

## COS Rec Championship Frequently Asked Questions

---

### **Where is the Rec Championship meet? What time does the meet start?**

The Rec Championship meet will take place on Saturday, July 25th at McDowell Mountain Ranch (MMR) Aquatic Center. Check-in will open at 7:15am for all swimmers competing in the meet. Warm-up will take place from 8:00am - 9:00am, and the meet will start around 9:00am.

### **Why do we need to check-in when we arrive at the meet on Saturday?**

In order to make sure all swimmers who attend the meet are correctly registered, swimmers need to check-in at the table on deck prior to warm-up. The check-in will be available from 7:15am - 8:00am. If you are unsure where to go, please ask!

### **Does my swimmer still need to check-in if we already completed the online registration?**

Yes! We will be double checking entries to ensure everyone has an opportunity to race. Members of Scottsdale Aquatic Club's staff will be cross checking all of the registration information and check-in names with the roster that has already been entered into the meet operation software.

### **Why are there times in the heat sheet this year?**

The rec coaches worked hard this year to create a database of times from the meets throughout the season. Those results were used as a swimmer's "seed time" for the rec championships.

### **What does "NT" mean in the heat sheet next to my swimmer's name?**

"NT" stands for "No Time". If your swimmer missed a meet(s) or a time was not available for a particular event, then they will be listed with a "NT".

### **Are there awards at the meet?**

Yes, there will be awards at the meet. The top 3 overall finishers in each event will receive a medal. These awards will be available after the results are finalized and announced. Ribbons will be handed out to swimmers following each heat. The ribbons are based on the swimmer's place in their respective heat.

### **Where can I find final results when my swimmer is done racing?**

After each race is finished and results are finalized, we will post a copy of the results on the windows near the locker rooms. Following the meet, we will send out a PDF of the results to all of the families who participated in summer rec this year.

### **What is the "End of Summer Party"?**

To celebrate the end of the summer rec season, the entire MMR facility will be open for swimmers and their families to enjoy the water slides, lazy river, splash pad, diving boards, etc from 12pm - 1pm following the meet. Pizza, snacks, and drinks will be available at the snack bar during this time. The event and food are free for all families who attend the meet!
