

# KNOW WHAT TO THROW

## **Metal Cans & Aluminum**

Empty and rinse all cans before placing them in the recycling bin. Labels can stay on.

## **Plastic Jugs & Bottles**

Empty and rinse containers before recycling. Keep lids attached to bottles or discard loose lids in the trash.

## **Paper**

Recycle paper separately from other packing materials. Shredded paper is not accepted.

## **Cardboard**

Remove non-recyclable packing materials such as bubble wrap and tape. Discard wet, soiled cardboard and pizza boxes in the trash.

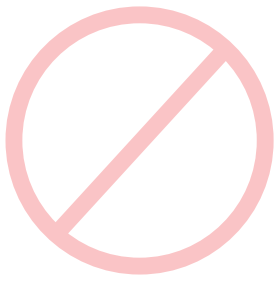

## **Glass**

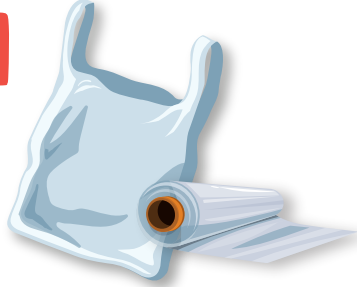

Recycle glass food and beverage containers. You may leave lids and labels on. Empty and rinse all containers before recycling.

For more information on what goes in the pink bin,  
visit [ScottsdaleAZ.gov](http://ScottsdaleAZ.gov), search "accepted recyclables".

# TOP 5 CONTAMINANTS

## **Plastic Bags & Thin Film Plastic**

Do not place plastic bags, wrappers, or film in your recycling bin. Take clean, dry bags to designated store drop-offs.

## **Organic Waste: Food, Green & Animal/Human**

Organic materials—including food scraps, yard waste, pet waste, and diapers—do not belong in the recycling bin. Dispose of these in the trash.

## **Styrofoam**

Styrofoam containers, cups, and packaging are not recyclable. Please place them in the trash.

## **Waste & Household Hazardous Waste**

Items like batteries, paint, chemicals, and electronics are hazardous and should never go in the recycling. Schedule a special pickup through the city's Household Hazardous Waste Program.

## **Clothing & Textiles**

Do not place clothing, shoes, or fabrics in the recycling bin. Donate wearable items or find a textile recycling drop-off.
