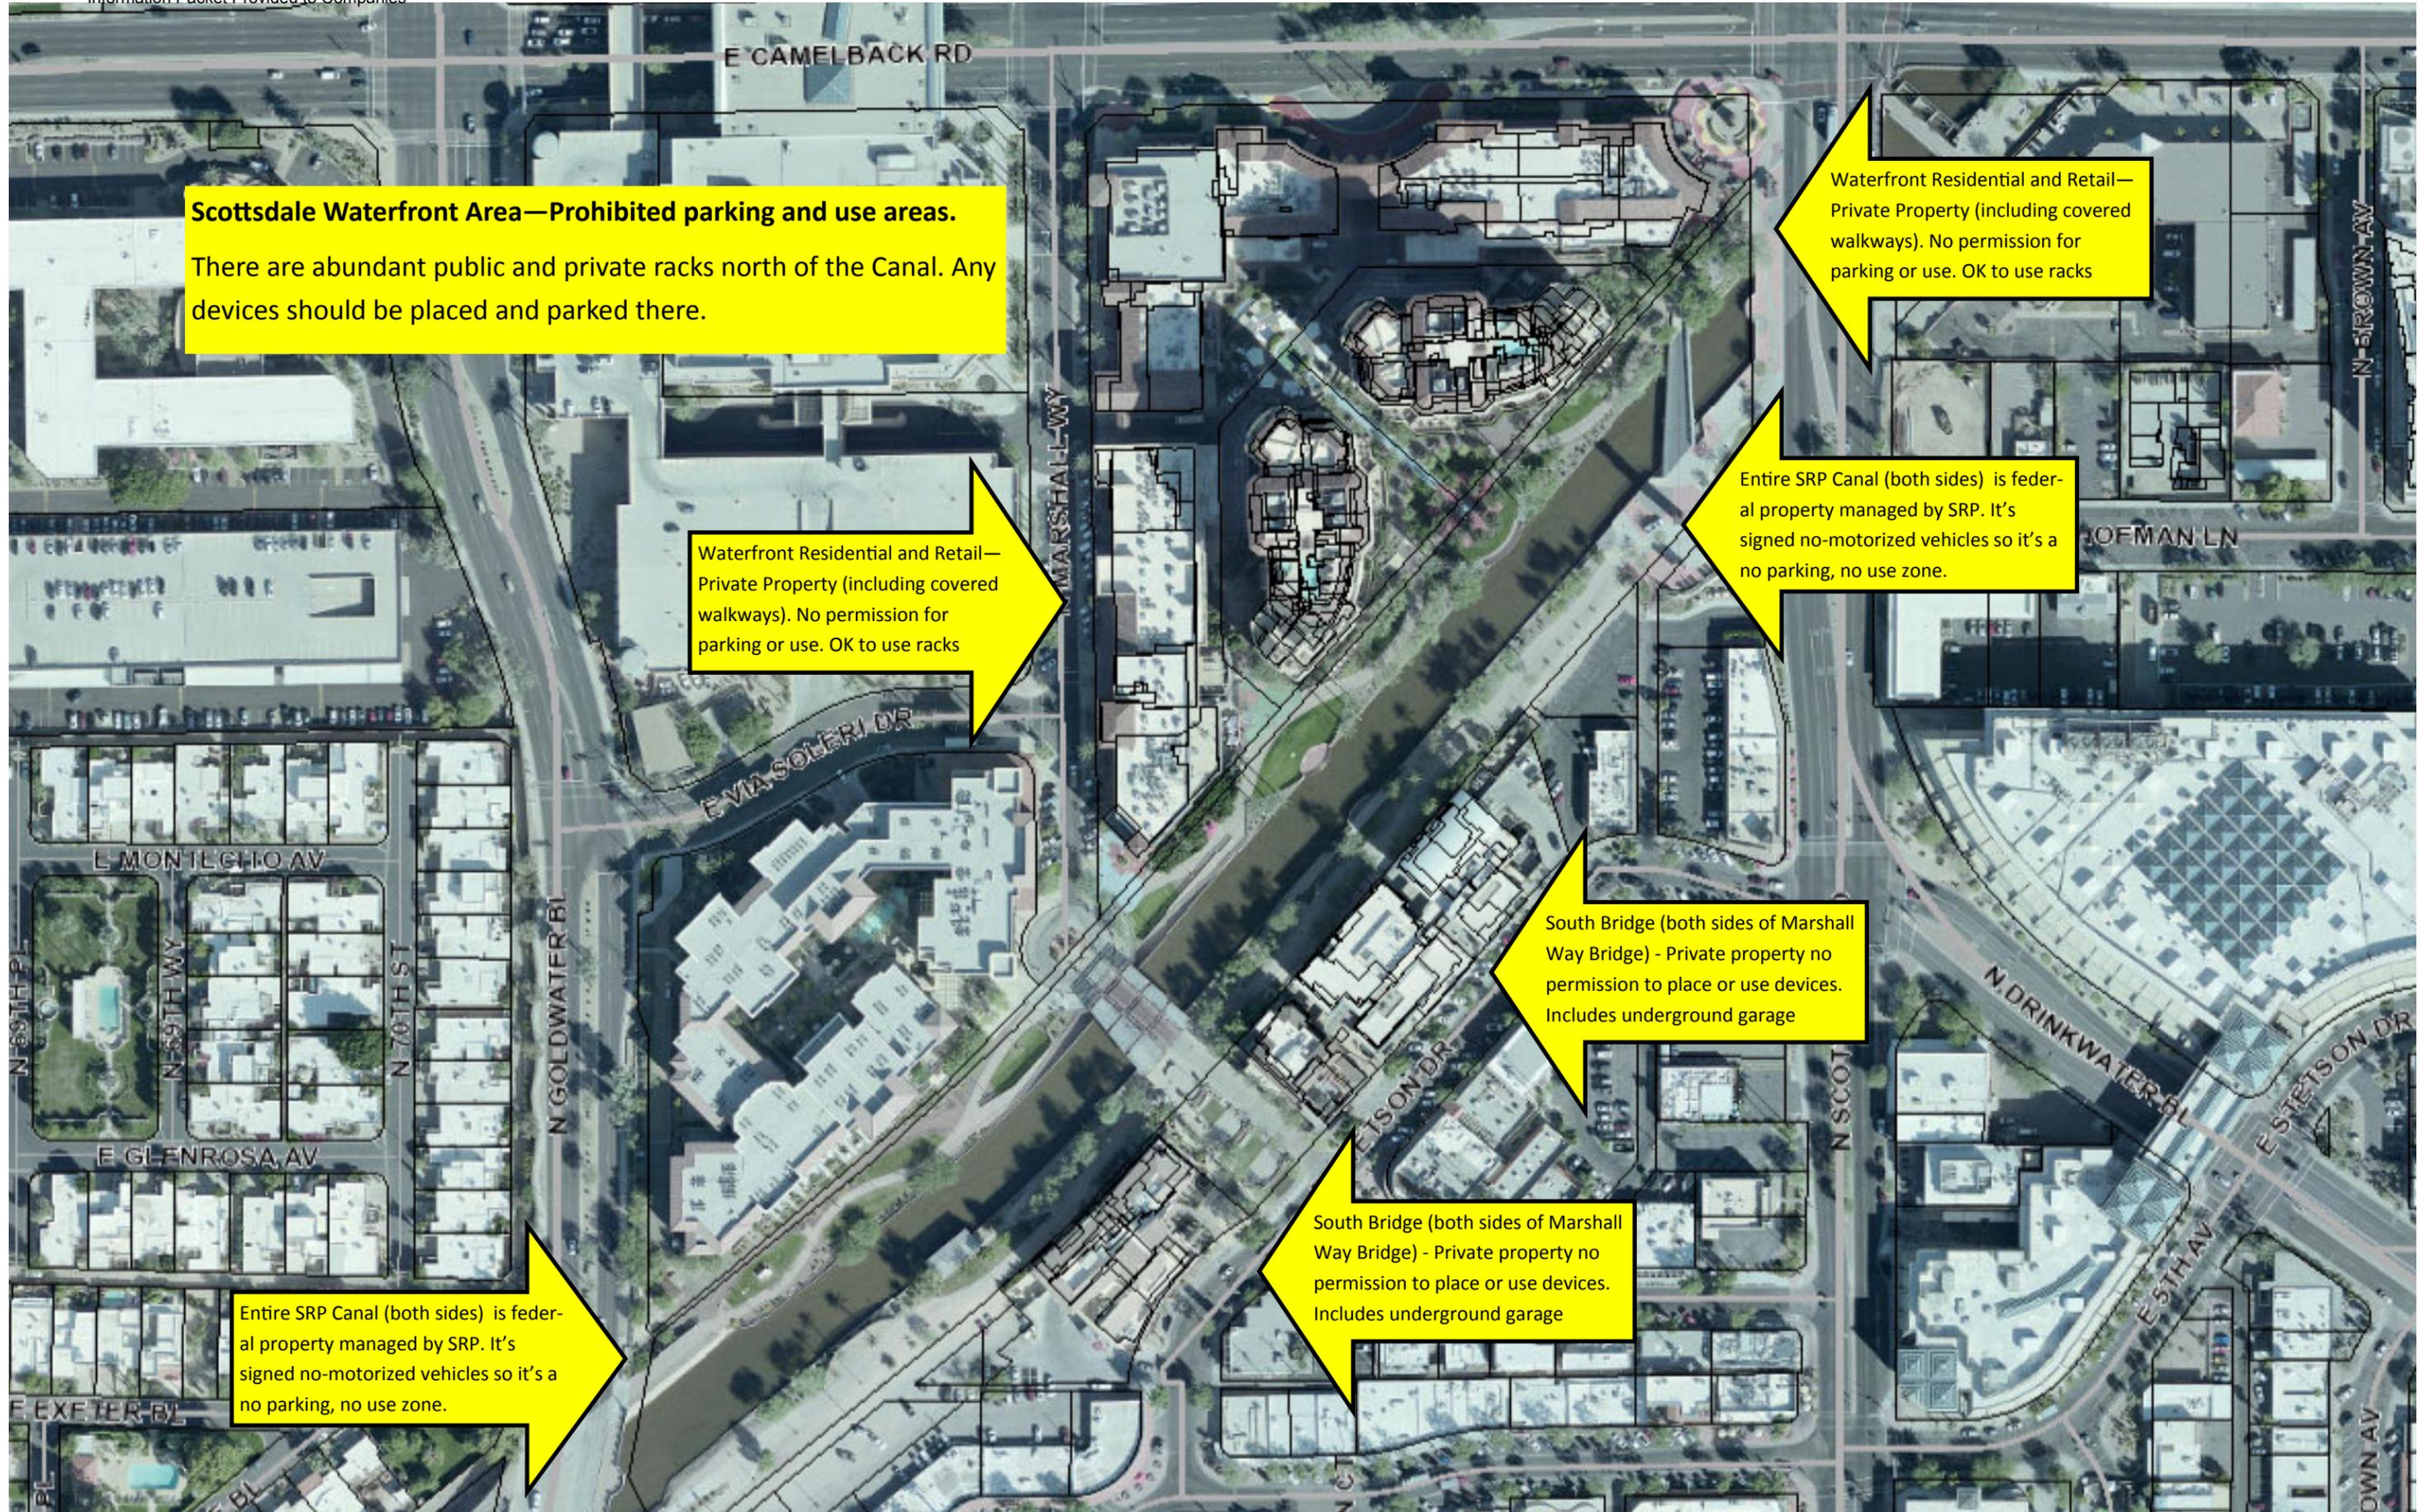

# Downtown Scottsdale Bike Rack Locations

Notice: This document is provided for general information purposes only.  
The City of Scottsdale does not warrant its accuracy, completeness, or suitability for any particular purpose.  
It should not be relied upon without field verification.

**Scottsdale Waterfront Area—Prohibited parking and use areas.**  
There are abundant public and private racks north of the Canal. Any devices should be placed and parked there.

Waterfront Residential and Retail—  
Private Property (including covered walkways). No permission for parking or use. OK to use racks

Waterfront Residential and Retail—  
Private Property (including covered walkways). No permission for parking or use. OK to use racks

Entire SRP Canal (both sides) is federal property managed by SRP. It's signed no-motorized vehicles so it's a no parking, no use zone.

South Bridge (both sides of Marshall Way Bridge) - Private property no permission to place or use devices. Includes underground garage

Query results are likely to include transportation sharing related violations, but results may include charges outside this scope based on statute (code) amendments or changes.*

ORDINANCE NO.4XXX

AN ORDINANCE OF THE CITY OF SCOTTSDALE, MARICOPA COUNTY, ARIZONA, AMENDING SECTIONS 17-76, 17-78, 17-80 THRU 17-86, 17-89 THRU 17-91, 17-93 THRU 17-97 AND 17-99 TO THE SCOTTSDALE REVISED CODE RELATING TO BICYCLES, SKATEBOARDS AND MOTORIZED SKATEBOARDS

BE IT ORDAINED by the Council of the City of Scottsdale as follows:

Section 1. Sections 17-76 of the Scottsdale Revised Code is hereby amended as follows:

**Sec. 17-76. - Definitions.**

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

*Bicycle* means every device propelled by human power upon which any person may ride, having two (2) tandem wheels either of which is more than sixteen (16) inches in diameter or having three (3) wheels in contact with the ground any of which is more than sixteen (16) inches in diameter.

*Electric bicycle* means a bicycle or tricycle that is equipped with fully operable pedals and an electric motor of less than seven hundred fifty watts and that meets the requirements of one of the following classes:

- (a) *Class 1 electric bicycle* means a bicycle or tricycle that is equipped with an electric motor that provides assistance only when the rider is pedaling and that ceases to provide assistance when the bicycle or tricycle reaches the speed of twenty miles per hour.
- (b) *Class 2 electric bicycle* means a bicycle or tricycle that is equipped with an electric motor that may be used exclusively to propel the bicycle or tricycle and that is not capable of providing assistance when the bicycle or tricycle reaches the speed of twenty miles per hour.
- (c) *Class 3 electric bicycle* means a bicycle or tricycle that is equipped with an electric motor that provides assistance only when the rider is pedaling and that ceases to provide assistance when the bicycle or tricycle reaches the speed of twenty-eight miles per hour.

*Electric personal assistive mobility device* means a self-balancing device with one wheel or two nontandem wheels and an electric propulsion system that limits the maximum speed of the device to fifteen miles per hour or less and that is designed to transport only one person.

*Electric scooter* means a device that weighs less than seventy-five pounds, has two or three wheels, has handlebars, has a floorboard on which a person may stand while riding, is powered by an electric motor or human power, or both, has a maximum speed that does not exceed twenty miles per hour, with or without human propulsion, on a paved level surface and does not include an electric miniature scooter.

*Owner* means any person holding the legal title of a bicycle, electric bicycle, motorized bicycle, motorized skateboard, motorized play vehicle or stand-up electric mini-scooter or any

person who is a lessee, conditional vendee or mortgagor of a bicycle, electric bicycle, motorized bicycle, motorized skateboard, motorized play vehicle or stand-up electric mini-scooter with a right to immediate possession.

*Motorized bicycle* means a motorized gas powered bicycle or tricycle that is equipped with a helper motor that has a maximum piston displacement of forty-eight cubic centimeters or less, that may also be self-propelled and that is operated at speeds of less than twenty miles per hour.

~~*Pedestrian through zone* is the portion of the sidewalk used primarily by pedestrians for travel, accessing transit or buildings.~~

*Skateboard* means every device propelled by human power which any person may ride, having a deck and at least two (2) tandem wheels in contact with the ground.

~~*Stand-up electric mini-scooter* means a self-propelled device which has an electric motor, a deck on which a person may ride, at least two (2) tandem wheels in contact with the ground, handle bars, brakes and does not exceed 20 miles per hour and which is not otherwise defined in Arizona Revised Statutes Title 28, as amended, as a "motor vehicle," "motorcycle," or "motor-driven cycle."~~

Section 2. Section 17-78 of the Scottsdale Revised Code is hereby amended as follows:

**Sec. 17-78. - Impoundment.**

- (a) If a Scottsdale police officer is unable to ascertain the true identity of any person deemed in violation of this article, the police officer shall be empowered to impound any vehicle or device used in the commission of the violation. The vehicle or device shall be returned to the person or his parents upon furnishing of satisfactory identification.
- (b) Unlawfully parked, inoperable or abandoned bicycles, electric bicycles, motorized bicycles, motorized skateboards, motorized play vehicles, **electric miniature scooters or stand-up electric mini-scooters or similar devices** may be impounded or relocated by city employees as necessary to protect the health, safety and welfare of the public or as otherwise authorized by law.
- (c) **The City may impose on an owner a fifty (\$50) impoundment fee and/or a twenty-five (\$25) relocation fee for every impoundment and/or relocation conducted pursuant to this section. The impoundment fee shall be due prior to the release of the impounded bicycle, electric bicycle, motorized bicycles, motorized skateboards, motorized play vehicles, electric miniature scooters, electric scooters or similar devices. It is the responsibility of the responsible owner to pay all relocation and other fees due pursuant to this article in a timely manner. Unpaid fees will be due upon receipt of billing and fees not paid within thirty (30) days of initial billing shall be deemed delinquent.**
- (d) **Any owner owing money due for the fees imposed by this section shall be liable in an action brought in the name of the City for recovery of such amount, including reasonable attorney fees.**

Section 3. Sections 17-80 thru 17-86 of the Scottsdale Revised Code are hereby amended as follows:

**Sec. 17-80. - Application of traffic laws.**

Every person riding a bicycle, electric bicycle, motorized bicycle, ~~or stand-up electric mini-scooter~~ or similar device upon a roadway in the city shall be granted all of the rights and shall be subject to all of the duties applicable to the driver of a vehicle by the laws of this state declaring rules of the road applicable to vehicles or by the traffic laws of the city applicable to the driver of a vehicle, except as to special regulations herein and except as to those provisions which by their nature can have no application.

**Sec. 17-81. - Obedience to traffic-control devices.**

- (a) Any person operating a bicycle, electric bicycle, motorized bicycle, ~~or stand-up electric mini-scooter~~ or similar device shall obey the instructions of official traffic-control signals, signs and other control devices applicable to vehicles, unless otherwise directed by a peace officer, police aide or other person vested with the authority to direct traffic on public highways.
- (b) Whenever authorized signs are erected indicating that no right or left or U-turn is permitted, no person operating a bicycle, electric bicycle, motorized bicycle, ~~or stand-up electric mini-scooter~~ or similar device shall disobey the direction of any such sign, except where such person dismounts from the bicycle, electric bicycle, motorized bicycle ~~or stand-up electric mini-scooter~~ or similar device to make such turn, in which event such person shall then obey the regulations applicable to pedestrians.

**Sec. 17-82. - Emerging from alley or driveway.**

- (a) The operator of a bicycle, electric bicycle, motorized bicycle, ~~or stand-up electric mini-scooter~~ or similar device emerging from an alley, driveway or building shall, upon approaching a sidewalk or the sidewalk area extending across any alleyway, yield the right-of-way to all pedestrians approaching on the sidewalk or sidewalk area, and upon entering the roadway shall yield the right-of-way to all vehicles approaching on the roadway.
- (b) The operator of a bicycle, electric bicycle, motorized bicycle, ~~or stand-up electric mini-scooter~~ or similar device on a sidewalk shall yield the right-of-way to pedestrians using the sidewalk.
- (c) The operator of a bicycle, electric bicycle, motorized bicycle, ~~or stand-up electric mini-scooter~~ or similar device on a sidewalk shall yield the right-of-way to vehicles while crossing a driveway or intersection.

**Sec. 17-83. - No riding or parking signs.**

The chief of police or designee may erect signs on any sidewalk, pathway or roadway prohibiting the riding or parking of bicycles, electric bicycles, motorized bicycles, ~~or stand-up electric mini-scooters~~ or similar devices thereon by any person, and, when such signs are in place, no person shall disobey the same.

**Sec. 17-84. - Speed.**

A person shall not operate a bicycle, electric bicycle, motorized bicycle, ~~or stand-up electric mini-scooter~~ or similar device on a sidewalk, multi-use path or roadway at a speed greater than is reasonable and prudent under the circumstances, conditions and actual and potential hazards then existing. A person shall control the speed of a bicycle, electric bicycle, motorized bicycle, ~~or stand-up electric mini-scooter~~ or similar device as necessary to avoid colliding with any object, person, vehicle or other conveyance on, entering or adjacent to the highway in compliance with legal requirements and the duty of all persons to exercise reasonable care for the protection of others.

## Sec. 17-85. - Parking.

- (a) A No person shall park, place or leave a bicycle, electric bicycle, motorized bicycle, or stand-up electric mini-scooter or similar device on public property except in a upright position in bicycle rack or in designated bicycle parking areas, or any place where it is not otherwise prohibited by ordinance, state law, federal law, signs or by a property owner.
- (b) No person shall park a bicycle, electric bicycle, motorized bicycle or stand-up electric mini-scooter in any of the following places:
- (1) Where prohibited by official signs or where the curb is painted red.
  - (2) Within a designated public transit stop, except in designated bicycle racks or designated bicycle parking areas.
  - (3) On a public sidewalk obstructing the pedestrian through zone, multiuse path or trail.
  - (4) On those roadways without curbs in a manner so as to force a pedestrian to walk in the traveled portion of the roadway.
  - (5) Within a designated handicapped parking stall and adjoining clear zones.
  - (6) In front of or within a public or private driveway or the entrance to an alley.
  - (7) Within any portion of a sidewalk, street, trail, or building entrance or exit that provides access to disabled persons pursuant to the American With Disabilities Act.
  - (8) Within fifteen (15) feet of a fire hydrant.
  - (9) In a pedestrian crosswalk.
  - (10) Within twenty (20) feet of the driveway entrance to any fire station or on the side of the street opposite the entrance to any fire station within seventy-five (75) feet of the entrance when properly posted.
  - (11) Within a designated turn or bicycle lane.
  - (12) Within the traveled portion of a roadway, including an intersection and pedestrian crossing.
  - (13) Within a designated no-parking zone.
  - (14) Within a landscaped or planted area.
  - (15) Within a roadway median.
  - (16) In front of public art.
- (c) The chief of police or designee may designate or limit public areas or streets available for parking bicycles, electric bicycles, motorized bicycle or stand-up electric mini-scooters.
- (d) (b) No bicycle, electric bicycle, motorized bicycle, or stand-up electric mini-scooter or similar device shall be placed on private property without permission of the owner of that property. For those properties that are not required by the City to provide bicycle parking pursuant to the zoning ordinance, such permission must be in writing.
- (e) (c) The property owner of any non-residential property open to the public is deemed to have given consent to unrestricted bicycle, electric bicycle, motorized bicycle, or stand-up electric mini-scooter or similar device parking by the general public in designated bicycle parking areas or racks, unless such parking is otherwise restricted under the Scottsdale Revised Code, state or federal law. The property owner of any non-residential property

open to the public may develop its own rules and regulations as to abandoned or unlawfully parked bicycles, electric bicycles, motorized bicycles, ~~or stand-up electric mini-scooter or similar device~~ and may contract with private parties for the removal and impoundment of such bicycles, electric bicycles, ~~and~~ motorized bicycles, electric scooters or similar devices.

- (~~f~~)(d) The property owner of any multi-family residential property is deemed to have given consent to unrestricted bicycle, electric bicycle, motorized bicycle, ~~or stand-up electric mini-scooter or similar device~~ parking by residents and authorized visitors in designated bicycle parking areas or racks, unless such parking is otherwise restricted under the Scottsdale Revised Code, state or federal law. The property owner of any multi-family residential property may develop its own rules and regulations as to abandoned or unlawfully parked bicycles, electric bicycles, ~~or~~ motorized bicycles, electric scooters or similar devices and may contract with private parties for the removal and impoundment of such bicycles, electric bicycles, motorized bicycles, ~~or stand-up electric mini-scooters or similar devices~~.
- (~~g~~) (e) It is unlawful for an owner to allow a bicycle, electric bicycle, motorized bicycle, ~~or stand-up electric mini-scooter or similar device~~ owned by the owner to remain parked in a manner not in accordance with this section on publicly owned property after receiving notification from any person of such violation.
- (~~h~~) (f) It is unlawful for an owner to allow a bicycle, electric bicycle, motorized bicycle, ~~or stand-up electric mini-scooter or similar device~~ owned by the owner to remain parked in the same location on publicly owned property for seventy-two (72) hours or more.
- (~~i~~) (g) It is unlawful for any person including an owner to leave an inoperable bicycle, electric bicycle, motorized bicycle, ~~or stand-up electric mini-scooter or similar device~~ on public property for more than two (2) hours after receiving notification from any person of such violation.
- (~~j~~) (h) Except as authorized by city permit, no person or owner shall place or park on publicly owned property more than five (5) lawfully parked bicycles, electric bicycles, motorized bicycles, ~~or stand-up electric mini-scooters or similar devices~~ owned by the same owner within two hundred (200) feet of each other for more than two (2) hours after receiving notification from any person of such violation.
- (~~k~~) (i) Any employee authorized to issue a notice of violation for parking violations pursuant to section 17-104(d) or the City Manager or designee may issue notices of violations and civil complaints for the enforcement of this section. Nothing in this subsection shall be construed to limit a Scottsdale police officer or the City Attorney from enforcing any other section of this Division.
- (~~l~~) (j) For purposes of this section, notification to an owner or anyone acting on the behalf of an owner is deemed complete upon sending an email to or calling a phone number belonging to the owner or its agents.

**Sec. 17-86. - Riding in prohibited areas; class 3 electric bicycles prohibited on sidewalks; ~~stand-up electric mini-scooters prohibited on streets greater than thirty-five miles per hour with exceptions; hours of operation, age restrictions and Transportation Safety Zone dismounting.~~**

- (a) No person shall ride or operate a bicycle, electric bicycle, motorized bicycle, ~~stand-up electric mini-scooter~~, skateboard, electric miniature scooter, roller skates or any other nonself-propelled vehicle or device, except wheelchairs or an electric personal assistive mobility device, in or upon any area having posted signs expressly prohibiting said vehicles or devices.

- (b) No person shall ride, park or operate a class 3 electric bicycle on any sidewalk or multi-use path within the city.
- (c) No person shall ride or operate a ~~stand-up~~ electric mini-scooter on a street when the street has a posted speed limit of forty (40) miles per hour or greater, except for crossing that street.
- (d) No person shall ride or operate an electric scooter between the hours of 11:00 pm and 6:00 am.
- (e) No child under the age of sixteen (16) years shall operate an electric scooter without written permission from a parent or guardian.
- (f) Every person shall dismount and walk an electric scooter while on a sidewalk within a City Transportation Safety Zone.

Section 4. Sections 17-89 thru 17-91 of the Scottsdale Revised Code are hereby amended as follows:

**Sec. 17-89. - Refusing to provide truthful name and date of birth when lawfully detained; penalty.**

- (a) It is unlawful for a person, after being advised that the person's refusal to answer is unlawful, to fail or refuse to state the person's true full name and date of birth on request of a peace officer who has lawfully detained the person based on reasonable suspicion that the person has committed a violation of ~~this chapter~~ the Scottsdale Revised Code. A person detained under this section shall state the person's true full name and date of birth, but shall not be compelled to answer any other inquiry of a peace officer.
- (b) A person who violates this section is guilty of a class 2 misdemeanor.

**Sec. 17-89.1. - Riding, operating or actual physical control while under the influence; presumptions; admissible evidence; sentencing.**

- (a) It is unlawful for a person to ride, operate or be in actual physical control of an electric bicycle, motorized bicycle, motorized skateboard, motorized play vehicle, ~~or stand-up~~ electric mini-scooter, electric miniature scooter or similar device under any of the following circumstances:
  1. While under the influence of intoxicating liquor, any drug, a vapor-releasing substance containing a toxic substance or any combination of liquor, drugs or vapor releasing substances if the person is impaired to the slightest degree.
  2. If the person has an alcohol concentration of 0.08 or more within two hours of riding, operating or being in actual physical control of the electric bicycle, motorized bicycle, motorized skateboard, motorized play vehicle, ~~or stand-up~~ electric mini-scooter, electric miniature scooter or similar device and the alcohol concentration results from alcohol consumed either before or while driving or being in actual physical control of the electric bicycle, motorized bicycle, motorized skateboard, motorized play vehicle, ~~or stand-up~~ electric mini-scooter, electric miniature scooter or similar device.
  3. While there is any drug defined in Arizona Revised Statutes Section 13-3401 or its metabolite in the person's body.

- (b) It is not a defense to a charge of a violation of subsection (a), paragraph 1 of this section that the person is or has been entitled to use the drug under the laws of this state.
- (c) A person who is convicted of a violation of this section is guilty of a class 1 misdemeanor.
- (d) A person using a drug as prescribed by a medical practitioner who is licensed pursuant to Arizona Revised Statutes Title 32 and who is authorized to prescribe the drug is not guilty of violating subsection (a), paragraph (3) of this section.
- (e) In a trial, action or proceeding for a violation of this section, the defendant's alcohol concentration within two hours of the time of riding, operating or being in actual physical control as shown by analysis of the defendant's blood, breath or other bodily substance gives rise to the following presumptions:
  - 1. If there was at that time 0.05 or less alcohol concentration in the defendant's blood, breath or other bodily substance, it may be presumed that the defendant was not under the influence of intoxicating liquor.
  - 2. If there was at that time in excess of 0.05 but less than 0.08 alcohol concentration in the defendant's blood, breath or other bodily substance, that fact shall not give rise to a presumption that the defendant was or was not under the influence of intoxicating liquor, but that fact may be considered with other competent evidence in determining the guilt or innocence of the defendant.
  - 3. If there was at that time 0.08 or more alcohol concentration in the defendant's blood, breath or other bodily substance, it may be presumed that the defendant was under the influence of intoxicating liquor.
- (f) Subsection (e) of this section does not limit the introduction of any other competent evidence bearing on the question of whether or not the defendant was under the influence of intoxicating liquor.
- (g) A person who is convicted of a violation of this section:
  - 1. Shall be sentenced to serve not less than five (5) consecutive days in jail and is not eligible for probation or suspension of execution of sentence unless the entire sentence is served.
  - 2. Shall pay a fine of not less than two hundred fifty (250) dollars.
  - 3. May be ordered by a court to perform community restitution.
- (h) Notwithstanding subsection (g), paragraph 1 of this section, at the time of sentencing the judge may suspend all but twenty four hours (24) of the sentence if the person completes a court ordered alcohol or other drug screening, education or treatment program. If the person fails to complete the court ordered alcohol or other drug screening, education or treatment program and has not been placed on probation, the court shall issue an order to show cause to the defendant as to why the remaining jail sentence should not be served.

**Sec. 17-89.2. - Reckless riding; sentencing.**

- (a) It is unlawful for a person to ride or operate an electric bicycle, motorized bicycle, motorized skateboard, motorized play vehicle, ~~or stand-up electric mini-scooter, electric miniature scooter or similar device~~ with reckless disregard for the safety of persons or property.
- (b) A violation of this section is a class two misdemeanor.

**Sec. 17-89.3. - ~~Stand-up e~~Electric mini-scooter required equipment.**

- (a) A ~~stand-up electric mini-scooter~~ that is used at nighttime shall have a lamp on the front that emits a white light visible from a distance of at least five hundred feet to the front and a red reflector on the rear and that is visible from all distances from fifty feet to three hundred feet to the rear when the reflector is directly in front of lawful upper beams of head lamps on a motor vehicle. A ~~stand-up electric mini-scooter~~ may have a lamp that emits a red light visible from a distance of five hundred feet to the rear in addition to the red reflector.
- (b) A person shall not operate a ~~stand-up electric mini-scooter~~ that is equipped with a siren or whistle except that a stand-up electric mini-scooter may be equipped with an anti-theft alarm.
- (c) A ~~stand-up electric mini-scooter~~ shall be equipped with a brake that enables the operator to make the braked wheels skid on dry, level, clean pavement.

## DIVISION 2. - MOTORIZED SKATEBOARDS

### Sec. 17-90. - Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context indicates a different meaning:

*Child* means a person who is under the age of eighteen (18) years.

*Custodian* means a person who has lawful custody of a child.

*Electric miniature scooter* means a device that weighs less than thirty pounds, has two or three wheels, has handlebars, has a floorboard on which a person may stand while riding, and is powered by an electric motor or human power, or both, has a maximum speed that does not exceed ten miles per hour, with or without human propulsion, on a paved level surface.

*Motorized skateboard* means a self-propelled device which has a motor, a deck on which a person may ride and at least two (2) tandem wheels in contact with the ground and which is not otherwise defined in Arizona Revised Statutes Title 28, as amended, as a "motor vehicle," "motorcycle," "motor-driven cycle," "motorized wheelchair," or "electric personal assistive mobility device".

*Motorized play vehicle* means a coaster, any other alternatively fueled device (excluding battery-operated toy carts designed for children under the age of eight (8) years to ride in or on), or other motorized vehicle that is self-propelled by a motor or engine, and which is not otherwise defined in Arizona Revised Statutes Title 28, as amended, as a "motor vehicle," "motorcycle," "motor-driven cycle," "motorized wheelchair," or "electric personal assistive mobility device".

*Motorized wheelchair* means a self-propelled vehicle that is designed for and used by a physically challenged, injured or incapacitated person.

*Multiuse path* means an off-road hard surfaced path which may be separated from motorized vehicle traffic by an open space or barrier. A multiuse path is used exclusively for pedestrians, and any human-powered vehicles or devices.

*Vehicle* means a device in, upon or by which any person or property is or may be transported or drawn upon a public roadway, excepting devices moved by human power or used exclusively upon stationary rails or tracks.

### Sec. 17-91. - Application of traffic laws.

Every person operating a motorized skateboard, electric miniature scooter or motorized play vehicle upon a roadway, or any shoulder adjoining a roadway shall be granted all rights and shall be subject to all the duties applicable to the driver of a vehicle by the laws of this state declaring rules of the road applicable to vehicles, or by the traffic laws of the city applicable to the driver of a vehicle, except as to special regulations herein and except as to those provisions which by their nature can have no application. ~~This section shall not be construed to require the licensing or registration of motorized skateboards or motorized play vehicles, the licensing of motorized skateboard or motorized play vehicle operators, or the carrying of insurance covering accidents involving motorized skateboards or motorized play vehicles.~~

Section 5. Sections 17-93 thru 17-97 of the Scottsdale Revised Code are hereby amended as follows:

**Sec. 17-93. - Prohibited operation.**

- (a) No person shall ride, operate, place or park a motorized skateboard, electric miniature scooter or motorized play vehicle:
- (1) On any sidewalk in the city, except for use in crossing such sidewalk by the most direct route to gain access to any public or private road or driveway.
  - (2) In any city parking structure, city park, or other public property except for use on public roadways within a city park.
  - (3) On any private property that has been posted or designated by the owner of such property as an area prohibiting "skateboards."
  - (4) On any public roadway consisting of a total of four (4) or more marked traffic lanes, or having an established speed limit of greater than twenty-five (25) miles per hour.
  - (5) On any private property of another, without the written permission of the property owner, the person entitled to immediate possession of the property, or the authorized agent of either.
  - (6) On any sidewalk, or any designated bicycle lane, unpaved trail or multiuse path.
- (b) It is a civil offense subject to the penalties specified in section 17-88 for an owner to allow a motorized skateboard, , electric miniature scooter or motorized play vehicle owned by the owner to remain unlawfully parked on publicly owned property after receiving notification from any person of such violation.

**Sec. 17-94. - General operating restrictions.**

- (a) No child under the age of fourteen (14) years shall operate a motorized skateboard, electric miniature scooter or motorized play vehicle without written permission from a parent or guardian.
- (b) No person shall operate a motorized skateboard, electric miniature scooter or motorized play vehicle at a speed greater than is reasonable and prudent under the circumstances then existing.
- (c) The operator of a motorized skateboard, electric miniature scooter or motorized play vehicle, approaching a street, sidewalk, bicycle lane, unpaved trail or multiuse path in order to cross such, shall yield the right-of-way to all other users. The operator shall dismount and walk the motorized skateboard, electric miniature scooter or motorized play vehicle across the street, sidewalk, bicycle lane, unpaved trail or multiuse path.

- (d) No operator of a motorized skateboard, electric miniature scooter or motorized play vehicle shall allow passengers when the motorized skateboard, electric miniature scooter or motorized play vehicle is in operation or motion.
- (e) No person operating or riding upon a motorized skateboard, electric miniature scooter or motorized play vehicle shall attach themselves or the motorized skateboard, electric miniature scooter or motorized play vehicle in any manner to any other vehicle.
- (f) No person shall operate a motorized skateboard, electric miniature scooter or motorized play vehicle while carrying any package, bundle, or article which prevents the operator from keeping both hands upon the steering mechanism at all times.
- (g) No person, other than the owner, shall operate a motorized skateboard, electric miniature scooter or motorized play vehicle without the written permission of the owner.
- (h) No person shall operate a motorized skateboard, electric miniature scooter or motorized play vehicle that has been altered from the original manufacturer's design.
- (i) No person shall operate a motorized skateboard, electric miniature scooter or motorized play vehicle in a crosswalk.
- (j) No operator of a motorized skateboard, electric miniature scooter or motorized play vehicle shall transport extra fuel in a separate container or alter the fuel reservoir from the original manufacturer's design. This prohibits physically attaching fuel packs or containers to the operator's person.
- (k) Motorized skateboards, electric miniature scooter and motorized play vehicles may only be operated between the hours of 8:00 a.m. and 8:00 p.m.

**Sec. 17-95. - Operating restrictions on roadway.**

- (a) A person operating a motorized skateboard, electric miniature scooter or motorized play vehicle on a roadway at less than the normal speed of traffic, at the time and place and under the then existing conditions, shall ride as close as practicable to the right hand curb or edge of the roadway, except under the following conditions and when the movement can be made in safety:
  - (1) If overtaking and passing a bicycle or vehicle proceeding in the same direction.
  - (2) If preparing for left turn at an intersection or into a private roadway or driveway.
  - (3) If reasonably necessary to avoid hazardous conditions ahead in the roadway.
  - (4) If the lane in which the person is operating the motorized skateboard, electric miniature scooter or motorized play vehicle is too narrow for a motorized skateboard, electric miniature scooter or motorized play vehicle and a bicycle or another vehicle to travel safely side by side within the lane.
- (b) Persons operating motorized skateboards, electric miniature scooter or motorized play vehicles on the roadway shall not ride more than two (2) abreast.

**Sec. 17-96. - Required safety equipment.**

- (a) No person shall operate a motorized skateboard, electric miniature scooter or motorized play vehicle without a head lamp and rear lamp emitting the following beams anytime after sunset, or any other time when there is insufficient light to operate the motorized skateboard or motorized play vehicle safely:

- (1) A head lamp shall emit a white light visible from the front at a distance no less than five hundred (500) feet.
- (2) A rear lamp shall emit a red light visible from the back at a distance no less than five hundred (500) feet.
- (b) No person shall operate a motorized skateboard, electric miniature scooter or motorized play vehicle unless it is equipped with a brake which enables the operator to make a braked wheel(s) skid on the pavement.
- (c) Any child operator of a motorized skateboard, electric miniature scooter or motorized play vehicle shall at all times wear a protective helmet on his or her head in an appropriate and safely secured manner. The helmet shall be certified for motorcycle use by the federal motor vehicle safety standard known as FMVSS 218 (49 CFR 571.218).
- (d) No person shall operate a motorized skateboard, electric miniature scooter or motorized play vehicle without wearing footwear. The footwear must have a sole and completely cover the feet and toes.

**Sec. 17-97. - Responsibilities of sellers.**

Any person who sells a new motorized skateboard, electric miniature scooter or a new motorized play vehicle in the city shall post the following in a conspicuous manner at the place of sale:

- (1) Sections 17-92, 17-93, 17-94, 17-95 and 17-96 of this article, and
- (2) Notice that some insurance policies will not cover liability claims involving motorized skateboards, electric miniature scooter and motorized play vehicles.

Section 6. Sections 17-99 of the Scottsdale Revised Code is hereby amended as follows:

**Sec. 17-99. - General; right-of-way; use of multiuse path.**

- (a) Multiuse paths are for the exclusive use of pedestrians, human-powered vehicles or devices, class 1 and 2 electric bicycles and ~~stand-up~~ electric mini-scooters.
- (b) A user who is operating a class 1 or 2 electric bicycle, a ~~stand-up~~ electric mini-scooter or a human-powered device or vehicle upon a multiuse path shall yield the right of way to any pedestrian. A user operating a bicycle shall yield to skaters and pedestrians, and skaters shall yield to pedestrians.
- (c) All users of multiuse paths shall:
  - (1) Travel at a rate of speed which is reasonable and prudent under the conditions at the point of operation, taking into account the amount and character of pedestrian traffic, grade and width of path, and condition of surface. In every event, the user shall control speed as may be necessary to avoid colliding with other users.
  - (2) Obey all instructions of any traffic control device, warning sign, or pavement marking applicable to use of the multiuse path, unless otherwise directed by a peace officer, police aide or other person vested with the authority to direct traffic on public highways, including, without limitation: speed limit, stop, yield, caution, warning and dismount signs.
  - (3) Exercise due care and caution to avoid colliding with any other users.

- (4) Refrain from entering any portion of the multiuse path when it is flooded or contains standing water.
- (5) Travel in a consistent and predictable manner.
- (6) Travel as near to the right side of the path as is safe, except as may be appropriate while preparing to make or making turning movements, or while overtaking or passing another user traveling in the same direction.
- (7) Occupy only the right half of the multiuse path, measured from the right side, so as not to impede the normal and reasonable movement of other path users.
- (8) Pass other users on the left and only when it can be done safely, returning to the right only when safely clear of the user being passed.
- (9) Give an audible warning signal (e.g. voice, bell, or mechanical or electrical signaling device), in sufficient time to allow response, before passing any user.
- (10) Remove themselves and any equipment at least three (3) feet off the pathway when stopping, standing or parking.

PASSED AND ADOPTED by the Council of the City of Scottsdale, Arizona, this 12<sup>th</sup> day of November, 2019.

CITY OF SCOTTSDALE, an Arizona  
municipal corporation
