

Transportation Cart Orientation

Basics

- Let's clear up some misunderstandings
 - You are a Commercial motor vehicle!!
 - Referred to as a transportation cart in Scottsdale.
 - You are NOT a motorcycle
 - You are NOT a golf cart...golf carts are on golf courses or in Sun City.
 - You are NOT a recreational vehicle.
 - Your registration is only the classification of a recreational vehicle. Under ADOT you are a commercial motor vehicle and must behave like one. A.R.S. § 28-5201 (1.)(e.)

Basics

- As a Commercial motor vehicle, you must...
 - Obey all traffic laws as a car would.
 - Just because you are small does not exempt you from obeying traffic laws.
 - **If a car can't do it, then neither can you.**
 - Be aware...If you chose to drive on roads with speeds over 35MPH and cannot maintain the proper speed limit you CAN be given a citation.
 - These carts are not designed for accidents at these speeds.
 - You must have the proper equipment a car would.
 - Seatbelts, front window, brake lights, proper tires, headlights...
 - You must have a valid DL.

ADOT

- What is New
- ADOT is now regulating transportation carts which carry passengers for money (a livery vehicle or vehicle for hire) A.R.S. 28-101.
 - **That is you!**
 - Even if you “just work for tips” you are now a livery vehicle per the State of Arizona.
 - What does that mean to you...

ADOT

- You are now governed by stricter licensing and safety standards as you carry passengers.
- **You must register your cart(s) with ADOT's Vehicle For Hire Unit at:**

[Taxi, Livery and Limousines | Department of Transportation](#)

Baseball Operations

- All transportation cart / taxi cab pick-up and drop-off should be conducted **in the inside lane of Drinkwater (by the Stadium) between Osborn and the parking garage entrance**. A second pick up and drop off lane is available on Osborn to the east of the Gate B entrance. A pick-up and drop off lane will be created for transportation vehicles to use. This is NOT a sitting lane, but a pick-up and drop off lane.
- Transportation carts and pedicabs are NOT allowed to stage along Osborn Road in the bike lanes or sidewalks (SRC 17-345.11) outside of the Giants parking lot. This would include the area from Drinkwater east to the 75th Street crosswalk.
- A temporary no U-Turn sign will be placed at Drinkwater and Osborn to help stop the constant circling and congestion of the transportation vehicles along Drinkwater. The sign will prohibit S/B to N/B U-Turns on Drinkwater at Osborn. Transportation carts may use 4th Street to cross Drinkwater to the appropriate drop-off /pick-up area.
