IMPORTANT NOTICES

If you reside in one of the following states, please read the important notices below:

Arizona, Florida and Maryland residents:

The group policy is issued in the state of Delaware and will be governed by its laws. If you reside in a state other than Delaware, this certificate of insurance may not provide all of the benefits and protections provided by the laws of your state. PLEASE READ YOUR CERTIFICATE CAREFULLY.

Washington Residents:

(In Accordance With WAC 284-23-610, 620, 650, 730)

The accelerated life benefit in this policy does not and is not intended to qualify as long-term care under Washington state law. Washington state law prevents this accelerated life benefit from being marketed or sold as long-term care.

If an Insured receives payment of accelerated benefits from a life insurance policy, he or she may lose the right to receive certain public funds, such as Medicare, Medicaid, Social Security, Supplemental Security, Supplemental Security Income (SSI), and possibly others. Also, receiving accelerated benefits from a life insurance policy may have tax consequences for the Insured. We cannot give advice about this. The Insured may wish to obtain advice from a tax professional or an attorney before he or she decides to receive accelerated benefits under a life policy.

NOTICE

Benefits paid under the Accelerated Benefits provision will reduce the Death Benefit payable for life insurance.

Benefits payable under the Accelerated Benefits provision may be taxable. If so, the Employee or the Employee's beneficiary may incur a tax obligation. As with all tax matters, an Employee should consult with a personal tax advisor to assess the impact of this benefit. Accelerated Benefits are not payable if life insurance coverage under the Policy is not in force.

WHO IS ELIGIBLE

Classes of Eligible Persons

A person may be insured only once under the Policy as an Employee, Spouse or Dependent Child, even though he or she may be eligible under more than one class.

An Employee who is the Spouse of another Employee may not be insured for Voluntary Life Insurance as both an Employee and as a Spouse at the same time.

Any Employee, who is eligible for Voluntary Life Insurance, will not be eligible to be insured as a Dependent Child of another Employee.

If an Employee is eligible and has enrolled as the Spouse of another Employee, but ceases to be eligible to maintain the amount of insurance for which he or she has enrolled as a Spouse, that Employee may, within 31 days, enroll for coverage as an Employee, in an amount equal to the lesser of (1) the amount of Spouse Voluntary Life Insurance terminating, or (2) the maximum amount of Employee Voluntary Life Insurance for which the Employee is eligible. The Insurability Requirement does not apply. If this amount is not equal to a Voluntary Life Insurance coverage option, it will be adjusted to the next higher available Voluntary Life Insurance coverage option. This provision shall be in lieu of the Policy's provisions, if any, regarding coverage changes following Life Status Changes.

If a Spouse is eligible and has enrolled for Voluntary Life Insurance as an Employee, but ceases to be eligible to maintain the amount of insurance for which he or she has enrolled as an Employee, the Spouse may, within 31 days, instead become enrolled as a Spouse of another Employee, in an amount equal to the lesser of (1) the amount of Employee Voluntary Life Insurance terminating, or (2) the Maximum Benefit Amount of Spouse Voluntary Life Insurance for which the Spouse is eligible. The Insurability Requirement does not apply. If this amount is not equal to a Voluntary Life Insurance coverage option, it will be adjusted to the next higher available Voluntary Life Insurance coverage option.

A Dependent Child of two or more Employees may only be insured once under the Policy. If an Employee who has elected to insure Dependent Children ceases to be eligible to do so, then the Employee's Spouse may, within 31 days, elect to insure Dependent Children, provided he or she is insured as an Employee. In all cases, "Dependent Child" shall be defined with respect to the Employee who has enrolled dependent children.

In all cases, amounts of insurance referred to in these provisions shall be determined before the application of any reductions in benefits due to age.

Any amount of Voluntary Life Insurance Coverage which cannot be continued under the above provisions may be subject to the Conversion Privilege.

Employee

If you qualify under the Class Definition shown in the Schedule of Benefits, you are eligible to be insured under the Policy on the Policy Effective Date, or the day after you complete the applicable Eligibility Waiting Period, if later.

If you have previously converted your insurance under the Policy, you will not become eligible until your converted policy is surrendered. This does not apply to any amount of insurance that was previously converted under the Policy due to a reduction in your Life Insurance Benefits based on age or a change in class unless those conditions no longer affect the amount of insurance available to you.

Except as noted in the Reinstatement Provision, if you terminate coverage and later wish to reapply, or if you are a former Employee who is rehired, a new Eligibility Waiting Period must be satisfied. You are not required to satisfy a new Eligibility Waiting Period, if insurance ends because you are no longer in a Class of Eligible Employees, but continue to be employed by the Employer, and within one year you become a member of an eligible class.

Spouse

Your Spouse is eligible to be insured on the date you are eligible or the date he or she becomes your Spouse, if later.

For eligibility purposes, your Spouse must be a lawful Spouse and not legally separated from, divorced from, or widowed by you. He or she must be under age 70 to be eligible.

Dependent Child

Your Dependent Child is eligible to be insured on the date you are eligible or the date the child becomes a Dependent Child, if later.

In no event will a Dependent Child be eligible to be insured more than once under the Policy.

TL-004710-1

WHEN COVERAGE BEGINS

If you are required to contribute to the cost of this insurance, you may elect insurance for yourself, your Spouse and Dependent Children only by authorizing payroll deduction in a form approved by the Employer and us. The effective date of this insurance depends on the date and amount of insurance elected.

If you elect coverage within 31 days after you become eligible to enroll or increase coverage, the Guaranteed Issue Amount will be effective on the latest of the following dates:

1. The Policy Effective Date.
2. The date you authorize payroll deduction for this insurance.
3. The date the Employer or Insurance Company receives the completed enrollment form.

If you or your Spouse elect insurance in an amount that exceeds the Guaranteed Issue Amount or if your enrollment form is received more than 31 days after you become eligible to elect coverage, this insurance is effective on the date we agree in writing to provide this coverage. We will require an eligible person to satisfy the Insurability Requirement before we agree to insure him or her.

If coverage for a Dependent Child is in force and another Dependent Child becomes eligible, coverage for that child is effective on the date he or she qualifies as a Dependent Child.

If you are not in Active Service on the date insurance would otherwise go into effect, it will be effective on the date you return to Active Service.

If an eligible Spouse or Dependent Child is:

1. an inpatient in a hospital, hospice, rehabilitation or convalescence center, or custodial care facility; or
 2. confined to his or her home under the care of a Physician
- on the date insurance would otherwise be effective, it will be effective on the date he or she is no longer an inpatient in these facilities or confined at home. If such Spouse or Dependent Child was covered by the Prior Plan immediately prior to the Policy Effective Date, this provision will not apply to the amount of coverage in effect as of the Policy Effective Date, but will apply to any increase in coverage. This does not apply to a Dependent Child who is age 6 months or less.

TL-004712

WHEN COVERAGE ENDS

Coverage will end on the earliest of the following dates:

1. the date you are eligible for coverage under a plan intended to replace this coverage;
2. the date we terminate the Policy;
3. the date you, your Spouse or Dependent Children are no longer in an eligible class;
4. the date coinciding with the end of the last period for which required premiums are paid;
5. the date you are no longer in Active Service;
6. for an Employee, Spouse or Dependent Child, the date the Employer cancels participation under the Policy;
7. for your Spouse, the date he or she reaches age 70; and
8. the date your coverage ends, for any insured Spouse or Dependent Child.

TL-004714

WHEN COVERAGE CONTINUES

Continuation for Temporary Leave of Absence, Approved Educational Leave of Absence or Family Medical Leave

If you are an Employee and your Active Service ends due to an Employer approved unpaid leave of absence, educational leave of absence or family medical leave, your insurance will continue if the required premium is paid.

In these circumstances, your insurance may continue as follows.

1. For an Employer approved unpaid leave of absence, up to 12 months.
2. For an Employer approved educational leave of absence, up to 12 months.
2. For an Employer approved family medical leave, up to 12 weeks.

Continuation for Disability for Employees over Age 60

If you become Disabled and are age 60 or over, the Life Insurance Benefits shown in the Schedule of Benefits will be continued, provided premiums are paid, until the earlier of the following dates:

1. The date you are no longer Disabled.
2. The date you are Disabled for 9 consecutive months.
3. The date coinciding with the end of the last period for which premiums are paid.
4. The date the Policy is terminated by us.

Amount of Insurance

If you die while you are Disabled and coverage is continued under this provision, we will pay a Death Benefit equal to the amount in effect on the date you became Disabled. However, the Life Insurance Benefit will be subject to the provisions of the Policy that reduce the coverage amount because of age, retirement, payment of an Accelerated Benefit or a change in class. Automatic increases in Life Insurance Benefits will end while coverage is continued under this provision. We will pay benefits only if due proof of your continuous Disability is received within one year of the date of the loss.

“Disability”/“Disabled” means because of Injury or Sickness you are unable to perform all the material duties of your Regular Occupation; or are receiving disability benefits under the Employer’s plan.

“Regular Occupation” means the occupation you routinely perform at the time the Disability begins. We will consider the duties of the occupation as it is normally performed in the general labor market in the national economy.

Extended Death Benefit with Waiver of Premium

Extended Death Benefit

If you become Disabled and are less than age 60, the Life Insurance Benefits shown in the Schedule of Benefits will be extended without premium payment until the earlier of the following dates:

1. The date you are no longer Disabled; or
2. 9 months after the end of your Active Service.

Amount of Insurance

If you die while you are Disabled and coverage is extended under this provision, we will pay a Death Benefit equal to the amount in effect on the date you became Disabled. However, the Life Insurance Benefit will be subject to the provisions of the Policy that reduce the coverage amount because of age, retirement, payment of an Accelerated Benefit or a change in class. Automatic increases in Life Insurance Benefits will end while premiums are waived. We will pay benefits only if due proof of your continuous Disability is received within one year of the date of the loss.

“Disability”/“Disabled” means because of Injury or Sickness you are unable to perform the material duties of your Regular Occupation; or are receiving disability benefits under the Employer’s plan.

“Regular Occupation” means the occupation you routinely perform at the time the Disability begins. We will consider the duties of the occupation as it is normally performed in the general labor market in the national economy.

Waiver of Premium

If you submit satisfactory proof that you have been continuously Disabled for 6 months, your coverage will be extended.

Such proof must be submitted to us no later than 3 months after the date the Waiver Waiting Period ends. Premiums will be waived from the date we agree in writing to waive premiums for you.

After premiums have been waived for 12 months, they will be waived for future periods of 12 months, if you remain Disabled and submit satisfactory proof that Disability continues. Satisfactory proof must be submitted to us 3 months before the end of the 12-month period.

Amount of Insurance

If you die while you are Disabled and coverage is continued under this provision, we will pay a Death Benefit equal to the amount in effect on the date you became Disabled. However, the Life Insurance Benefit will be subject to the provisions of the Policy that reduce the coverage amount because of age, retirement, payment of an Accelerated Benefit or a change in class. Automatic increases in Life Insurance Benefits will end while premiums are waived. We will pay benefits only if due proof of your continuous Disability is received within one year of the date of the loss.

Termination of Waiver

Your insurance will end on the earliest of the following dates.

1. The date you are no longer Disabled;
2. The date you refuse to submit to any physical examination required by us;
3. The date you refuse to participate in a Rehabilitation Plan for which the Insurance Company determines you to be eligible;
4. The last day of the 12-month period of Disability during which you fail to submit satisfactory proof of continued Disability.

“Disability/Disabled” means because of Injury or Sickness you are unable to perform the material duties of your Regular Occupation, or are receiving disability benefits under the Employer's plan, during the initial 6 months of Disability. Thereafter, you must be unable to perform all of the material duties of any occupation which you may reasonably become qualified based on education, training or experience, or are subject to the terms of a Rehabilitation Plan approved by the Insurance Company.

“Regular Occupation” means the occupation the Employee routinely performs at the time the Disability begins. The Insurance Company will consider the duties of the occupation as it is normally performed in the general labor market in the national economy.

Rehabilitation During a Period of Disability

If the Insurance Company determines that you are a suitable candidate for rehabilitation, the Insurance Company may require you to participate in an assessment and Rehabilitation Plan, not to exceed 18 months, at our expense. The Insurance Company has the sole discretion to approve your participation in a Rehabilitation Plan and to approve a program as a Rehabilitation Plan. If you fail to fully cooperate in all required phases of the Rehabilitation Plan and assessment without Good Cause, your insurance under the Policy will end.

“Good Cause” means a medical reason preventing participation, in whole or in part, in the Rehabilitation Plan. Satisfactory proof of Good Cause must be provided to the Insurance Company.

“Rehabilitation Plan” means a written plan designed to enable the Employee to return to work. The Rehabilitation Plan will consist of one or more of the following phases:

1. Rehabilitation, under which the Insurance Company may provide, arrange or authorize educational, vocational or physical rehabilitation or other appropriate services;
2. Work, which may include modified work and work on a Part-time basis.

“Part-time” means regularly working less than the number of full time hours set by the Employer as a regular work day for Employees in an Eligible Class of Employees in the Policy.

Portability Options

For Employees

If your coverage under the Policy ends prior to age 70, for any of the following reasons:

- a. termination of employment; or
- b. termination of membership in an eligible class under the Policy;

Life Insurance Benefits may be continued up to the Maximum Benefit shown in the Schedule of Benefits for this option.

You must apply to the Insurance Company and pay the required premium. If you continue coverage, coverage for your Spouse or Dependent Child may also be continued by you. Your Spouse or Dependent Child must be covered under the Policy on the date coverage would otherwise end. The application must be submitted:

- a. within 31 days of your termination of employment or membership in an eligible class under the Policy; or
- b. during the time that you have to exercise the Conversion Privilege.

Coverage under this option may not be elected at a later date.

When applying for this option, you must name a beneficiary. Any beneficiary named previously under the Policy is no longer in effect. If there is no named or surviving beneficiary, Death Benefits will be paid to the first surviving class of the following living relatives:

- a. spouse;
- b. child or children;
- c. mother or father;
- d. brothers or sisters; or
- e. the executors or administrators of your estate.

When coverage is continued under this option, you become a Former Employee. Your Spouse becomes a Spouse of a Former Employee. Your Dependent Child becomes a Dependent Child of a Former Employee.

If you, as a Former Employee, later acquire a Spouse or Dependent Child, you may elect coverage for them. You must apply to the Insurance Company and pay the required premium. Coverage for your Spouse or Dependent Child will be effective on the date we agree in writing to insure them. We may require that your Spouse or Dependent Child satisfy the Insurability Requirement before we agree to insure them.

Coverage will end on the earliest of the following dates.

- a. The date the Policy is terminated.
- b. The date we cancel coverage for all Former Employees.
- c. The end of the period for which premiums are paid.
- d. The date an Insured reaches age 70.
- e. The date the Maximum Benefit Period shown in the Schedule of Benefits for this option ends.

Also, coverage for any Dependent Child will end on any of the dates listed above or when he or she no longer qualifies as a Dependent Child, if earlier.

For Spouses

If prior to age 70, a Spouse is:

- a. legally separated, divorced; or
- b. widowed

from an insured Employee or Former Employee, Life Insurance Benefits may be continued. Coverage may be continued up to the Maximum Benefit shown in the Schedule of Benefits for this option. The Spouse must apply to the Insurance Company and pay the required premium.

A Spouse who continues coverage may also continue coverage for a Dependent Child. The Dependent Child must be covered under the Policy on the date coverage would otherwise end. A Spouse must elect to continue insurance under this option within 31 days after coverage ends. Coverage may not be elected at a later date.

When applying for this option, a Spouse must name a beneficiary. Any beneficiary named previously under the Policy is no longer in effect. If there is no named or surviving beneficiary, Death Benefits will be paid to the first surviving class of the following living relatives:

- a. spouse;
- b. child or children;
- c. mother or father;
- d. brothers or sisters; or
- e. the executors or administrators of the Spouse's estate.

When coverage is continued under this option, the Spouse becomes a Former Spouse. A separate certificate of insurance will be issued to the Former Spouse. Coverage will be effective on the date after coverage as a Spouse ends if the required premium is paid.

Coverage will end on the earliest of the following dates.

- a. The date the Policy is terminated.
- b. The date we cancel coverage for all Former Spouses.
- c. The end of the period for which premiums are paid.
- d. The date the Former Spouse reaches age 70.
- e. The date the Maximum Benefit Period shown in the Schedule of Benefits for this option ends.

Also, coverage for a Dependent Child will end on any of the dates listed above or when he or she no longer qualifies as a Dependent Child, if earlier.

For Dependent Children

If a Dependent Child is insured under the Policy and is at least 19 years of age, Life Insurance Benefits may be continued under this option. Coverage may be continued up to the Maximum Benefit shown in the Schedule of Benefits for this option.

The Dependent Child must apply to the Insurance Company and pay the required premium. If a Dependent Child does not elect to continue insurance within 31 days after reaching age 19; or the date he or she no longer qualifies as a Dependent Child, if later, coverage under this option may not be elected at a later date.

When applying for this option, a Dependent Child must name a beneficiary. Any beneficiary named previously under the Policy is no longer in effect. If there is no named or surviving beneficiary, Death Benefits will be paid to the first surviving class of the following living relatives:

- a. spouse;
- b. child or children;
- c. mother or father;
- d. brothers or sisters; or
- e. the executors or administrators of the Dependent Child's estate.

When a Dependent Child continues coverage under this option, he or she becomes a Former Dependent Child. A separate certificate of insurance will be issued to the Former Dependent Child. Coverage for a Former Dependent Child will be effective on the following dates.

- a. For any Guaranteed Issue Amount, immediately following the date his or her coverage as a Dependent Child ends, provided the Insurance Company receives the required premium.
- b. For any amount of insurance that exceeds the Guaranteed Issue Amount, the date the Insurance Company agrees in writing to insure him or her. The Insurance Company will require the Former Dependent Child to satisfy the Insurability Requirement before it agrees to insure him or her.

WHAT IS COVERED

LIFE INSURANCE BENEFITS

Death Benefit

If an Insured dies, we will pay the Life Insurance Benefit in force for that Insured on the date of his or her death.

TL-004730

Accelerated Benefits

Any benefits payable under this Accelerated Benefits provision will reduce the Death Benefit payable for Life Insurance. Any automatic increases in Life Insurance Benefits will end when benefits are payable under this provision.

Terminal Illness Benefit

We will pay a Terminal Illness Benefit if we determine you or your Spouse are Terminally Ill. The amount of this benefit is up to 50% of the Life Insurance Benefit in effect for you or your Spouse on the date we determine you are Terminally Ill up to the Maximum Benefit Amount shown in your Schedule of Benefits for this option. The Terminal Illness Benefit is payable only once in an Insured's lifetime.

Determination of Terminal Illness

For the purpose of determining the existence of a Terminal Illness, we will require you to submit the following proof.

1. A written diagnosis and prognosis by two Physicians licensed to practice in the United States.
2. Supportive evidence satisfactory to us, including but not limited to radiological, histological or laboratory reports documenting the Terminal Illness.

We may require, at our expense, you to be examined and a review of the documented evidence by a Physician of our choice.

TL-004748

Conversion Privilege for Life Insurance

Each Insured may convert all or any portion of his or her Life Insurance that would end under the Policy due to:

1. termination of employment;
2. termination of membership in an eligible class under the Policy;
3. termination of the Policy.

The Insured may apply for any type of life insurance we offer to persons of the same age in the amount applied for, except you may not:

1. choose term insurance;
 2. apply for an amount of insurance greater than the coverage amount terminating under the Policy (also, the conversion policy will not provide accident, disability or other benefits); or
 3. apply for more than \$10,000 of insurance if the Policy is terminated or amended to terminate the insurance for any class of Insureds, or the Employer cancels participation under the Policy.
- Conversion in these cases is only permitted if you have been covered by the Policy or, any group life insurance policy issued to the Employer which the Policy replaced, for at least 3 years.

If the Insured becomes eligible for coverage under any group life policy within 31 days of termination of coverage under this Policy, the Insured may not convert an amount of insurance greater than the amount of coverage terminating under the Policy less the amount for which he or she may be covered under the other policy.

To apply for conversion insurance, the Insured must, within 31 days after coverage under the Policy ends:

1. submit an application to us; and
2. pay the required premium.

Evidence of insurability is not required.

Premium for the conversion insurance will be based on the age and class of risk of the Insured and the type and amount of coverage issued.

If the Insured has assigned ownership of his group coverage, the owner/assignee must apply for the individual policy.

Conversion insurance will become effective on the 31st day after the date coverage under the Policy ends provided the application is received by us and the required premium has been paid.

If the Insured dies during the 31-day conversion period, the Life Insurance benefits will be paid under the Policy regardless of whether he or she applied for conversion insurance. If a conversion policy is issued, it will be in exchange for any further benefits for that type and amount of insurance from this Policy.

Extension of Conversion Period

If an Insured is eligible for conversion insurance and is not notified of this right at least 15 days prior to the end of the 31-day conversion period, the conversion period will be extended. The Insured will have 15 days from the date notice is given to apply for conversion insurance. In no event will the conversion period be extended beyond 90 days. Notice, for the purpose of this section, means written notice presented to the Insured by the Employer or mailed to the Insured's last known address as reported by the Employer.

If the Insured dies during the extended conversion period, but more than 31 days after his or her coverage under the Policy terminates, Life Insurance benefits:

1. will not be paid under the Policy; and
2. will be payable under the conversion insurance; provided:
 - a. the Insured's application for conversion insurance has been received by us; and
 - b. the required premium has been paid.

Prior Conversion Limitation

If an Insured is covered under a life insurance conversion policy previously issued by us, he or she will not be eligible for this Conversion Privilege unless the prior coverage has ended.

LIFE INSURANCE EXCLUSIONS

If an Insured commits suicide, while sane or insane, within 2 years from the date the Insured's insurance under the Policy becomes effective, Life Insurance Benefits will be limited to a refund of the premiums paid on the Insured's behalf. The suicide exclusion applies from the effective date of any additional benefits or increases in Life Insurance Benefits.

If a Dependent Child commits suicide and is survived by other Dependent Children covered under your certificate, no refund of premiums will be paid.

TL-004752

ACCIDENT INSURANCE BENEFITS

If you are an Employee and insured under the Policy for Accident Insurance on the date of an Accident, we will pay the Accident Insurance Benefits for a loss shown in the Schedule of Losses. If more than one loss results from the same Accident, we will pay only the largest Benefit Amount to which you are entitled. The loss must be a result of bodily Injuries caused directly, and from no other causes, by an Accident, and must occur within 365 days of the Accident.

Schedule of Losses	Benefit Amount
Life, or Two Members	100%
One Member	50%
Thumb and Index Finger of the Same Hand	25%

"Member" means a hand, foot or the entire sight of an eye. Loss of a hand or foot means complete Severance through or above the wrist or ankle joint. Loss of sight means the total, permanent loss of sight of the eye. The loss of sight must be irrecoverable by natural, surgical or artificial means.

Loss of a thumb and index finger means complete Severance through or above the metacarpophalangeal joints (the joints between the fingers and the hand).

"Severance" means the complete separation and dismemberment of the part from the body.

TL-004754

ACCIDENT INSURANCE EXCLUSIONS

We will not pay Accident Insurance Benefits for a loss which in any way results directly or indirectly from any of the following circumstances.

CLAIM PROVISIONS

Notice of Claim

Written notice of claim, or notice by any other electronic/telephonic means authorized by us, must be given to us within 31 days after a covered loss occurs or begins or as soon as reasonably possible. If written notice, or notice by any other electronic/telephonic means authorized by us, is not given in that time, the claim will not be invalidated or reduced if it is shown that notice was given as soon as was reasonably possible. Notice can be given at our home office in Philadelphia, Pennsylvania or to our agent. Notice should include the Employer's name, the Policy Number and the claimant's name and address.

Written notice, or any other electronic/telephonic means authorized by us, of a diagnosis of a Terminal Illness on which claim is based must be given to us within 60 days after the diagnosis. If notice is not given in that time, the claim will not be invalidated or reduced if it is shown that written notice, or any other electronic/telephonic means authorized by us, was given as soon as reasonably possible.

Claim Forms

When we receive notice of claim, we will send claim forms for filing proof of loss. If we do not send claim forms within 15 days after notice is received by us, the proof requirements will be met by submitting, within the time required under the "Proof of Loss" section, written proof, or proof by any other electronic/telephonic means authorized by us, of the nature and extent of the loss.

Claimant Cooperation Provision

If you fail to cooperate with us in our administration of your claim, we may terminate the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Insurance Data

The Employer is required to cooperate with us in the review of claims and applications for coverage. Any information we provide to the Employer in these areas is confidential and may not be used or released by the Employer if not permitted by applicable privacy laws.

Proof of Loss

You must provide written proof of loss to us, or proof by any other electronic/telephonic means authorized by us, within 90 days after the date of the loss for which a claim is made. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is not given in that 90 day period, the claim will not be invalidated nor reduced if it is shown that it was given as soon as was reasonably possible. In any case, written proof of loss, or proof by any other electronic/telephonic means authorized by us, must be given not more than one year after the 90 day period. If written proof of loss, or proof by any other electronic/telephonic means authorized by us, is provided outside of these time limits, the claim will be denied. These time limits will not apply due to lack of legal capacity.

Written proof, or any other electronic/telephonic means authorized by us, of loss for Accelerated Benefits must be furnished 90 days after the date of diagnosis. This proof must describe the occurrence, character and diagnosis for which claim is made.

In case of claim for any other loss, proof must be furnished within 90 days after the date of such loss.

If it is not reasonably possible to submit proof of loss within these time periods, we will not deny or reduce any claim if proof is furnished as soon as reasonably possible. Proof must, in any case, be furnished not more than a year later, except for lack of legal capacity.

Time of Payment

Benefits due under the Policy for a loss, other than a loss for which the Policy provides installment payments, will be paid immediately upon receipt of due written proof of such loss.

Subject to the receipt of satisfactory written proof of loss, all accrued benefits for loss for which the Policy provides installment payments will be paid monthly; any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof, unless otherwise stated in the Description of Benefits.

Manner of Payment of Claims

The Policyholder authorizes that any benefit payment due as a lump sum of \$5,000.00 or more shall be credited to a draft account with the Insurance Company, in the name of the beneficiary. The beneficiary may withdraw the entire proceeds at any time by issuing one or more drafts, or may withdraw lesser amounts, subject to a minimum account balance set by the Insurance Company from time to time. Interest shall be credited to such account at rates as determined from time to time by the Insurance Company.

To Whom Payable

Death Benefits will be paid to the Insured's named beneficiary, if any, on file at the time of payment or to the certificate owner if alive. If there is no named beneficiary or surviving beneficiary, Death Benefits will be paid to the first surviving class of the following living relatives: spouse; child or children; mother or father; brothers or sisters; or to the executors or administrators of the Insured's estate. We may reduce the amount payable by any indebtedness due.

All benefits payable under the Accelerated Benefits section are payable to the Insured, if living. If the Insured dies prior to the payment of an eligible claim for an Accelerated Benefit, benefits will be paid in accordance with the provisions applicable to the payment of Life Insurance proceeds, unless the Insured has directed us otherwise in writing. However, any payment made by us prior to notice of the Insured's death shall discharge us of any benefit that was paid.

All other benefits unless otherwise stated in the Policy, will be payable to the Insured or the certificate owner if other than the Insured.

Any other accrued benefits which are unpaid at your death will, at our option, be paid either to your beneficiary or to the executor or administrator of your estate.

If we pay benefits to the executor or administrator of your estate or to a person who is incapable of giving a valid release, we may pay up to \$1,000 to a relative by blood or marriage whom we believe is equitably entitled. This good faith payment satisfies our legal duty to the extent of that payment.

Change of Beneficiary

You may change your beneficiary at any time by giving written notice to the Employer or to us. The beneficiary's consent is not required for this or any other change which you may make unless your designation of beneficiary is irrevocable.

No change in beneficiary will take effect until the form is received by the Employer or us. When this form is received, it will take effect as of the date of the form. If you die before the form is received, we will not be liable for any payment that was made before receipt of the form.

Physical Examination and Autopsy

We may, at our expense, exercise the right to examine any person for whom a claim is pending as often as we may reasonably require. Also, we may, at our expense, require an autopsy unless prohibited by law.

Legal Actions

No action at law or in equity may be brought to recover benefits under the Policy less than 60 days after written proof of loss, or proof by any other electronic/telephonic means authorized by us, has been furnished as required by the Policy. No such action shall be brought more than 3 years after the time satisfactory proof of loss is required to be furnished.

Time Limitations

If any time limit stated in the Policy for giving notice of claim or proof of loss, or for bringing any action at law or in equity, is less than that permitted by the law of the state in which you live when the Policy is issued, then the time limit provided in the Policy is extended to agree with the minimum permitted by the law of that state.

Physician/Patient Relationship

You have the right to choose any Physician who is practicing legally. We will in no way disturb the Physician/patient relationship.

ADMINISTRATIVE PROVISIONS

Premiums

The premiums for this Policy will be based on the rates currently in force, the plan and the amount of insurance in effect.

If an Insured's coverage amount is reduced due to acceleration of a Death Benefit, premium will be based on the amount of coverage in force on the day before the reduction took place. If the Insured's coverage amount is reduced due to his or her attained age, premium will be based on the amount of coverage in force on the day after the reduction took place.

Your Grace Period

If your required premium is not paid on the Premium Due Date, there is a 31 day grace period after each premium due date after the first. If the required premium is not paid during the grace period, insurance will end on the last day for which premium was paid.

Draft Accounts

The Insurance Company shall be entitled to retain, as part of its compensation, any earnings on draft accounts created in connection with benefit claims, in excess of interest credited under the terms of the policy.

Reinstatement of Insurance

Your coverage may be reinstated without satisfying the Insurability Requirement, if your insurance ends because you are on an unpaid leave of absence and you apply for Reinstatement within 31 days of your return to Active Service.

After your insurance ends, it may be reinstated at any date prior to five years after the date of termination if the following conditions are met.

1. The Policy is still in force.
2. You are eligible under the Policy.
3. You send us a written request for reinstatement and a new enrollment form.
4. The required premium is paid.
5. The Insurability Requirement, if applicable, is satisfied.

GENERAL PROVISIONS

Incontestability

All statements made by the Employer or by an Insured are representations not warranties. No statement will be used to deny or reduce benefits or as a defense to a claim, unless a copy of the instrument containing the statement has been furnished to the claimant. In the event of death or legal incapacity, the beneficiary or representative must receive the copy.

After two years from an Insured's effective date of insurance, or from the effective date of any added or increased benefits, no such statement will cause insurance to be contested except for fraud or eligibility for insurance.

Misstatement of Age

If an Insured's age has been misstated, we will adjust all benefits to the amounts that would have been purchased for the correct age.

Workers' Compensation Insurance

The Policy is not in lieu of and does not affect any requirements for insurance under any Workers' Compensation Insurance Law.

Assignment of Benefits

We will not be affected by the assignment of your certificate until the original assignment or a certified copy of the assignment is filed with us. We will not be responsible for the validity or sufficiency of an assignment. An assignment of benefits will operate so long as the assignment remains in force provided insurance under the Policy is in effect. This insurance may not be levied on, attached, garnisheed, or otherwise taken for a person's debts. This prohibition does not apply where contrary to law.

Clerical Error

A person's insurance will not be affected by error or delay in keeping records of insurance under the Policy. If such an error is found, the premium will be adjusted fairly.

Ownership of Records

All records maintained by the Insurance Company are, and shall remain, the property of the Insurance Company.
