SEXUALLY ORIENTED BUSINESSES*

* Editors Note: Ord. No. 2521, § 1, adopted June 15, 1993, repealed
former art. VII, §§ 16-236--16-246, which pertained to cabarets, and
enacted a new art. VII, §§ 16-236--16-259, to read as herein set
out.

Sec. 16-236. Findings.

Based on public testimony and other evidence before it, including
information, studies and court decisions from other jurisdictions,
the Scottsdale City Council makes the following legislative findings
and statement of purpose:

The council recognizes that some activities which occur in connection
with sexually oriented businesses are protected as expression under
the First Amendment to the United States Constitution. The council
further recognizes that First Amendment rights are among our most
precious and highly protected rights, and wishes to act consistently
with full protection of those rights. The council is aware, however,
that sexually oriented businesses may and do generate secondary
effects which are detrimental to the public health, safety, and welfare.
Among these secondary effects are (a) prostitution and other sex
related offenses (b) drug use and dealing (c) health risks through
the spread of AIDS and other sexually transmitted diseases and (d)
infiltration by organized crime for the purpose of drug and sex related
business activities, laundering of money and other illicit conduct.
This article is not intended to interfere with legitimate expression
but to avoid and mitigate the secondary effects enumerated above.
Specifically, council finds that licensing of persons who operate and
manage sexually oriented businesses and persons who provide adult
services will further the goals of this article by enabling the city to
ascertain if an applicant is underage or has engaged in criminal or other
behavior of the sort this article is design to limit. This information
will enable the city to allocate law enforcement resources effectively
and otherwise protect the community. The council finds that limiting
proximity and contact between adult service providers and patrons
promotes the goal of reducing prostitution and other casual sexual conduct and the attendant risk of sexually transmitted diseases. The council finds the foregoing to be true with respect to places where alcohol is served and where it is not. Council finds that individual and interactive sexual activities in adult video facilities pose a risk of sexually transmitted disease, especially AIDS, and that the booth configuration options of this article will reduce that risk. The council finds that the harmful secondary effects of sexually oriented businesses are more pronounced when conducted continuously or during late night hours. The fees established for licenses and permits in this article are based on the estimated cost of implementation, administration, and enforcement of the licensing program.
