9/11 REMEMBRANCE

SEPTEMBER MARKS 25TH ANNIVERSARY

The City of Scottsdale commemorates the 25th anniversary of the attacks of 9/11 with displays at Scottsdale libraries and the Police and Fire Headquarters.

The exhibition features supersized props of the Twin Towers, Pentagon, plane wing and large metal flag – made of steel, brass and polycarbonate. These specially-built models will display a memorial card of every individual who lost their life on Sept. 11 in the attacks.

Visit each of the memorial locations in September and receive a commemorative gift!
