**BIKE & TRAILS MAP**

**NORTH OF FRANK LLOYD WRIGHT BLVD**

**SHARED USE PATH & TRAIL RESPONSIBILITIES**

Scottsdale’s paths and trails are designed for a variety of transportation modes. Keep path use safe and enjoyable for everyone by being courteous, sharing the path and following simple, common-sense rules.

**Motorized vehicles***, including ATVs and motorcycles, are prohibited on paths and trails.

*Class 1 and 2 e-bikes and stand-up electric mini-scooters are allowed on paved paths as of December 13, 2018.

**BICYCLE DETECTION AT INTERSECTIONS**

Bicycle detection is used at signalized intersections to alert the signal system that a bicycle is approaching and will need to cross the intersection. These intersections also offer extended crossing time for bicyclists.

Look for these signs, as well as pavement markings, at various locations around Scottsdale:

- **Keep the Right**
  - Stay to the right unless passing or turning. 
  - Move to the right when stopping as well.

- **Merging**
  - Look both ways and yield to traffic at intersections.

- **Signaling**
  - Bicyclists should use their horn or bell when approaching and passing others.

- **Respect Nature**
  - Do not disturb wildlife. Stay on the path. Do not collect plant materials.

- **Approaching Horses**
  - When approaching a horse, speak in a soft voice to alert the horse and rider of your presence. Then move slowly while passing.

- **Control Your Pace**
  - Keep pets on a leash, and clean up after them.

- **Biking at Night**
  - Equip your bicycle with a headlight, rear light, and reflectors for low light conditions.

- **Wear a Helmet**
  - Wear a helmet (by law to wear a helmet, but it is a good idea to always protect your head when biking.)

- **Earphone Use**
  - Earphones are recommended when bicycling. Keep phone calls to a minimum.

- **Flooded Paths**
  - Do not enter paths that are under water.

- **Right-of-Way**
  - Bicyclists yield to pedestrians.

- **Approaching Animals**
  - When approaching an animal, speak in a soft voice to alert the animal and rider of your presence. Then move slowly while passing.

- **Equestrians**
  - All users yield to equestrians.

- **Skating**
  - Follow the same rules as pedestrains.

**SCOTTSDALE EZ**

Scottsdale EZ is a single, mobile-optimized system that lets you quickly report issues and provides the city with a consolidated tracking and reporting system.

- Using Scottsdale EZ is just that — easy!
- Visit ScottsdaleAZ.gov/EZ on your desktop or mobile device, or search online for “Scottsdale EZ” to find the application link.
- Enter the request or issue in the search bar, select a top request or browse by category.
- Choose an address related to the request, or use your device’s GPS to pinpoint the location of the issue.
- Provide details and submit a photo, if applicable.
- Review your information and submit it.
- City staff will get back to you to confirm they’ve received your request.

The more accurate information you provide when submitting a request, the more quickly it can be assigned to staff and resolved.

Next time you notice something the city needs to take a look at or fix, don’t hesitate — Scottsdale EZ makes it simple to report those issues and get them taken care of.

**BICYCLES, SKATEBOARDS, MOTORIZED SKATEBOARDS AND MULTIUSE PATHS**

Scottsdale’s Bicycle and Related Devices Ordinance (No. 4372) addresses operation and parking of bike-share and electric scooters. The ordinance makes the rules and expectations clear for the companies that own the devices and individuals who operate them. Go to ScottsdaleAZ.gov, search "bike share ordinance" to review these rules.
The Mountain Vista Bike Route is a 2.3 mile loop that begins and ends at Main Street and Brown Avenue at the famous Banyan Tree. Follow green bike route signs to two more informative stops where mountain views are framed with interpretive panels that tell stories of the mountains on display. The frame that views the McDowell Mountains is located along the south bank of the Arizona Canal between the Marshall Way and Soleri bridges. The Camelback Mountain View frame is located at 68th Street and the Arizona Canal.

### BRING YOUR BIKE ON THE SCOTTSDALE TROLLEY
Scottsdale’s free trolley system links residents and visitors to entertainment, restaurants, shopping, schools, parks and health services. Riders can transfer between four trolley routes and the regional transit system. To plan your trip, visit ValleyMetro.org. To request a map or learn more, visit ScottsdaleTrolley.com.

### ON-STREET BIKEWAYS – SHARE THE ROAD
Be sure to ride defensively, prepare for the unexpected and plan an alternate maneuver to avoid conflict. Rules alone do not always protect bicyclists from injury. Stay alert, make yourself visible and ride predictably.

- Signal driver before loading your bike.
- Place bike in rack slot.
- Squeeze handle and pull down rack.
- Grasp support arm and pull over tire to secure.
- Pull over tire to secure.
- Obey Traffic Signals & Signs: Like a vehicle, bicyclists must obey all the rules of the road.
- Be sure to stop at traffic signals and yield to traffic and pedestrians.
- Notice: This is a shared roadway, bicyclists should obey all the rules of the road.
- Ride on the Right: Keep to the right of traffic at all times.
- Use Appropriate Lanes: To proceed straight, move into the through lane early.
- Use Hand Signals: Check mirror, signal your intent, and turn when safe to do so.
- Use Lights at Night: Turn on lights, or use a mirror.
- Scan the Road Before: Check to the left for parked cars before making a turn.
- Beware of Car Doors: Always check your blind spot before pulling away from parked cars.
- Scan the Road Ahead: Check for oncoming traffic.
- Ride a Helmet: Always ride a helmet. It is a good idea to always wear a helmet when riding.
- Be Courteous: Share the road and the responsibility.
